

CITROËN

THE NEW **ë-C3**
ALL ELECTRIC
#EXPRESSYOUR**ë**STYLE

THE BRAND

**FRENCH
AUTOMOTIVE
BRAND**
ESTABLISHED IN 1919

Citroën is a French automotive brand established in 1919. Present in over 101 countries, the brand has sold over 50 million vehicles in its 103 years.

Globally, the brand is known for its bold design and comfort offerings. Today, the brand is one of the most loved and collected automotive brands worldwide.

Citroën has had a racing lineage & has won 3 WTCC and 8 WRC world championship manufacturers' titles.

Citroën always challenges conventions to offer a modern and innovative approach to mobility. There are many firsts in the automotive world brought by Citroën which led to winning numerous national and international awards.

- **1st** mass-market car with front wheel drive - Traction Avant
- **1st** Hydropneumatic self-leveling suspension system in the world
- **1st** car model with modern disc brakes - Citroën DS
- The iconic and popular 2CV transcended eras and completed its journey from 1948 to 1990 with over 5 million units globally

Being an innovative brand, Citroën globally offers a wide range of models, from the AMI, an electric quadricycle designed for the city, to sedans, SUVs, and commercial cars, which are available with multiple powertrains – Conventional fuel, Electric & Plug-in hybrid.

CITROËN IN INDIA

**IN 2021
CITROËN
STARTED ITS
JOURNEY IN
INDIA**

The group has invested upwards of 600 crore in Indian market through 2 factories in Tamil Nadu – Vehicle assembly plant in Thiruvallur, Engine & Transmission plant at Hosur along with R&D centre in Chennai.

In 2021, Citroën started its journey in India with the launch of its international flagship - C5 Aircross SUV.

In 2022, Citroën launched its first vehicle under the C-Cubed Program – Citroën C3, which has won multiple awards for its bold design, customisation and advanced comfort offerings.

In 2023, we are bringing our next all electric mobility offering – New ë-C3 All Electric, making Citroën the 1st automotive brand to launch an Electric on the same platform within 6 months of the launch Internal combustion engine.

Citroën is also revolutionizing the car buying & ownership experience through its La Maison Citroën phygital showrooms – which includes a unique High-Definition 3D configurator along with the ATAWADAC (AnyTime AnyWhere AnyDevice AnyContent) experience.

To further enhance customer experience, Citroën introduced innovative services at your doorstep like – Service on Wheels, 180 minutes-Road Side Assistance Guarantee, Periodic Service & Maintenance with Pickup & Drop and much more.

CITROËN FOR EVERYONE

At Citroën, we've created a legacy of finding harmony between comfort and well-being. Be it on a winding road, shores of a beach, or on the rugged slopes of a hill, we aim to always bring a dynamic design that lets you translate your adventures into any Citroën vehicle - a Premium SUV, a Hatchback or an Electric Vehicle. Because we believe there's a Citroën for everyone.

WARRANTY

At Citroën, comfort and mobility are at the heart of everything we do. The Citroën Warranty Programme has been designed keeping these values in mind.

- High Voltage Battery warranty for 7 years or 1,40,000 km (whichever is earlier)
- Electric motor warranty for 5 years or 1,00,000 km (whichever is earlier)
- Standard vehicle warranty for 3 years or 1,25,000 km (whichever is earlier)

We promise to make your Citroën experience truly comfortable with **24/7 Roadside Assistance (Toll-free number - 1800 419 2000)**. Extended warranty and maintenance packages are also available through your dealer.

Additionally, you can access a network of dealerships equipped with state-of-the-art service facilities, tools, and equipment. Service appointments may be booked in advance on www.citroen.in or call the Citroën Customer Experience Centre at **1800 267 1000**.
