

MODERN STYLING FOR AN ACTIVE LIFESTYLE >>>>

Presenting the new Nissan Micra Active, designed not just for practicality but also for style and performance. A different look that integrates smart technology to make your trips easier and comfortable. Whether you are commuting to work or cruising on the weekend, the new Micra Active is ready to complement your active lifestyle.

ACTIVE SAFETY PACK: Micra Active is equipped with a driver and passenger side SRS (Supplemental Restraint System) airbag that deploys automatically in the event of a severe frontal impact to minimise injury risk.

SAFETY SHIELD: Nissan's concept of "the vehicle that helps protect people."

COMFORT SEATING: Everyone and everything can come along in the new Micra Active. It is generously spacious that comfortably seats 5 with plenty of individual headroom and knee-room. And with ample boot space for their entire luggage.

ENJOY THE WIDE VIEW: A wide front windshield and an excellent rear visibility make driving the new Micra Active not only easier but safer too. Take all the shortcuts through narrow streets and alleys, Micra Active will be there for you.

NEW SPORTY BUMPER: The perfect balance of aerodynamics and style is reflected in its new sporty bumper.

2-DIN AUDIO SYSTEM WITH AUX & USB: Listen to your favourite songs in high quality with an Aux & USB input to connect any music player.
