Streets have signs,  
wheels have directions.  
Ones like me have  
other intentions.

Pass the good or the great,  
on the roads of now.  
I bet you know it,  
I'm here to wow.

The Honda WR-V.  
I'm the Wow R-V.

**#HERETOWOW**

## WOW TO THE EYE.

Witness the arrival of a new social animal. It packs the suaveness of a head turner with the stance of a masculine roadster. City charmers, here you go on the roads of now.

**NAVIGATE. COMMUNICATE. GROOVE.**

It is innovation at its most entertaining and information in its smartest avatar. This revolutionary infotainment system is no less than a smartphone with its intuitive and customizable interface. The audio visual experience of the new DIGIPAD is equipped to be the best supporting a number of media sources including HDMI & internal storage. The on-board satellite linked navigation is available at the flick of your finger or command of your voice and makes navigation and driving a seamless exercise. Endless possibilities are available with just a long press of the voice control switch which activates the voice assistant feature of your connected smartphone. Now check the weather, schedule a meeting, send a message on the go. It also offers internet support for live traffic, browser & emails - a first in this segment. MirrorLink™ lets you connect and access your smartphone features.

Above shown screens are for illustration purpose only. Internet access is possible only through Wi-Fi dongle available in Honda accessory line-up. \*MirrorLink™ function only applicable for Android OS enabled phones and will support 'MirrorLink' compatible apps. ## SOUL OF THE STUNNER

The power to hold an audience comes from under the hood. The refined technology of WR-V gives it the full-bodied performance to match the urban road dasher in you.

25.5\* km/l

1.5L i-DTEC (Earth Dreams Technology)

The best in class fuel efficiency of 25.5\* km/l (Diesel) with a max power of 100 ps - now that's the wow of the 1.5L i-DTEC diesel engine. Available with a refined 6-Speed MT, it's an all aluminium construction that runs on low friction technology and makes you the smooth operator.

17.5\* km/l

1.2L i-VTEC

The 1.2L i-VTEC petrol engine strikes a perfect balance of impressive 90 ps power with a mileage of 17.5\* km/l. The all-together new, higher weight category transmission is adapted for WR-V petrol version to deliver the punchy performance.

## AND EVERYTHING YOU NEED

You don't head home straight, do you? Pack in all you need in the enormous 363L cargo space of the WR-V. Extend it by folding the rear seat, so you miss nothing. The multiple cup and bottle holders will only make it more wow.
