NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together, the journey is more confident, connected and exciting. Whether it's cars that assist the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

NissanConnect

(Available across variants)

Innovation that excites. That's the core of Nissan's philosophy. A belief that gets you its latest - NissanConnect - India's best connected car technology with 50+ features and smartwatch connectivity.

As a part of Nissan Intelligent Mobility, it runs round-the-clock to provide you the best in safety, security and convenience by keeping you connected to us, your car and your loved ones. It's time to get driven by innovation.

SAFETY & SECURITY

- Speed Alert
- Geofencing
- Tow Away Alert

CONVENIENCE

- Vehicle Health Status
- Location Services
- Service Booking

CONTROL

- Drive Analysis
- Idle Engine Runtime
- Smart Drive Score

SEE MORE. DO MORE. FIRST-IN-CLASS AROUND VIEW MONITOR.

We understand that technology excites you. That's why, the Nissan KICKS is made with tech that's at par. Now, consider that you have eyes on all sides - The KICKS offers the first-in-class Around View Monitor. With four cameras around this SUV giving you a bird's eye view, front view, side view and rear view, you can now get a 360° understanding of your surroundings.

FIRST-IN-CLASS
AROUND VIEW MONITOR

The new **Nissan KICKS** is inspired by futuristic technology and that's why, all its variants come loaded with leading, intelligent features, for a more enriched driving experience. So now, take on any road in the KICKS for unique experiences, superior to any other.
