

# #ChangeWhatYouCan

INDIA'S FIRST PURE ELECTRIC INTERNET SUV

Images and depictions are for illustration & representation purposes only. Features and specifications as shown in the brochure are not standard for all variants. MG Motor India urges drivers to follow traffic rules which are meant to keep them safe on roads.

# #ChangeWhatYouCan

---

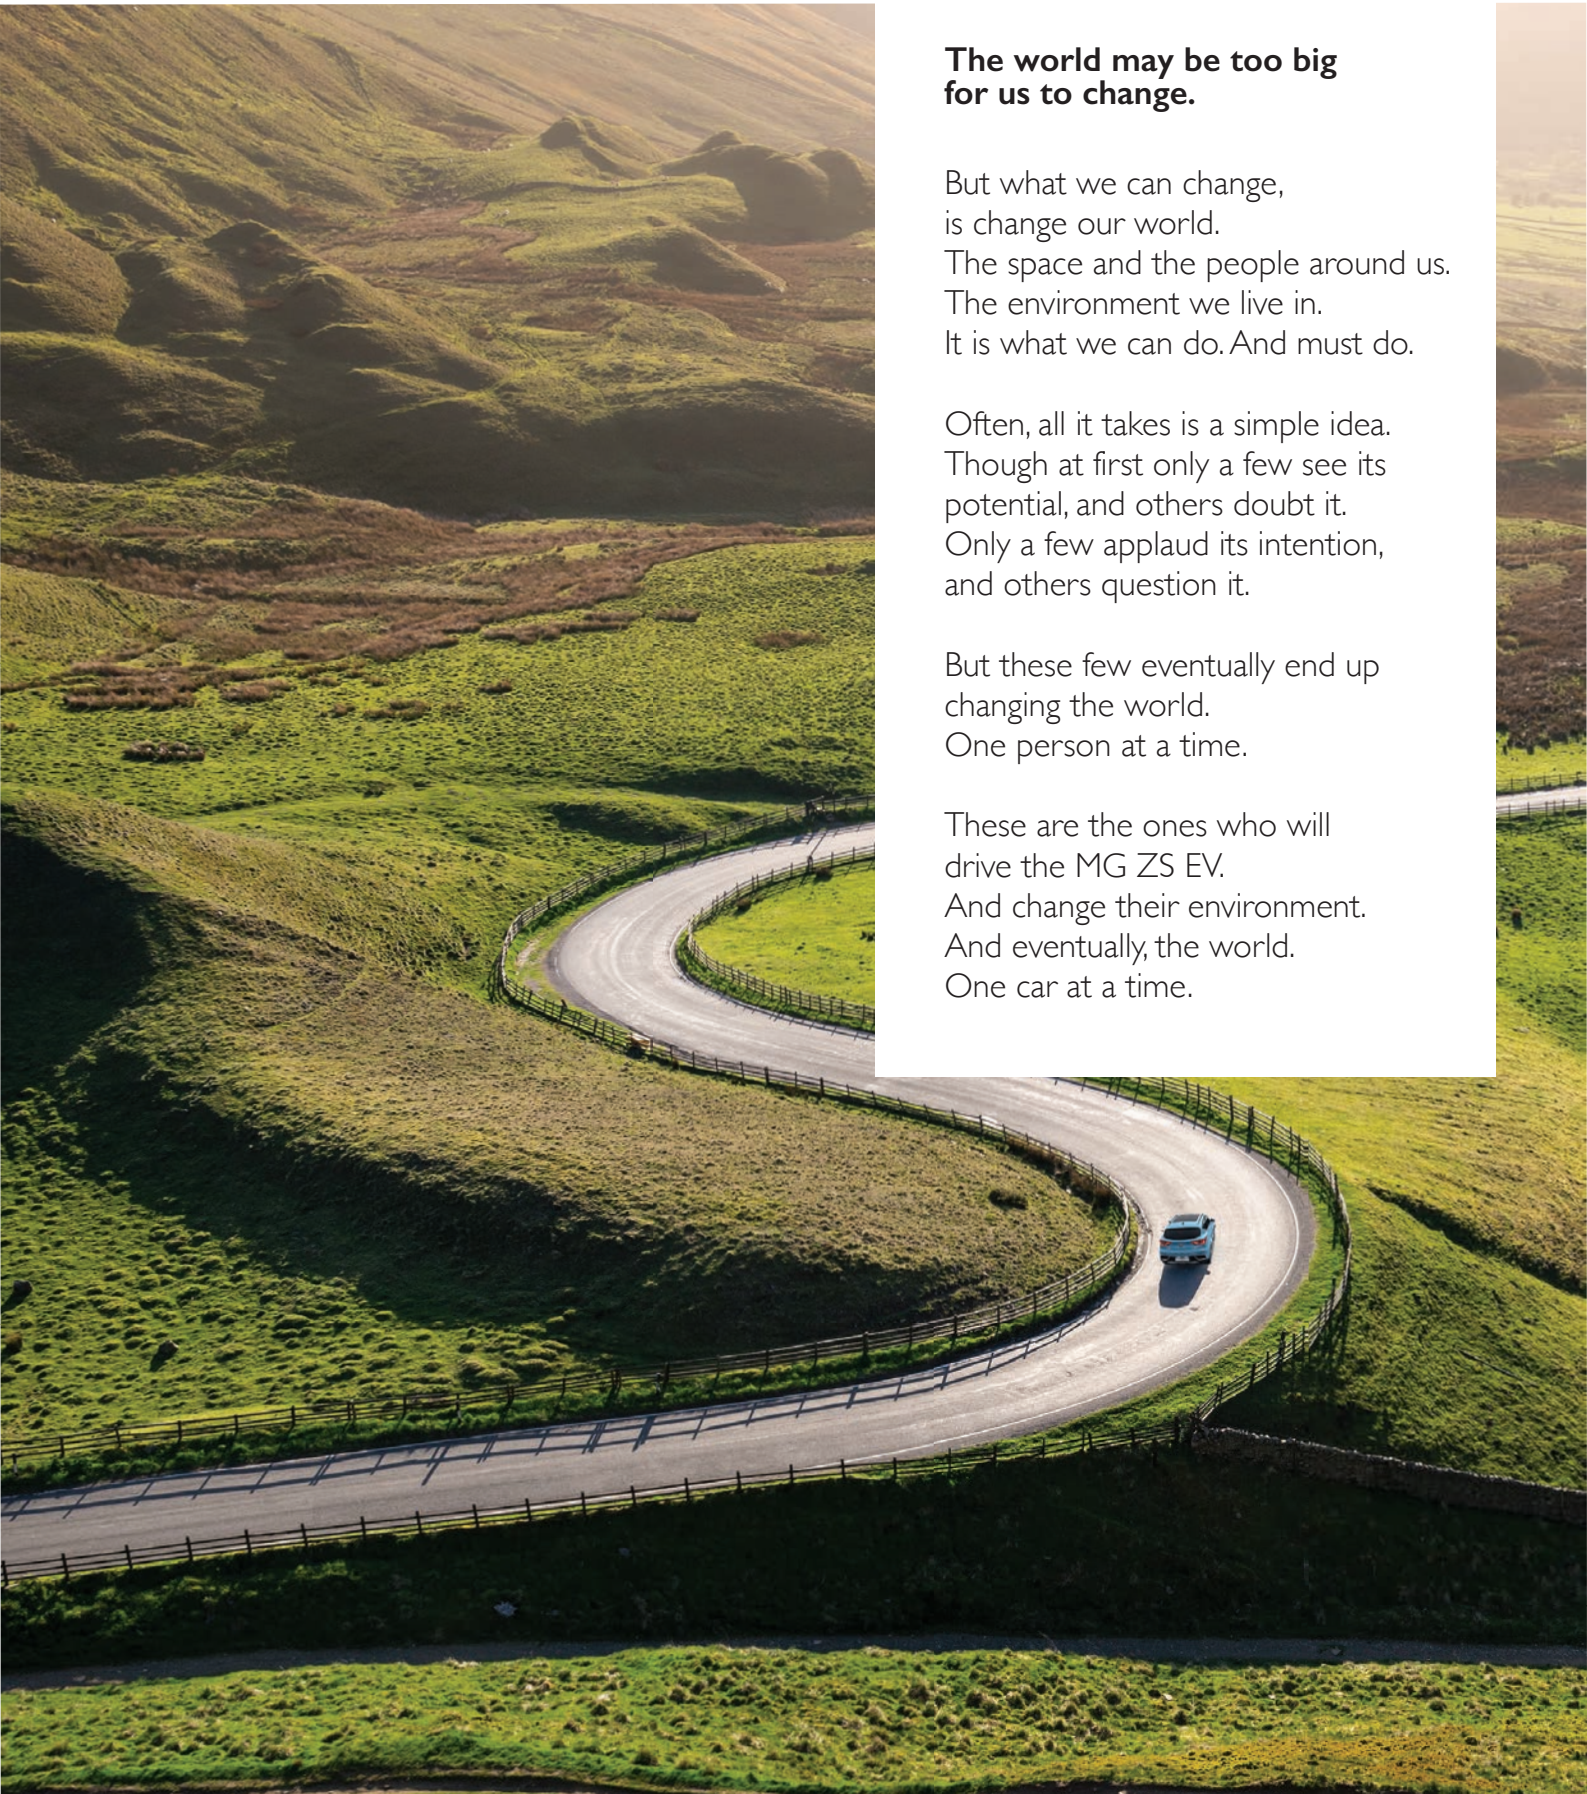

**The world may be too big  
for us to change.**

But what we can change,  
is change our world.  
The space and the people around us.  
The environment we live in.  
It is what we can do. And must do.

Often, all it takes is a simple idea.  
Though at first only a few see its  
potential, and others doubt it.  
Only a few applaud its intention,  
and others question it.

But these few eventually end up  
changing the world.  
One person at a time.

These are the ones who will  
drive the MG ZS EV.  
And change their environment.  
And eventually, the world.  
One car at a time.

PURE ELECTRIC  
INTERNET SUV

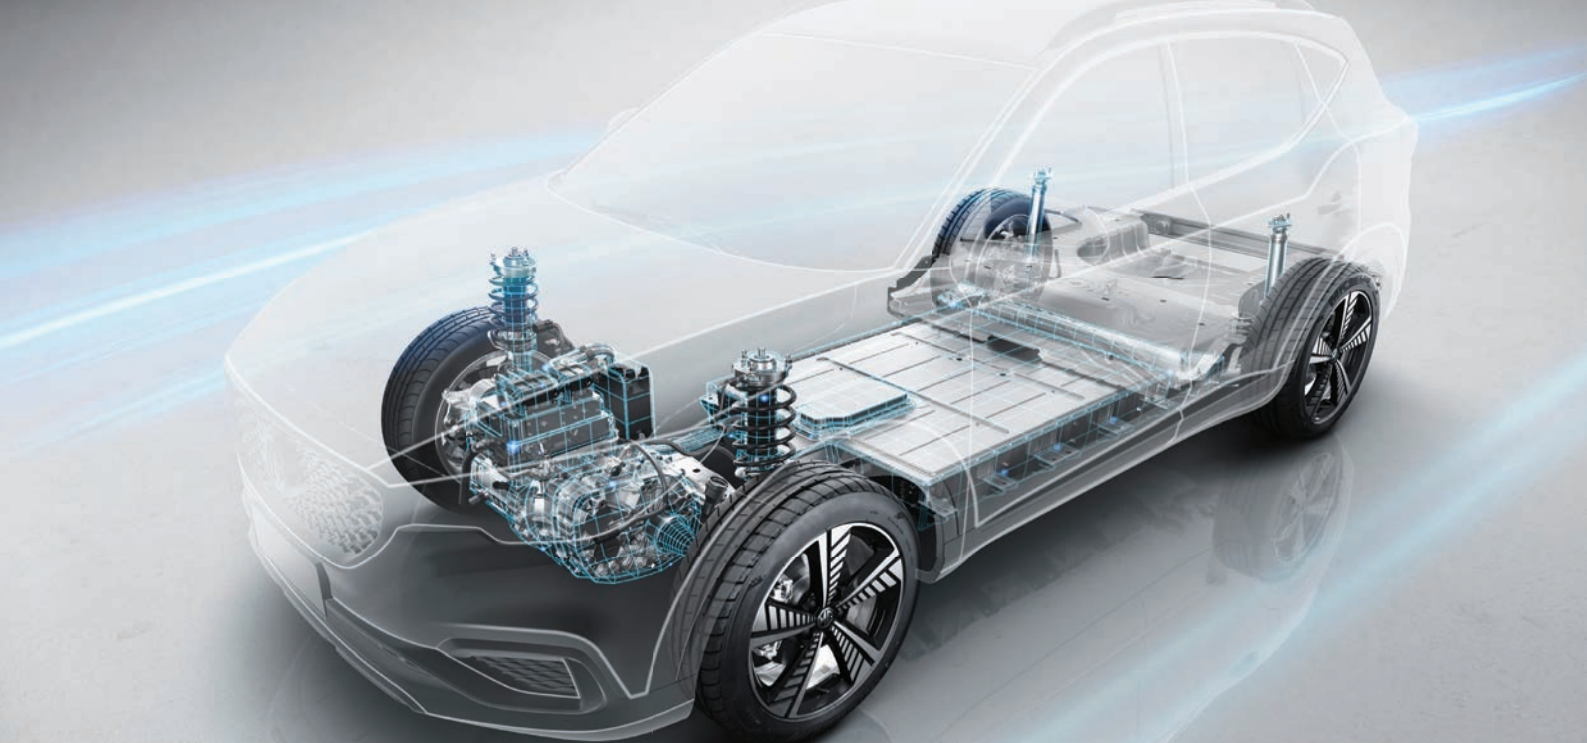

# About MG ZS EV

---

The MG ZS EV is not just India's first pure Electric Internet SUV, but also a catalyst for change. At MG, we believe change begins with a few, the ones who lead from the front and inspire others to do the same. A step in the same direction, MG ZS EV, the global SUV is designed for the few who would like all the benefits of a zero tail pipe emission vehicle but in style. The MG ZS EV does not compromise on aesthetics, has an excellent build quality, would thrill you with its performance and is powered by i-Smart EV 2.0. Style, substance, performance – all comes packed with the MG ZS EV.

# Safety is our Foundation

Front & Rear Seat Belt Reminder

Heated ORVM

Tyre Pressure Monitoring System (TPMS)

Rear Disc Brakes

ABS + EBD + Brake Assist

Hill Descent Control

Electric Parking Brake

3 Point Seatbelt For All Passengers

Reverse Parking Camera With Dynamic Lines

Electronic Stability Control

Hill Start Assist

6 Airbags (Dual Front, Side, Curtain)

\*Features and specifications may vary model wise.

# Battery Safety Standards

The battery is the heart of an EV. Which is why we do everything possible - and sometimes what's not - to ensure that it is the safest, and the most cared for thing in your car.

## UL 2580: Standard For Safety

Eight Super Critical Tests

Short Circuit

Soaks

Dust

Fire

Extrusion

Collision

Smoke

Fall

## IP67: Standard For Safety

Waterproof & Dustproof

Collision Monitoring

Insulation Monitoring

High Voltage Interlock

Electromagnetic Shielding

Overload Protection

# Safety is Paramount

As safety is the key, your MG ZS EV comes with European Standards.

Based on European standards

European E-MARK

European REACH

Environmental standards in the car

European E-NCAP

Safety Standard Design

UL2580

Battery Safety Certification

IP67

Dust and Water Resistance Index

# Performance

Battery Capacity	44.5 kWh (Ultra High Density Battery)
Range	340 km
Max Torque	353 Nm
Max Power	142.7 ps
0-100 km/hr	8.5 s

\*The range figure is based on ARAI certification.  
Performance figures may differ in conditions other than test conditions.

# Charging Made Convenient

Enjoy hassle free charging with multiple options for your MG ZS EV.

## Portable Charger Along With Your Car:

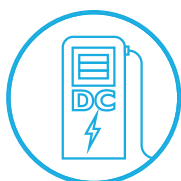

An onboard charging cable that comes with your MG ZS EV, makes charging convenient. Simply plug into any 15 A socket at your home or any location, and effectively charge your MG ZS EV.

**100% charging in 16-18 hours.**

## AC Fast Chargers:

7.4 kW wall mounted chargers that can be installed at your office or home – any location of your choice for your daily/overnight charging needs. **100% charging in 6-8 hours.**

## DC Fast Chargers:

50 KW DC Super-Fast chargers installed at select MG Dealerships are easily accessible, for all MG ZS EV owners to use, 24x7!

**Up to 80% charging within 50 mins.**

## An Extended Charging Network:

Being set up by MG India across our dealerships in select satellite cities along key routes, the network will help you charge when you are travelling to city outskirts.

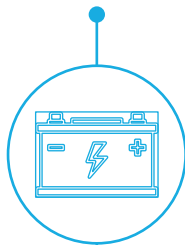

## Charge on the go:

A Road Side Assistance (RSA) service in case you run out of charge.

# i-SMART *EV* 2.0

## EV SPECIFIC FEATURES

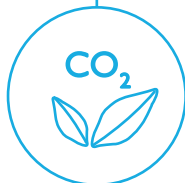

### BATTERY & RANGE STATUS

Know current battery level, real time remaining range on the app

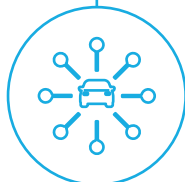

### CHARGING INFORMATION

Know the time remaining to charge, charging current & voltage when the vehicle is on charge on the app

### ECO-FRIENDLY UPDATES

Know contribution made to the environment in terms of CO<sub>2</sub> saved & share it with friends

### 360 SPIDER NAVIGATION

Know the dynamic range in each direction from your current location based on the traffic/road conditions

### RANGE ALERT

Get alerts if the distance is out of the car's remaining range and suggestions for the nearest charging station at the location where the range ends

### CHARGING STATION INFO

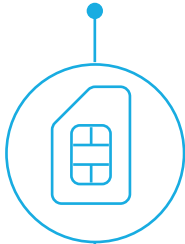

Search the charging stations on the inbuilt maps and get detailed information about them

## VOICE RECOGNITION

Find nearby charging stations, check battery status and remaining range via voice commands. Over 100+ voice commands activated by saying "Hello MG"

## OTHER FEATURES

### M2M EMBEDDED SIM

M2M (Machine to Machine) embedded 5G-ready SIM with Internet protocol version 6 (IPV6).

### OVER THE AIR [OTA] UPDATE

New software, new voice recognition commands and entertainment content and more updated over the air

### REMOTE VEHICLE CONTROL

Controls functions remotely like AC ON/Off, door lock/unlock, light flashing and honking with your mobile app

### E-CALL

Self initiated emergency call sends a message and location to 24/7 pulse hub if airbags are deployed. The pulse hub calls the car and owner for immediate assistance

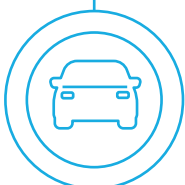

### I-CALL

Get a call from the MG pulse hub for general assistance or road side assistance at the touch of the i-Call button.

### KNOW YOUR VEHICLE STATUS

Scan car for status check before every journey or anytime you want

### GEOFENCING

Set Geo Fence (outwards or inwards) upto 100 Km & receive notification if the car leaves the safe perimeter preset by you

## NAVIGATION

Online navigation with live traffic updates for a faster smoother drive

## PRELOADED ENTERTAINMENT CONTENT

Preloaded entertainment content in head unit

## SMART DRIVE

Driver analytics- harsh braking, running idle, routes taken etc on the app to improve driving skills

## SECURITY ALERT

Get alerts on the app in case of abnormal door open, abnormal ignition on, vehicle overspeed etc

## FIND MY CAR

Find car's location & the shortest route to it on your app

## WI-FI CONNECTIVITY

Connect the car to internet via connecting to an external wi-fi network in addition to the embedded sim

## GAANA PREMIUM ACCOUNT

Download & store upto 100 songs from built-in Gaana Premium account

## WEATHER

Know the weather status & weather forecast upto 5 days for any location

Features

# Exterior

Breathable Glow Logo

R17 Machined Alloy Wheels

LED DRLs

 **1<sup>ST</sup> IN SEGMENT**

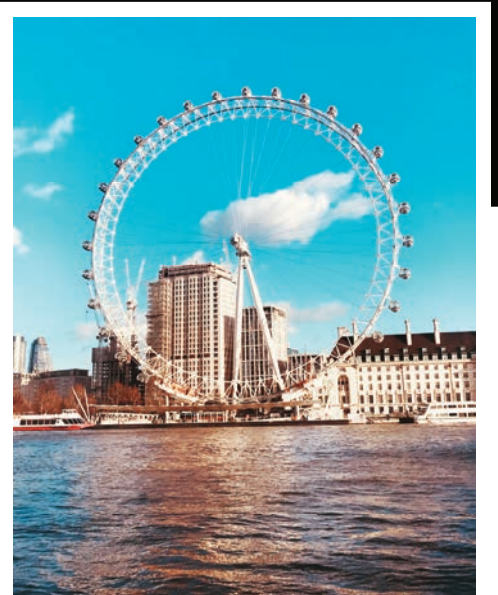

\*Features and specifications may vary model wise.

The London Eye

# Headlamps

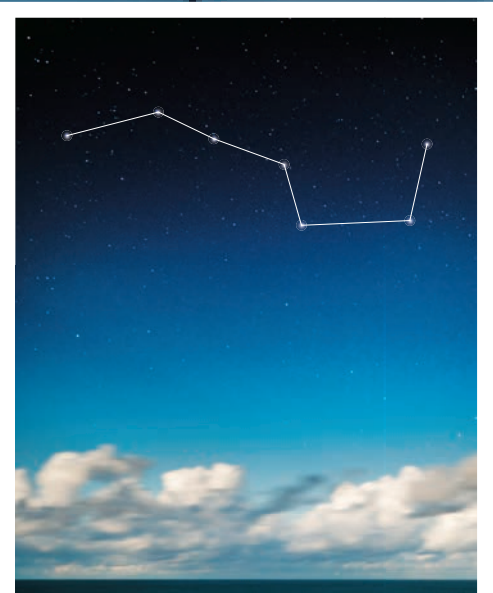

Inspired by the majestic London Eye, true to its British genes, the London eye headlamps gives the MG ZS EV a powerful persona, the kind which makes your MG ZS EV stand out in the crowd. Not only it aesthetically compliments the grille but also brings out the glam quotient.

Racing

# Tail Lights

The taillights depict the plough, also called big dipper. They are inspired by the seven brightest stars of the constellation Ursa Major. The side design depicts the phantom that flies through the corners.

Exclusive

# Front Grille

MG ZS

Inspired by the magnetic field between celestial bodies, the MG ZS EV grille connotes the same complimenting the London eye headlamps & racing tail lights in front and back hence, complimenting the star studded look. The deep conclave grille is complimented with enough chrome to get the bling on

# Windmill Inspired Alloy Wheels

---

Inspired by the iconic Dutch classic windmills.  
Powerful, sturdy and high on design.
