

**HERE'S TO TAKING THE
HARD OUT OF HARD WORK.**
We call it Rise.

GENIO

Mahindra
Rise.

DESIGN

Born of ideas to take your business places, more than a modern transport solution, the aerodynamic bodied Mahindra Genio with a wide and large corrugated cargo box and a carrying capacity in excess of 1,000 kg, was designed from the ground up on smart ideas, ideas that revolutionise cargo transportation. With a quality ride making work like play and play like work, the Genio is aesthetically pleasing and impactful. Available as a Double Cab as well as Single Cab variants which include the Chassis Cab, Dropside, Flatbed and Maxivan.

INTERIOR

A plush interior designed for a premium feel for both driver and passengers alike. With a car like ride and interior you will be surprised that it's actually a bakkie. A stylish instrument cluster with trip meter. The double cab features DDAS to help you stay updated on everything from current speed, temperature, humidity and fuel consumption. 2-DIN Audio System supporting MP3, CD and SD cards and even USB drives are standard on all derivatives.

SPACE & COMFORT

Equipped with great ideas to maximise your comfort such as super-comfortable, semi-bucket seats with front-back adjustment and recliner features, meticulously designed through 'Body Pressure Mapping' and ergonomically adapted to the human form. Power steering for effortless driving, smooth comfortable car-like gearshift and a wider windscreen and bigger doors for convenient entry and exit. Boasting one of the most spacious cabins in its segment the Mahindra Genio works and plays in style and comfort, making traveling in its spacious cabin a truly business-class experience.

Maxivan

Double Cab

CONVENIENCE

With added convenience such as an extra large glove box for ample storage space, utility floor console with bottle holder and mobile charging point (Double Cab), wallet and mobile case in the dashboard, extra-large sun visors and split rear window, the Genio Single or Double Cab meets your every single need and maximizes your convenience and comfort.

Flatbed

Dropside

SAFETY AND PEACE OF MIND

Work and play in safety. The Mahindra Genio is equipped with superior brakes with Anti-Lock Braking System (ABS) for better and safer braking. As well as the key located crumple zones which absorb most of the impact in the event of a collision. The unyielding steel bars in the doors minimise impact from the sides making this package a very safe one indeed. For total peace of mind, the Mahindra Genio comes standard with a 3 Year 100,000 km Warranty.

PERFORMANCE

With Mahindra's proven and reliable mHawk 2.2 litre 4 cylinder Common Rail Diesel Engine, you can move any load quickly, driving the rear wheels through a five-speed gearbox. Giving you a best-in-class 88 kW of power and 290 Nm of torque, this engine offers lower maintenance and running costs with frugal fuel consumption of only 7.9 litres /100km.
