

The TSI Turbo edition Polo and Vento

Drive nothing less

#AskForTSI

Presenting a marvel of cutting-edge engine technology. Now in the palm of your hands. With the Turbo edition, the award-winning TSI technology is now even more accessible. 110 PS power coupled with 18.2 kilometres per litre* and 17.69 kilometres per litre* on the Polo and Vento respectively, make this revolutionary technology a unique combination of performance and fuel efficiency.

And with a 6-speed manual transmission pumping out 175Nm torque, you're offered nothing short of the perfect driving experience. Because with TSI, only the best will do. So why settle for anything less?
