Body Graphics

Product designed to enhance the attitude of your car while adding that "style" statement. Built to strict Maruti specifications with almost 50 micron thin film base - these graphics have a life of 5 years and beyond with no absolute colour fading . Once properly applied - these would not fall off easily and hence would not leave an adhesive layer on car body that leads to excessive dust accumulations.

Body Side Moulding
99000M99666
 Enhances the look of vehicle besides offering protection from minor scratches
