ALL NEW
FORTUNER
MUD SUX. MADE STRONG.

**MAKE A STATEMENT.
DON'T SAY A WORD.**

A glance in the direction of the Fortuner is a tough ask. That's why you will often spot onlookers what can only be described as 'ogling' at the car. It is a stunning vehicle, it delivers performance and looks good from every angle. Moreover, the surrounding chrome beltline on the sides adds a sense of luxury and style. No wonder it turns heads wherever it treads.

Tough and Urban Coat Alloys

YOUR VANTAGE POINT, YOUR CAVE OF COMFORT.

When you get behind the wheel of a Fortuner, you anticipate the thrill that awaits you. Be it the futuristic Instrument Cluster, the Odometers that spring to life at the slightest touch, or the Centre Console flanked by Soft Leather® & Metal Accents, it all just falls into place. The Intelligent Sat Nav ensures you never lose your way. The MID synced to the map helps you keep track of all the info you need and keeps your eyes focussed on the road instead of bogging screens. The Tilt & Telescopic Steering optimises driving position and the Reverse Camera with Rear Parking Sensors makes parking easy.

One Touch for Easy Ingress

EMBARK ON AN ADVENTURE WRAPPED IN CONVENIENCE.

The spirit of adventure means different things for different people. What we can't deny is the love of comfortable drive when in pursuit of the same. Comfort is something you'll find in plenty in the **Spacious Interiors** or the smooth drive experience with reduced **Vehicle Pitch Behaviour** making every terrain feel like a flat, smooth ride. The **Auto Power Windows** are equipped with jam protection for extra safety and the **Auto Rear Cooler** keeps the car temperature cosy for all three rows.

All this in place, the All New Fortuner offers a drive experience so comfortable it will make you want to make every drive, a long one.

TAKE A STAND. A POWERFUL ONE.

The All New Fortuner runs on a **Powerful Engine** that packs a potent punch, yet is surprisingly quiet complemented by the smooth feel of the **6-Speed Automatic Transmission**. Add to that, the effortless switching between the **Eco Mode** for everyday driving to the **Power Mode** for when you need the extra torque.

What's more the **Cruise Control** feature allows you to enjoy your drive at your chosen pace. When you drive the All New Fortuner, you and your car are taking a stand. A powerful one.

Max. Output: 130 kW (177 PS)
Max. Torque: 450 Nm (AT) / 420 Nm (MT)

2745 cm³ (cc) Diesel Engine

Max. Output: 122 kW (166 PS)
Max. Torque: 245 Nm

2694 cm³ (cc) Gasoline Engine

Eco & Power Drive Modes

6-Speed Sequential Automatic Transmission (AT)

Paddle Shift

6-Speed Intelligent Manual Transmission (MT)

Indestructible Tough New Frame

THE BACKBONE OF PERFORMANCE. THE SPINE OF CONFIDENCE.

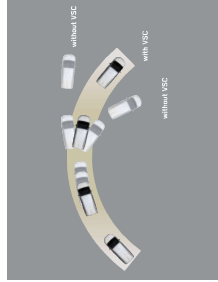

Built from the ground up, the All New Fortuner rests on the solid foundation of tough new **chassis**, which has undergone fundamental re-assessment.

The increased overall strength of the crossmembers, side sills and suspension enhance the torsional and bending rigidity of the frame. The **Vehicle Stability Control** keeps possibility of skidding on tricky terrains in check. The **4 Wheel Disc Brakes** with **ABS**, **EBD** and **BA** give you optimal control even in difficult driving circumstances. The **Isorix Child Seat Mount** and **Tether Anchor** ensure your child is not just safe but also enjoys the drive as much as you. To top it, the car comes with an **Impact Sensing Door Unlock System** during an accident. Fortuner's **Impact Absorbing Body & Pedestrian Protection System** not only give you safety and ride comfort, they make the car an unrelenting performance juggernaut.

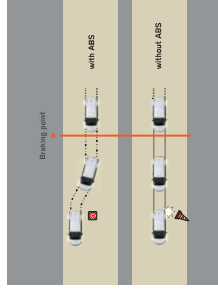

7 SRS Airbags*

*For more details on the factoring of Airbags please refer to the owner's manual

IF ADVENTURE IS YOUR LIFEblood, HERE'S A WORTHY PARTNER.

The All New Fortuner is equipped with Sigma-4, the assurance of being a true SUV. It has been designed to dominate any terrain and take on any road with efficiency and ease.

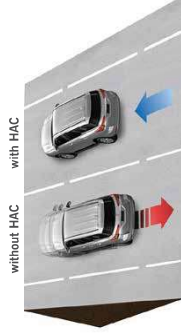

The Active Traction Control (A-TRC) offers superior Limited Slip Differential (LSD) performance. What you get is acceleration and performance on slippery surfaces and escape capability when driving through terrains with low traction. The world is your playground and it's waiting.
