Basic of Driving Off-Road

The Renault Duster 4x2 is quite capable in cross-country and off-road terrain. This is because of the High Ground Clearance (GC) and aggressive Approach/Departure/Ramp-Over Angles (ADR Angles).

Rules of Safe off-Road Driving.

- **Respect the Terrain** - Walk Through the Terrain, and over off-road obstacles, before driving. DO NOT LITTER
- **Respect the wishes of the Local Residents** - Check with the local residents if you can drive through their land, and get a understanding of the terrain and features.
- **Respect the vehicles** – Do Not overestimate the capabilities of the vehicle, If you think you cannot drive through and obstacle, don't push yourself.
- **Travel in a Group** – Off-Roading is an outdoor activity and a good group will be safe.

Get Prepared

Off-Roading is an outdoor activity, adequate preparation is required.

Prepare your Group-

- 1) Exchange Contact Number,
- 2) Inform Family members where you are going.

Prepare your vehicle –

- 1) Check the Tyres
- 2) Check the Accelerator/Brake/Clutch, Headlight and Windscreen Wipers.
- 3) Check if the Spare Wheel/Jack/Spanner, toolkit and Medical Kit is in the vehicle.
- 4) Carry short eats and at least 2litres of water per person.
- 5) Check the vehicle for Dents and Scratches.

Prepare Yourself-

- 1) Prepare the route to the off-road spot
- 2) Wear clothing suitable for outdoor activity – Full-Sleeves Shirt/Jeans/Sport Shoes
- 3) Carry any prescribed medication.
- 4) Carry a Garbage Disposal Bag- **Do Not Litter.**

Frequently Asked Questions

What is the event about?

Renault Duster Off-Road Excursions is aimed at giving Renault Duster customers an experience in handling their vehicle in off-road terrain, and learning how to use their Renault Duster better on tricky terrain.

How many people can I bring along in my vehicle?

For safety and effective execution of the event, only 4 person (Including Children) are suggested in the vehicle including the driver. This ensures the vehicle is light and the suspension has enough height.

What is the Duration of the event?

This event will be spread over 4-5hrs, and sufficient refreshments will be provided to the participants.

Do I have to carry food and water?

A Vegetarian Lunch and Refreshments (Juices & Water) will be provided to all the participants. However it is always a good practice to carry some snacks and water in your vehicle on long trips.
