added convenience

ADVANCED ENTERTAINMENT

Keeping you entertained comes naturally to us. So among other incredible reasons that keep the new Škoda Fabia on the road are also features that go beyond just driving.

CD / MP3 player with large graphic display and 4 powerful speakers

Auxiliary audio input gives you the freedom to use your Walkman, CD/MP3 player or iPod via a 3.5mm adapter

ADVANCED COMFORT

Loaded with so many fabulous features, the word comfort stands redefined. With numerous first-in-its-class features, the new Škoda Fabia sets a new benchmark for others to follow.

Electric sunroof featuring one touch opening, with both slide and tilt functions

Climatic Air-Conditioning (Semi-Automatic) means you always drive comfortably and Rear Air-Conditioning vents ensure 360 degree cooling

Rear Parktronic with graphic display

SPECIAL INTELLIGENT STORAGE SPACES

Every minute detail in the new Škoda Fabia has its unique reason to exist. Discover how every little space inside is intelligence personified. Whether it's storage under armrests or on the dash board, you'll find clever little utility spaces all around. Not being in the driver's seat will also make you feel special.

Amazing 300 litre boot space to carry just about anything

Illuminated and climate-controlled glove box with dual compartments

The door-mounted pockets are useful to store maps, diaries, water bottle, etc.

A sunglasses holder is incorporated ergonomically into the roof of the car

Intelligent bottle holder in the front console

The rear bottle holder-another first in the segment

Strategically created storage space in the dashboard for small knick-knacks

Intelligent adjustable front armrest with storage space. First in its segment

SPECIAL EXTRAS

The new Škoda Fabia comes with never-seen-before extras designed to pamper you completely.

Inner anti-glare rear view mirror that diffuses harsh beams

Driver and co-passenger height adjustable seats

The tilt and reach steering allows drivers of all statures to adjust the steering according to his or her convenience

Adjustable front armrest with storage space

Height adjustable rear head rest

SPECIAL SAFETY AND SECURITY

SAFETY FOR YOU

There are few places where one feels safer. The robust chassis, double door reinforcements and various active & passive safety elements make the new Škoda Fabia absolutely safe. It's time to discover safe is very special.

ROUGH ROAD PACKAGE

The new Škoda Fabia is re-engineered to suit the demanding Indian conditions.

Anti-lock braking system (ABS) prevents wheel lock-up during sudden braking, thus preventing skidding while retaining car stability and maneuverability

Dual Air Bags provide cushioning in case of automobile collisions, while the flexible membrane envelopes the passengers

Other features like MSR (Motor Speed Regulator) and Dual Rate brake assist system ensure your safety while driving is never compromised.

SPECIAL VISIBILITY

Bad weather, pollution, dust etc. won't hamper your visibility while driving. All thanks to features that make the new Škoda Fabia extremely driver-friendly.

The multi-reflector clear glass fog lamp ensures maximum visibility in adverse weather conditions while adding to the sporty image of the car

A wide sweep angle maximizes vision on rainy days while the washer keeps the rear view clean & clear. Rear windscreen defogger ensures improved visibility

SAFETY FOR YOUR CAR

Safety for your car holds utmost importance to us. And the security features ensure your peace of mind at all times.

VIN Code

A unique vehicle identification bar code that allows a reading device to automatically identify the vehicle

SPECIAL PERFORMANCE

Perform and cherish- the philosophy that drives the new Škoda Fabia. Built to perform with gusto, it makes driving short or long distances a cherished experience. So get ready to create new, wonderful memories everyday.

Handling

With power in your hands and grip on the road, car handling will surely be sharp, precise and easy.

Electro-hydraulic power steering for easy maneuverability

Wide 185/60 R 14 tubeless tyres for better road grip and control

Ride

While every ride is smooth thanks to better technology, the new Škoda Fabia's sporty looks are an added bonus.

Proven chassis unit with a front axle with McPherson struts and a rear axle with a torsion link

Engine & Transmission

World-class, reliable and proven. Every drive will be an occasion you look forward to.

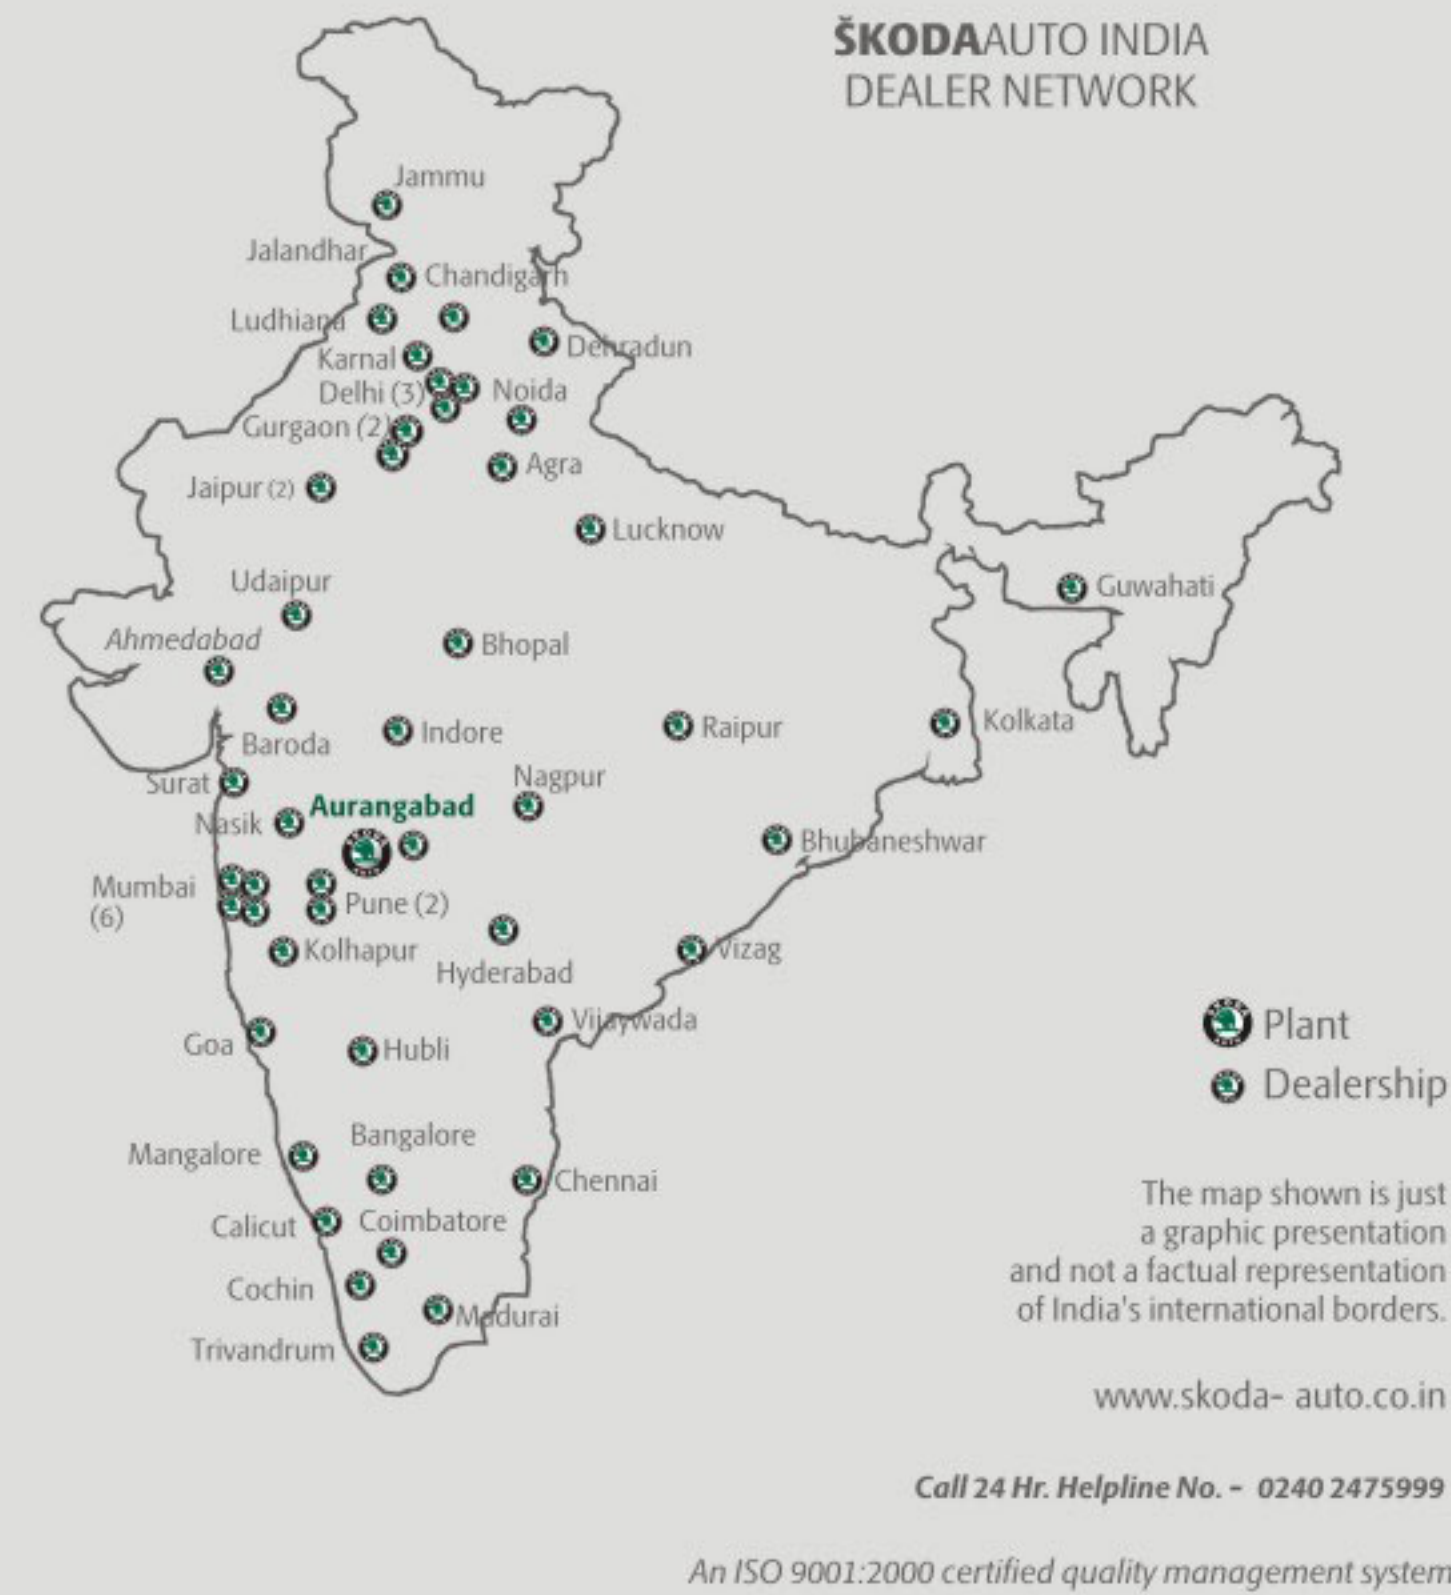

World-class 1.4 litre TDI PD diesel engine (69 bhp, 155 Nm) and 1.4 litre MPI petrol engine (85 bhp, 132 Nm) for a sporty ride

The manual five-speed gearbox is characteristically precise and easy to use. There is minimum transfer of vibration and noise from the engine to the inside of the car. The spacing between the gears is suitably harmonized with the engine's characteristics
