Aapka Sachcha Humsafar

India's largest selling car.

Let's Go for Trust and Reliability with the Sachcha Humsafar.

With 17.6 KMPL*, the Alto gives you the best mileage. With its extremely low cost of maintenance and spares, it is the most economical car to run. The Alto is India's largest selling car and has been so for three years in a row. It is the first car brand to cross the 2 lakh sale figure in a single year and has crossed the 1 million production mark. Further, Alto is backed by India's widest service network (2624 authorised service centres across 1245 cities and towns). With Alto, you get the best value for your used car, backed by 300 True Value outlets across the country. So next time, you get the urge to go the extra mile, just say 'Let's Go'.

Here's what makes the Alto your Sachcha Humsafar:

• Best in class fuel efficiency • Optimum performance • Ease of driving and handling • Comfort • Style • Safety • The Reliability and Trust of India's largest selling car
