NEW
CITY

Introducing the new City
Exceptional like you.

Exceptional

ex·cep·tion·al / [ik-sep-shuh-nl]

adjective

forming an exception or rare instance; unusual;
extraordinary: unusually excellent; superior:
an exceptional violinist.

What makes you exceptional?

Is it your success? Or is it the way you handle it? It's not something that you have acquired recently. It's been there. All along.

Presenting the new City, with its legendary style and understated elegance. A manifestation of your exceptionalness.

New features that make the City exceptional

First-in-Class Electric Sunroof brings in the sunshine

ORVM with Turn Indicators that combine safety with looks

10 Spoke Alloy Wheels

Premium Chrome Front Grille

Rear Bumper with Reflectors

Sporty Front Bumper

Rear Combination Lamp for enhanced style

Improved Ground Clearance

If you are exceptional, it shows.

The new City is a mirror image of you. And like you its brilliance cannot be hidden. It glows with a sparkling demeanor. The new glossy chrome finish on the front and rear, the new alloy wheels and ORVM with turn indicators, all rolled up in the arrow shot form design. That's as classy as it gets.

*For exceptional, efficiency
and performance go hand in hand.*

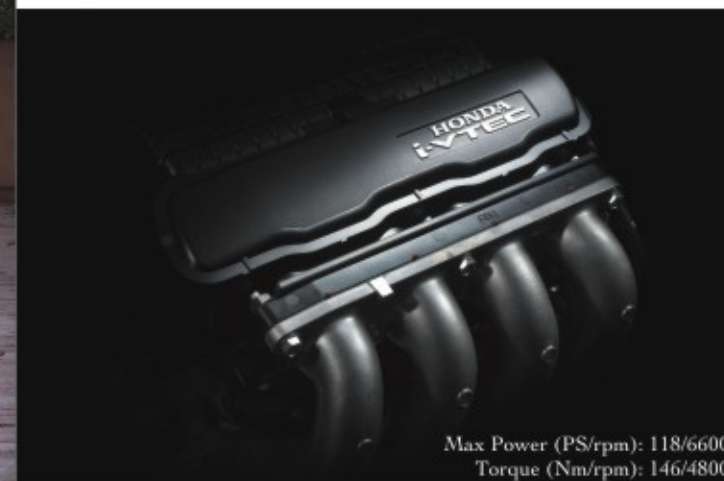

Average goes by the average. Exceptional sets the benchmark.
Average says yes more than no. Exceptional is harder to please.
Average is about quantity. Exceptional looks at quality.

We know exceptional people are hard to please. We kept that in mind while creating the new City for the discerning you. At the heart of the new City is the 1.5L i-VTEC engine. Accompanying it is Paddle Shift for smooth sailing and higher ground clearance so that your driving stays effortless, just like your charm.

i-VTEC

1.5L versatile engine delivers power as well as high fuel efficiency, performing to the best while keeping a fine balance. It is something that comes naturally to exceptional people like you.

Max Power (PS/rpm): 118/6600
Torque (Nm/rpm): 146/4800

Paddle Shift

The finger controlled 5-speed transmission makes driving effortless. For those who don't try too hard to prove themselves, it is most appropriate.

Cruise Control

The conveniently placed Cruise Control buttons on the steering wheel allow you to relax on those long drives, taking along your loved ones, with you.

Where does exceptional begin?

Step inside the new City to see some of the finest things. The soft-lit blue meter graphics, the understated polish of chrome fittings, the effortless driver seat height adjustment and an integrated audio console, all render a few eulogies about your taste.

New Blue Combination Meter Graphic

Chrome Garnished Central Console

Chrome Door Handle and Silver Lining

Advanced Integrated Audio Panel

Within.

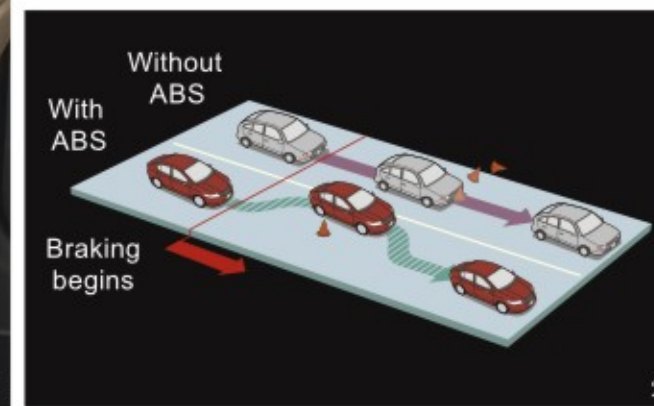

Exceptional is always genuine.

The new City is loaded with a fleet of advanced safety features. It knows you have better things to occupy your mind than a slippery road. This is where Honda's innovation and design play an assuring role.

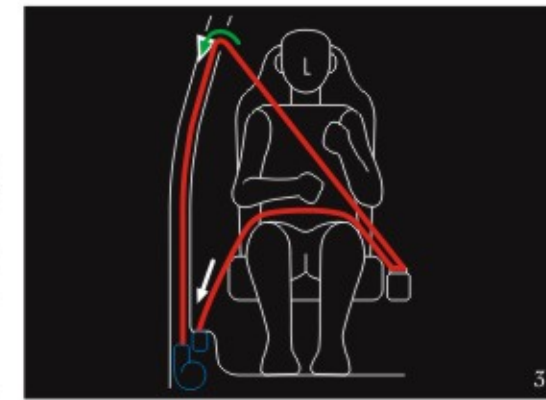

● **DUAL FRONT SRS AIRBAGS:**
Airbags that protect the driver and the co-passenger in the face of a collision.

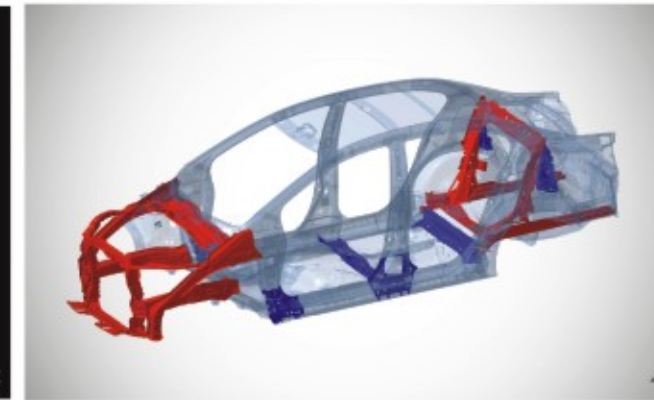

● **ABS WITH EBD AND BRAKE ASSIST:**
ABS ensures that the car remains steerable even during sudden braking maneuvers and comes to a standstill as quickly as possible. EBD offers optimal braking force on all wheels for enhanced vehicles control.

The strength underneath.

● **PRETENSIONER SEATBELTS:**
An extremely protective Pretensioner Seatbelt and limiting force-control belt arrangement for keeping the passenger and driver in position after an impact.

● **G-CON:**
An impact absorbing structure which creates protective shell around the passengers, thus reducing the impact of a crash. The crumple zones ensure added safety of passengers and pedestrians.
