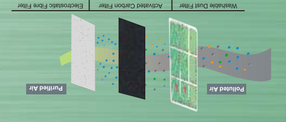
Robust tropical rotary compressor

Robust tropical rotary compressor is designed to perform even under extreme climatic conditions. This state-of-the-art compressor promises to cool your room even at 50°c ambient temperature*.

Advanced Filter

Washable dust filter traps bigger dust particles in the air. Active carbon filter eliminates odours such as ammonia and harmful chemical gases. Electrostatic fibre filter traps dust particles, smoke and fur.



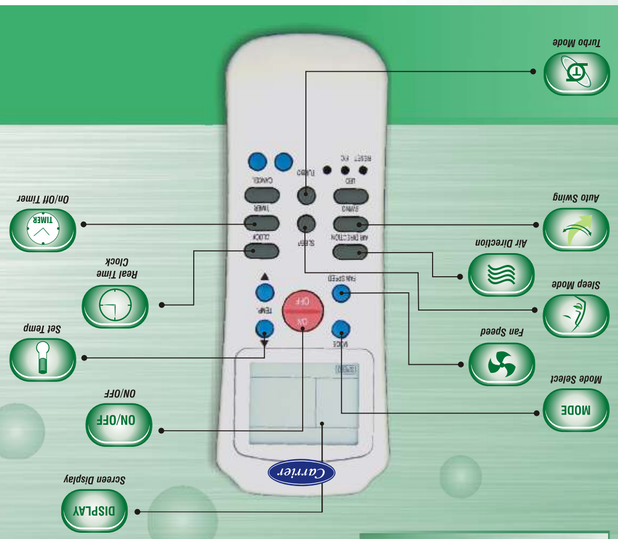
Advance Dry Mode

Advance dry mode eliminates air moisture from the room by keeping the fan's speed low and is appropriate for humid season. At a touch of a button, it makes the room dry and fresh.

DURAKOOL Plus

Available in 1, 1.5 and 2 Ton

Remote Control Features



Other Features

Economic Running Mode

This mode adjusts the temperature gradually depending on the body temperature and provides comfortable environment.
