

Volkswagen Ameo

Volkswagen

Many Indias. One car.

India is nothing if not surprising. A dynamic contrast every few miles. A million different hues humbled only by its sheer vastness. Stunning sunsets, admired in myriad languages across states. And beautiful people that make the land richer and brighter.

Yet, even a country as vast and diverse as India has always lived, moved and breathed as one. Inspired by this spirit, comes our new car, exclusively designed for India. A car for a new generation that's young, vibrant and knows exactly what it wants. With a keen eye for quality, safety and comfort. Modern, yet rooted in tradition. Uniting the country's diverse set of attributes, to create the perfect sedan for India. And for you.

Think pride. Think new.

At Volkswagen, it takes more than the world's best engineers to build our cars. It takes heart. And pride. Crafted with passion, and destined to make families across the country beam with joy at the sight of their driveways.

With the Volkswagen Ameo, we've dedicated ourselves to giving you a car that meets your every need. Designed and inspired by the country, coupled with Volkswagen's legendary build quality, safety and drivability. Taking things further, we've added segment-leading features and a bold, aerodynamic style. To give you a sedan that understands India, no compromises spared.

It's a car of many firsts. For you, as well as for us, at Volkswagen. So as the country witnesses the world premiere of the Ameo, we celebrate German engineering at its finest, perfected specially to ignite that cosy little feeling called pride.

Stylish, suave and refined. It's everything you are.

From the moment you lay your eyes on the Ameo, you'll be drawn in by its perfect symmetry and proportionate design aesthetic. Flowing lines glide along its elegant, muscular frame, forming its finely chiselled exteriors. While chrome hints on the body-coloured bumper and door handles seamlessly fit into its sporty bodyline.

The stylish front bumper¹ houses powerful dual-beam headlamps finished in black, giving it an unmistakably sleek look. While its sporty alloy wheels² and electrically-foldable outside rear-view mirrors with LED turn indicators³ mean that the Volkswagen Ameo will always be dressed to impress.

Completing its sharp styling is the aerodynamic design and stylish tail lamps⁴, which makes for an imposing statement on the road. And why shouldn't it? After all, every detail commands your attention. In a way, it's a lot like you.

A car that was thinking about you, even before you knew about it.

Everywhere you look inside the Volkswagen Ameo, you'll find features that have been intrinsically built keeping you in mind.

- Plush 'Desert Beige' seats with height-adjustable headrests give you a cushy, soft ride even on bumpy terrain
- Rear AC vents⁴ ensure that your loved ones stay as cool as you do, no matter the weather outside
- Footwell lights³ with soft, subtle LEDs upgrade the ambience inside

We know you love carrying your world along on your trips. So we've provided you with a wide array of storage options that come in all shapes and sizes.

- The capacious boot¹ gives you ample space for all your belongings, along with a single-folding rear seat for additional space
- The front armrest storage² lets you keep all your essentials by your side
- The cooled glove box⁵ ensures that you're never too far away from a cold beverage when you're out on a sunny day

We've given you less to worry about while you're out enjoying the drive. After all, what's more comforting than a sedan that's thought of it all?

When expectations meet reality. And far exceed it.

One look at the stylish dashboard and you'll know that the Volkswagen Ameo comes packed with a lot more than other sedans in the category. The state-of-the-art touchscreen multimedia system gives you one-touch access to all your entertainment and connectivity. The brushed aluminium finish on the front centre console and chrome detailing on the AC vents adds to the sophistication inside. Cruise Control, meanwhile, lets you enjoy leisurely long drives with ease. Enjoy the feeling that comes when everything works perfectly for you, and by you.

Some just love being in control.

A country that's on-the-go deserves a car that can keep up. Just why the touchscreen infotainment system is your sole command centre in the car. Make calls, view messages and play your favourite tunes, all at the touch of a button.

And you can wave those parking woes goodbye, as the reverse parking camera¹ and rear parking sensor give you the assured confidence to park in any tight spot.

Go ahead, control it all, right from your seat. It's the kind of power you could get used to having.

Every drive, a journey of surprises.

The more you drive the Volkswagen Ameo, the more surprises you'll find, and the more you'll fall in love with it. When we decided to make a sedan especially for India, we designed it to be extra thoughtful on the inside, with several class-leading features.

- Cruise Control¹, which makes every trip a breeze as you sit back and relax on a comfortable, steady speed
- The intelligent rain sensors² that automatically signals the wipers in case of a sudden downpour
- Climatronic³ air-conditioning also lets you set a cool, comfy temperature inside, no matter what season of the year it is
- The auto-dimming interior rear-view mirror⁴, to tackle headlight glares from cars behind you, for uninterrupted visibility on the road
- Remote-controlled windows for added convenience, and Pinch Guard for added safety

It's the finest engineering we've got. And you're at the centre of it.

Your safety is in safe hands.

When it comes to safety, we've left nothing up to chance. Dual front airbags¹ come standard, so you and your co-passengers are always protected in the event of a collision. Stay comfortably nestled as you ride in a galvanised steel body² that's enclosed by a laser-welded roof. Anti-lock Braking System (ABS)³ comes standard in all variants, kicking in to prevent the car's wheels from locking when you hit the brakes hard. And it also comes with anti-pinch power windows⁴ (front and rear) that stops windows from closing on sensing even the slightest obstacles in the way. Trust us, your safety is in good hands.

Owning the Volkswagen Ameo gives you sense of comfort, and rightly so. Because with the Ameo, comes host of service benefits that would give you all the comfort you need while driving this masterpiece.

Volkswagen Warranty -

The Volkswagen Ameo comes with
-2 years unlimited kilometres new vehicle warranty
-3 years paint warranty
-6 years anti-perforation warranty

Volkswagen Extended Warranty -

New vehicle warranty can be extended at an additional cost for further 1 year/ 80,000 kilometres or 2 years/100,000 kilometres from the date of sale (whichever is earlier). Extended warranty is not a mirror image of new vehicle warranty.

Extended warranty can be purchased within standard warranty period with various buying options at attractive price benefits and all this is to protect your car from unanticipated repair work.

Volkswagen Roadside Assistance -

Every Volkswagen car is registered for Volkswagen Roadside Assistance for 2 years from its date of sale. This provides the vehicle with home or roadside recovery in the unlikely events of breakdowns across India (within covered limits). The services can be extended further for 1 year or 2 years and also can be renewed annually for a nominal cost.

Volkswagen Service Value Packages -

Service interval of your Volkswagen is scheduled at every 15,000 kilometres or one year (whichever is earlier). Various options of Service Value Packages can be availed with an attractive price with additional benefits.

Volkswagen Co-branded Motor Insurance and Drive Assure Elite Add-on Insurance -

To care for your Volkswagen and protecting it against the unexpected events such as accidents, natural calamities, theft and so on. Our motor insurance policy with drive assure elite value added covers damages due to rodent bite, replacement of vehicle in case of total loss, wheel rim cover, etc., which is designed keeping in mind all such unforeseen situation. So, your car is protected when you need it the most.

Volkswagen Care Service Packages -

Volkswagen care packages are combination of our best of services exclusively designed for Ameo, ensuring peace of mind.

"Volkswagen Care" package – It is a combination of all the necessary services for 3 years of uninterrupted driving pleasure.

"Volkswagen Care Plus" package - It includes all the necessary services with additional benefits for 4 years of complete peace of mind.
