BMW SECURE PREMIUM - AS UNIQUE AS YOUR BMW.

BMW Secure Premium is a promotional package offered exclusively to BMW customers who have purchased their motor insurance through BMW Financial Services.

BMW Secure Premium is a very unique product offered in India. We cover the difference in price of the parts that need to be replaced as a result of an accident. Thereby, relieving you of the additional burden of paying for the price difference because of the value depreciation of the parts*.

This package will offer you protection in case of total damage of your BMW, within one year of the purchase or upon renewal. Not only will your BMW be replaced with a new one of the same type**, BMW India will also cover all costs of registration, tax and insurance thereby incurred. This top-end package continues to cover the new replacement vehicle, as well.

* To avail of these facilities, the vehicle must be serviced/ repaired at BMW authorized dealerships. Terms and conditions apply.

** For earlier models this service is subject to local availability. Terms and conditions apply.

AFFORDABLE AND HASSLE-FREE PROCESS.

BMW Secure Premium is very affordable and in addition is available at a hassle-free process. The Finance and Insurance Manager at your BMW dealership will be glad to assist you with the simple one step process.

We are confident that after reviewing the benefits of BMW Secure Premium you will appreciate this truly unique product, designed especially for you as a valued BMW customer.

BMW Secure Premium is provided exclusively to BMW owners. BMW customers in India can now benefit from our world-class products and services specifically tailored to meet the highest standards as set by BMW.
