

ALTO 800

India's new favourite.

Introducing Alto 800 VXi loaded with new features.

MARUTI  SUZUKI

Way of Life!

Presenting the all new Alto 800 VXi.

Let's get rid of the same old mundane and monotonous everyday. Let's leave boredom behind with the new Alto 800 VXi which comes loaded with new features like audio system with speakers, rear spoiler, central locking, rear parcel tray, body side moulding and many more.

The extraordinary things to look forward to in the Alto 800 are:

- Wavefront Design • Fresh & Spacious Interiors
- Best-in-class Mileage • Easy Drive & Handling
- Safer Drive

**Fastest to reach
one lakh sales**

Best-in-Class Mileage

Multiple methodologies focused on fuel-efficiency have resulted in the enhancement of the overall performance in the new Alto 800.

*As certified by test agency under rule 115 of CMVR.
†For Alto 800 S13 Variant. * Available in S13, LX and LXI.

"Best hatchback of the year 2013"

'Wavefront' Design

The new Alto 800's harmonious yet slick design packs quite a punch with the unique 'Wavefront' design. The smooth long curves, the prominent wheel arch and wider lip adds to the side stance. All this makes the Alto 800 a design wonder.

Unique 'Wavefront' design and sloping window lines with a swaying roof.

Fresh & Spacious Interiors

The cabin in the new Alto 800 has a refined look and feel. The overall result is superior interior quality with more space and a comfortable environment. Also you get to choose from an option of brown and grey interiors.

• More comfort with extra head and shoulder room in front along with extra leg room at the back.

• 3-spoke steering wheel with silver accents. • Utility spaces on the dashboard.

Utility space in the centre console

The centre console has space for a can, coins and a 1-litre bottle. The power window has been relocated on the floor console for easy accessibility.

Easy Drive and Handling

- Cable Type Gear Shift Mechanism for smooth gear shifting.
- Detent Pin Technology (DPT) for precise shifting.
- Diagonal Shift Assist (DSA) adds to the comfort by assisting in effortless shifting from 5th to 4th gear.
- Flat torque curve prevents frequent gear shifts.

Safer Drive

The Alto 800 comes with optional driver-side air-bag. Alto 800 uses high strength steel that provides for better occupant protection.

Technical Specifications

Features List
