A New Shining Dawn. Here Comes the Sun Again.

Presenting the Next Generation Santro. All new Santro Xing. A stunning example of modern automobile design and continuous customer feedback driven advancement.

Tall, wide and uniquely different, the new Santro Xing has a distinctly European styling. While its sleek lines and pleasing curves and contours will capture your heart. The compact outer dimensions, combined with its sporty stance, will ignite passion of driving into the sun and makes it stand out in a crowd of old hatchbacks & jelly bean shapes. So step into the Santro. Add sunshine to your life.

The new Santro Xing comes with all new looking feel exterior and interior styling. That, coupled with new advanced features, offers the best comfort & luxury in your favourite compact car. New bigger & brighter clear headlamps, smiling radiator grille, power operated rear windows with child lock and lots of other smart features like the seat under tray are the hallmarks of your Sunshine Car.

SANTRO

Engineering Excellence. Emotional Ecstasy.
The Sun Shines Across the Globe.

COMFORT

• Rear Power Window with Child Lock

• 4-Speed Automatic Transmission

With electronically controlled 'intelligent' power train system, Santro Automatic offers the most relaxed way to busy city motoring. The 4-speed transmission features a compact ultra-light weight gear train, high performance torque converter and hydraulic-electronic control, offering four forward gear ratios to deliver a wide array of speed and power to surge ahead or retard as per your need.

• Maneuverability with Power Steering

With Power Steering lock to lock turn of the steering wheel is substantially lesser; the effort required to turn the wheel is minimal. Squeezing into difficult parking lots, negotiating the rush-hour traffic, is not just effortless but fun, as well. Ability to absorb jerks of pot-holed roads and much greater control of the steering wheel, not only help you to glide over the roads but also provide enhanced safety in case of accidents like bursting tyres.

MULTI FUNCTIONAL

You can create your own space in the Santro. With adjustable front seats and dual folding rear seats, the Santro can be converted from a highway cruiser to a shopping car in seconds.

The hi-lift hydraulically damped rear tailgate makes loading and unloading easy. New innovative features like Seat Under-Tray coupled with Rear Parcel Tray, numerous cubbyholes in the dashboard and the cup holders make the Santro Xing most versatile car in its class.

ENGINEERING

Distributorless Ignition System (DLI)

Multi-point Fuel Injection System with Multi Valves

The Hyundai Santro is powered by the advanced Hyundai Epsilon engine. Employing advanced cylinder head design with dual inlet valves, tumble ports and pentroof combustion chamber, this engine produces incredible power at a much lower rpm compared to any other car in its category. With its unique engine management computer continuously sensing what's happening inside the engine, to constantly monitoring the engine performance, makes it amazingly responsive to your touch and feel.

E-Epsilon
Superior Engine

12V SOHC | 63ps@5500rpm
9.1kgm of torque@3000rpm

SAFETY

Safety is not just a feature of the Hyundai Santro.

It is an integral part of the total car design engineering.

So every single system in the car contributes to making the Hyundai Santro, one of the safest and strongest vehicle in India, is now further reinforced meeting strictest of world safety norms.

Occupants are protected by safety cell
Tested for safety on one of the most gruelling test tracks in the world.

• Antilock Braking System (ABS)

While Panic braking with normal brakes might lock the wheels and send the car into skid, the ABS (Anti-Lock Braking System) pumps the brakes, eliminates wheel lock-up while retaining full steering control.

Forest Dew (VD)

Bright Silver (QO)

Noble White (NW)

Ebony Black (EB)

Mystic Lavender (UM)

Passion Red (OR)
(Only in Automatic)

Satin Grey (LK)

Husky Blue (UZ)

Fairy Leaf (UO)

Key Technical Specifications		SANTRO XING
Dimension & Weight	Overall Length (mm)	3565
	Overall Width (mm)	1525
	Overall Height (mm)	1590
	Wheelbase (mm)	2380
	Front Track (mm)	1315
	Rear Track (mm)	1300
	Fuel Tank Capacity (L)	35
	Min. Turning Radius (m)	4.4
	Seating Capacity	5
	Kerb Weight (kg)	854 (MT), 868 (AT)
	Engine	Hyundai Epsilon Engine
Engine	Configuration	In-line 4-cylinder 12-Valve SOHC
	Fuel System	Multi-point fuel injection
	Displacement	1086 cc
	Ignition System	Distributorless
	Cylinder Head	Aluminium
	Emission Control System	3-way Catalytic Converter with Evaporative Gas Control
		Meeting Bharat Stage II Norms
Performance	Max. Horsepower	63/5500 ps/rpm
	Max. Torque	9.1/3000 kgm/rpm
Transmission	Manual	5 Speed Forward with Overdrive in 4th & 5th
	Automatic	Electronically Controlled 4 Speed Forward with Overdrive in 4th
Suspensions	Front Suspension	Mc Pherson Strut with Stabilizer Bar
	Rear Suspension	Torsion Beam Axle, 3-Link Offset Coil Springs & Hydraulic Dampers
Brakes	Front Brakes	Ventilated Discs
	Rear Brakes	Self-Adjusting Drums
	Pad Wear Warning Clip	Standard
	Booster(capacity)	Vacuum Assisted (8 inches)
Tyres	Size	155/70 R 13 Radial

Key Features

Dual-Member Side Impact Protection	All Around Tinted Glass
Engine Sub-Frame	Central Door Locking (XG/AT/XS)
Energy-Absorbing Collapsible Steering Column	Rear Wiper/Washer (XG/AT/XS)
Cross Bar Under Dash Panel	Rear Defogger (XS)
Child-Safety Rear Door Locks	Front & Rear Mud Guards (XS)
Day & Night Mirror	Remote Fuel Lid & Trunk Opener
Front & Rear Seat Belts	Front Fog Lamps (XS)
High Mounted Stop Lamp (HMSL)	Chrome Radiator Grille (XG/AT/XS)
Rear Spoiler with HMSL (XS)	Body Coloured Bumpers (XG/AT/XS)
Standard /Deluxe Console	ABS Optional
Seat Under Tray (XG/AT/XS)	Seat Belt Warning (XS)
Rear Parcel Tray with Speaker Grilles	Door & Tailgate Ajar Warning (XS)
Power Steering (XP/XG/AT/XS)	
Front Power Windows (XG/AT/XS)	
Rear Power Windows with Child Lock (XS)
