

# SUV EXTREME 2014

A TERRA TIGERS INITIATIVE

# THE TERRAIN

The SUV Extreme, will test 4x4 SUVs on a variety of terrain.

The terrain is a mix of water, sand, slush, boulders, rocks and rubble that offers excellent opportunities to set up challenging competitive Off-Road Special Stages

## SUV Extreme 2014

A TERRA TIGERS INITIATIVE

# THE TEAM

The SUV EXTREME is organized by Terra Tigers, India's oldest and most widely recognized recreational off-road group. Started by a group of off-road enthusiasts a decade back, today it has grown exponentially with national presence to be the benchmark for off road motor-sports in the country.

Terra Tigers have been organizing THE PALAR CHALLENGE for 7 years , and now the expertise is being carried over to SUVs.

With competition experience across international events like RFC (Malaysia), Taprobana Challenge (Sri Lanka) amongst others.

## SUV Extreme 2014

A TERRA TIGERS INITIATIVE

# THE EVENT

**SUV Extreme** will be an bi-annual **team based off-road competition for vehicles with 100 inch wheelbase and 4x4 with Lo-Range**; held around the First Weekend of March (28<sup>th</sup> Feb-2<sup>nd</sup> March 2014) and the Second weekend of September(11<sup>th</sup>-13<sup>th</sup> September 2014). Each team consists of **3 vehicles and 6 competitors**.

# THE CHALLENGE

The event tests teams for their proficiency in:

- Team work and Endurance
- Off-road and cross country driving skills
- Navigational abilities
- Vehicle Recovery Techniques
- Vehicle preparation

All competing vehicles will be subjected to **strict scrutiny** to ensure that they adhere to the safety requirements prescribed in the competition handbook. **Safety is of utmost importance** and no compromise is made in this regard.

All **organizers undergo a focused training schedule** lasting over **6 months** to ensure that every marshal is on top of his game at any point of time. The benchmark is pretty high with respect to the composition of the "O" team.
