

The Volkswagen Vento

Volkswagen

POWER TO GO FURTHER

At the centre of the machine lies the revolutionary 1.2L TSI engine. Giving you 105 PS of raw power and 175 Nm of torque. But, what really outclasses the masses is the first-in-class 7-speed automatic dual-shift gearbox, which ensures a smoother drive as the engine effortlessly switches gears.

And if diesel is your preferred choice of power, we also have the mighty 1.5L TDI engine with the same 7-speed automatic DSG transmission. More importantly, with a fuel consumption of 18.19 kilometres/litre (TSI) and 22.15 kilometres/litre (TDI), it gives you maximum power with minimum consumption.

Also available in a 1.6L petrol MPI engine.
