My Volkswagen  
Connect

Get the best of safety, convenience and performance to make your time with Volkswagen that much more enjoyable.

#### Never get lost with it:

Get real time location of your car from wherever you are. Find out where to park it. Then find out where you parked it. And then find a way to walk to it.

#### Be possessive:

Get notified every time your car goes out of an area or at time that you haven't permitted it to. In fact, get notified even when it stays idle for longer than you want it to.

#### Never leave your car:

Get a detailed report of how efficiently your car was driven, kilometres travelled, halt locations and average travel speed, and get notified if someone goes over the speed limit. Then get it all logged in. From wherever you are.

#### Never be alarmed:

The anti-theft alarm system sends notification straight to your phone anytime someone tows it away.

#### Check up on your car:

Record Service history of your car, generate real-time analysis of its health, and get easy access to Volkswagen Roadside Assistance services in case of an emergency.

#### Fuel the journey:

Find out where the closest fuel stations are on your way. Then keep a log of where it was filled, how many times, and at what cost.

#### Know your car:

Get all your vehicle's real-time information, including the battery level, coolant temperature, engine RPM, ignition status, vehicle speed.
