

# SANTRO

The complete family car

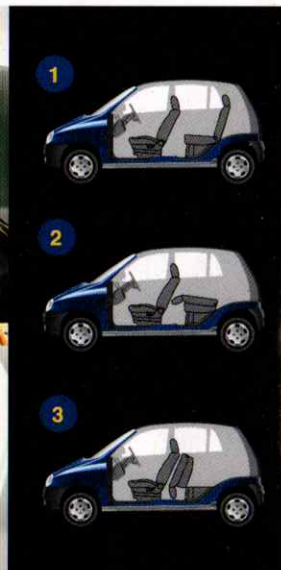

# Designed for Space and Versatility

Ergonomic interiors, Superb driving position, Great all round visibility

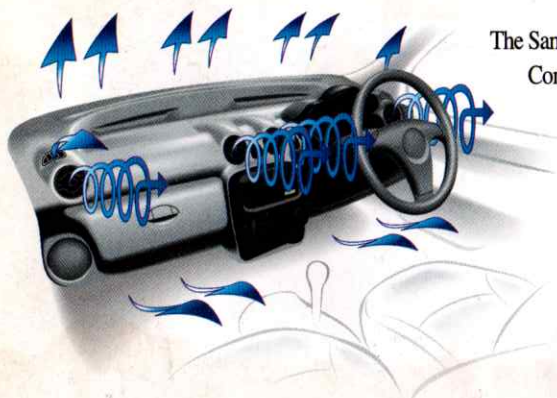

Extra large boot for extra luggage. You'll need this on days when you go on a shopping spree. Or pack for your holiday.

**Santro seat variations**  
You can fold the seats in the Santro in more ways than one to create extra space.

Now you can stretch comfortably in your car. To add to your comfort, there are front bucket seats, rear moulded seats, adjustable front and rear seat headrests.

## Air-Ventilation System

The Santro is truly a small car packed with a lot of smart ideas. Comfort as a detail is to its depth when it comes to driving the Santro. Same is the reason why the ventilation system inside the car is so designed to give all round comfort to the driver and passengers. The ventilation ducts inside the car produces a circulatory effect providing total body comfort and absolute relaxed driving feeling, keeping you shielded from dust and uncomfortable weather conditions, especially in India.

### An easy step into comfort

Santro's unique tall boy design allows easy entry and easy exit without crouching. The sitting posture both in front & rear is comfortable, upright and physiologically correct with perfectly positioned headrest. No more pain in the neck or the back from low slouching postures.

### The Santro Amenities

Rear wiper and washer

Remote fuel filler door

Seatback pockets

Front door map pocket

# The Best of Human Factors Engineering

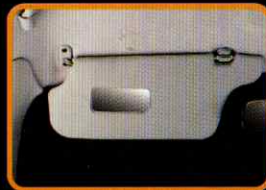

Thanks to its tall boy design, the Santro has a delightfully high driving position. The large windshield and slope of the A-pillar allows great all-round visibility. The glare-free comprehensive instrument panel, 3-spoke steering, location of the shift stick and the column mounted controls make driving The Santro completely fatigue-free.

Power steering wheel

Air-ventilation switches

Sunvisor includes a vanity mirror

Glove box

Power window

Central door locking system

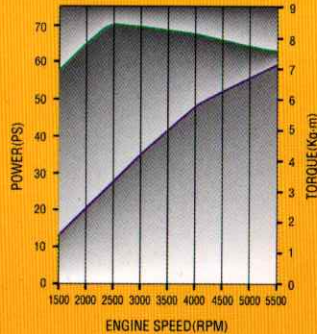

Dual front and single rear cup holder

# Epsilon

## Superior Engine

### 12V SOHC

55ps @ 5500rpm  
8.4kgm of torque @ 2500rpm

### Multi-point Fuel Injection System with Multi Valves.

Indian road conditions are about as tough as you can get. But once you're behind the Santro's wheel, the only road you are aware of is the one to ecstasy. The amazingly high powered sports car performance of the Hyundai Santro comes from its 12V SOHC Epsilon engine and its impressive power-to-weight ratio. Its in-line 4 cylinder, 999cc engine is fired by an electronic ignition system with anti-knock control, developing 55ps @ 5500rpm and 8.4kgm of torque @ 2500rpm. The multi-point fuel injection system along with dual-intake valves meters the exact amount of fuel that your engine needs. With no wastage or excess fuel usage at any point. Giving you the level of fuel economy you could never imagine before.

# The Hyundai Santro. Made for India.

### World class McPherson Strut Suspension.

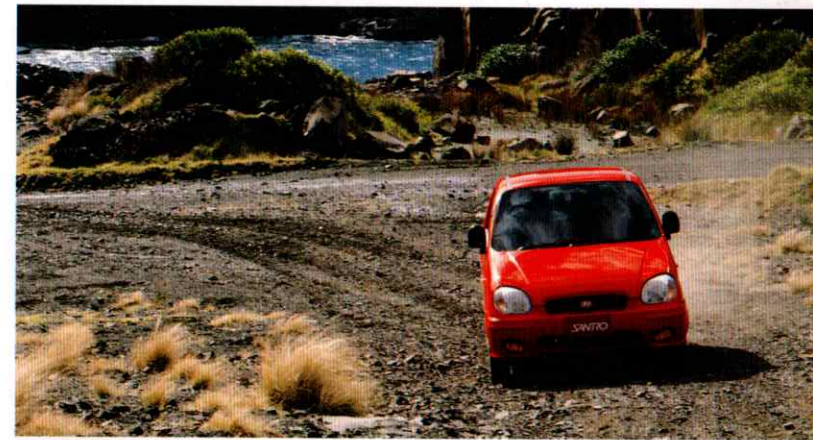

The Santro offers McPherson Strut Suspension in the front with stabilizer bar. In the rear, you have the torsion beam axle, 3-link offset coil springs and hydraulic dampers. This helps to iron out the potholed Indian roads with a smile. Not only that, the wider tyres give you sure footedness even on slippery surfaces.

World class suspension for extra comfort in Indian driving conditions

### Powerful brakes.

The Santro comes with discs in the front, and self-adjusting drums in the rear with vacuum assisted booster.

### Shift to top gear.

Choose a 5-speed manual or a 5-speed semi-automatic gear box. And turn the gear lever into a joystick.

A pair of ultra-high strength steel members are built into the doors for additional protection against side impact.

The front sub-frame is designed to absorb the force of a frontal collision.

Crumple zone safely absorbs impact force

### Occupants are protected by safety cell

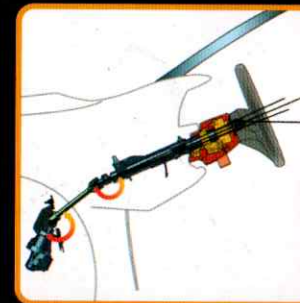

Tested for safety on one of the most gruelling test tracks in the world.

## Advanced safety engineering for your protection and peace of mind.

Frontal impact test at 60km/h.

The Santro comes with a dual-member side impact protection, 3-point safety belts, child safety rear door locks and energy absorbing steering column. Just the thought of all this makes you feel safer, doesn't it?

Front safety belt

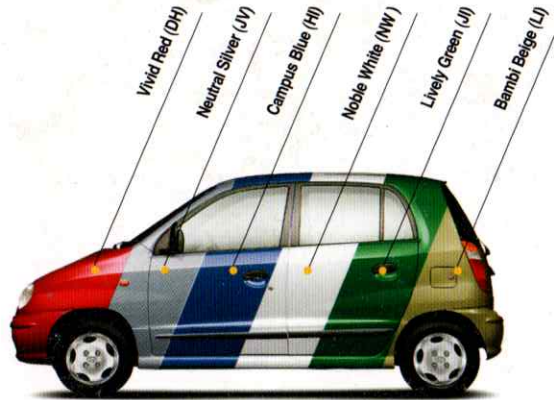

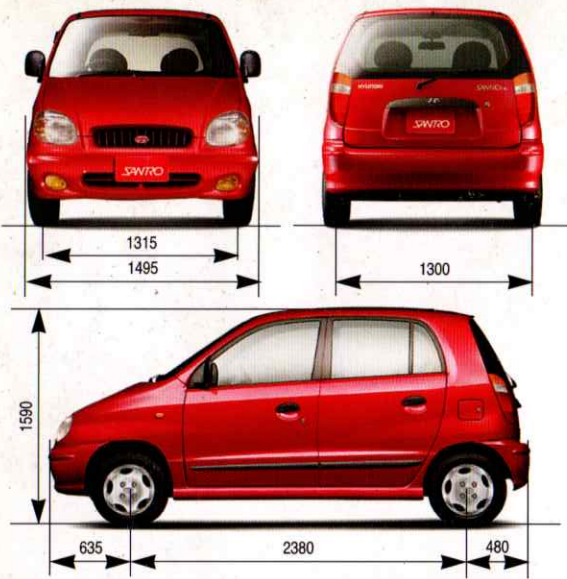

Rear safety belt

### Collapsible steering column

reduces the risk of chest injuries.

*Hyundai Santro. For that top of the world feeling*

### Key Technical Specifications and Features

Dimension & Weight	Overall Length	3495 mm
	Overall Width	1495 mm
	Overall Height	1590 mm
	Wheelbase	2380 mm
	Front Overhang	635 mm
	Rear Overhang	480 mm
	Front Track	1315 mm
	Rear Track	1300 mm
	Fuel Tank Capacity	35 L
	Seating Capacity	5
	Unladen weight	776 kg
	Ground Clearance	172 mm
Engine	Model Designation	Hyundai Epsilon Engine
	Configuration and No. of Cylinders	In-line 4-cylinder 12-Valve SOHC
	Fuel System	Multipoint fuel injection
	Displacement	999 cc
	Ignition System	Electronic Ignition System
	Emission Control System	3-way Catalytic Converter with Evaporative Gas Control
	Cylinder Block	Iron
	Cylinder Head	Aluminum
	Combustion Principle	4-Stroke
Performance	Max. Horsepower	55.0/5500 ps/rpm
	Max. Torque	8.4/2500 kgm/rpm
Suspensions	Front Suspension	MacPherson Strut with Stabilizer Bar Hydraulic Dampers
	Rear Suspension	Torsion Beam Axle, 3-Link Offset Coil Springs, Hydraulic Dampers
Steering	Steering System	Rack and Pinion
	Power Assisted	Option with DX
	Min. Turning Radius	4.4 m
Brakes	Front Brakes	Discs
	Rear Brakes	Self-Adjusting Drums
	Pad Wear Warning Clip	Standard
	Booster(capacity)	Vacuum Assisted (7 inches)
Tyres & Wheels	Rims	4.0J X 13
	Tyres	155/70 R 13 Radial
	Spare	Full Size

Feature	Items
Safety Features	Dual-Member Side Impact Protection Child-Safety Rear Door Locks Energy-Absorbing Collapsible Steering Column Central Door Locking (DX) Day & Night Mirror (DX) Rear Seat Belts (DX)
