

THE NEW ŠKODA OCTAVIA RS

ŠKODA
SIMPLY CLEVER

OCTAVIA RS

WHAT IS IT ABOUT THE NEW OCTAVIA RS?

Power can't be measured with a stopwatch. Nor can it be fully evoked by pretty words. It's an emotion that can only be experienced by watching the world blur away at the mere press of your right foot. Enjoy the thrill of total power unleashed inside the new ŠKODA OCTAVIA RS – a genuine mean machine.

This car sets pulses racing even when standing still. With sporty styling and equally impressive QuadraLED headlamps, the racy intentions of the OCTAVIA RS are revealed as quickly as the horses rushing under its bonnet.

The OCTAVIA RS is yet another example of our philosophy of making beautifully designed cars that are as much a joy to drive now as they were back when we started.

That's Simply Clever. That's ŠKODA.

UP TO 230 BEAUTIFUL HORSES

Mix the timeless aesthetics of the OCTAVIA with sporty styling and you get the OCTAVIA RS. Its impressive look is backed up with a sporty chassis and its functionality is underlined with ingenious exterior elements.

FRONT VIEW

The car can be easily identified by the RS badge on the front grille as well as the ferocious sports expression lent by the honeycomb design air dam, QuadraLED headlamps and LED fog lamps in RS design.

LED REAR LIGHTS

The rear lights, with familiar C-shaped illumination, are always equipped with LEDs as well as the lighting of the registration plate.

5TH DOOR SPOILER

The RS features a 5th door spoiler, which increases the stability of the vehicle at faster speeds.

ALLOYS

The Hawk Anthracite R17 alloy accentuates the tough demeanour of the car.

EXHAUST PIPE

The rear section's sportiness is accentuated by a red reflective strip above the black diffuser and a pair of sporty stainless steel tailpipes.

COCKPIT COMFORT

While the driver enjoys the atmosphere of the sports cockpit, passengers indulge in maximum comfort.

DRESS CODE: SPORTY

Exceptional space meets sporty design in the interior, which comes in exclusive black styling. While numerous details make every journey more pleasurable, the original RS logo on the steering wheel, seats and gear stick knob accentuates the thrill-seeking nature of the car.

AMBIENT LIGHTING

The attractive interior of the RS version is even more beautiful when the ambient lighting (with ten appealing colour options) comes on.

SPORTS STEERING WHEEL

The sports multifunctional steering wheel in perforated leather lets you control the radio and phone and alternatively the DSG (Direct Shift Gearbox).

SEATS

The sports front seats feature integrated headrests.

The original RS logo is embroidered on the backrests. The upholstery is in a combination of Alcantara® leather with red stitching.

Image for reference.

PEDAL COVERS

The noble steel foot pedal covers are stylish plus enhance the driver's comfort.

DOOR SILL STRIPS

The decorative door sill strips in the front carry an original RS inscription.

THE CAPITAL OF YOUR DIGITAL UNIVERSE

Infotainment has evolved just as much as the automobile. And what better example of this evolution than The ŠKODA Octavia RS. Look forward to breath-taking features and intelligent functions. With the seamless connectivity and entertainment options, drives will never be boring again, no matter how long the journey, or tough the road.

MEDIA COMMAND APP WITH BOSSCONNECT

The new ŠKODA Media Command App with BossConnect allows you to control the infotainment system on your phone. This feature is integrated into the Amundsen infotainment system and the new ŠKODA App, even allowing people in the back to operate the functions using their smart device.

SMARTLINK

With the SmartLink system (ŠKODA Connectivity bundle supporting MirrorLink®, Apple CarPlay and Android Auto), the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with MirrorLink®, Apple CarPlay or Android Auto.

Removable rear parcel shelf	■

TECHNICAL DESCRIPTION	2.0 TSI/169 kW (A)
Engine	
Engine type	Turbocharged petrol engine, direct injection system
Cylinders	4
Displacement [cm3]	1984
Max. power/revs [kW(PS) at rpm]	169(230)/5,500–6,200
Max. torque/revs [Nm at rpm]	350/1,500–4,500
Fuel consumption - rule 115 of CMVR [kmpl]	14.45*
Fuel grade	Sulphur-free super RON 95
Transmission	
Wheel drive	Front Wheel Drive
Transmission	Automatic 6-speed DSG
Chassis	
Front axle	McPherson suspension with lower triangular links and torsion stabiliser
Rear axle	Multi-element axle, with one longitudinal and transverse links, with torsion stabiliser
Braking system	Hydraulic dual-diagonal circuit braking system vacuum assisted with Dual Rate
Brake – front	Disc brakes with inner cooling and with single-piston floating caliper
Brake – rear	Disc brakes
Steering system	Electro-mechanic steering (booster), transmission with power assisted
Wheels	7Jx17, 3.5Jx18 (Spare Wheel)
Tyres	225/45 R17 & 125/70 R18 (SPARE WHEEL)
Outside dimensions	
Length [mm]	4689
Width [mm]	1814
Height [mm]	1496
Wheel base [mm]	2679
Ground clearance (solo) [mm]	141
Ground clearance (laden condition) [mm]	103
Inside dimensions	
Storage capacity	590
Storage capacity with rear seatback folded down	1580
Weights	
Kerb weight [kg]	1418
Gross weight [kg]	1907
Liquids	
Tank capacity [l]	50
Performance	
Turning circle diameter [m]	10.5
