LUXURIOUS INTERIORS

Form meets function in the ergonomically and aesthetically designed interiors of the Fiat Linea. Its dual tone interiors are available in irresistible shades of black and beige. Powered mirrors reaffirm its suave demeanor. An additional tray and cup holder on the rear armrest caters to your convenience. Moreover, 3 choices of seat fabrics, AC fascia and instrument panel add to the luxurious look. Go ahead, take one look and you'll realize why the Fiat Linea is as admirable on the inside as it is on the outside.

- **Dual tone interiors in black and beige**
- **Leather-finish steering wheel and gear knob**
- **3 choices of seat fabrics, AC fascia and instrument panel**
- **Two glove boxes**
- **Powered mirrors**
- **12v power socket**
- **Steering wheel with Blue & Me™ and audio controls**
- **Driver-facing ignition socket**

AMAZING COMFORT

The new Fiat Linea might well be the last word in comfort. As an ultra-spacious sedan, the Fiat Linea allows you to free your legs, sit back and relax. The tilt steering wheel and an adjustable driver seat ensures a relaxed driving experience. Cabin lamps offer the convenience of a switch off timer. Unique rear AC vents at the foot and knee level keep you cool in the backseat, while the rear armrest equipped with a glove box and cup holder redefines comfort. A massive 500 litre boot swallows your luggage quite easily. The Fiat Linea guarantees the most comfortable driving experience. And perhaps the most admirable too.

- **Tilt steering**
- **Cabin lamp with switch off timer**
- **Front armrest with glove box and 3 level adjustments**
- **Rear AC vent at foot and knee level**
- **Rear armrest with glove box and cup holder**
- **Collapsible rear sun protection curtain**
- **Anti-intrusion boot hinges**
- **Massive boot space of 500 litres**

POWER-PACKED PERFORMANCE

The Fiat Linea doesn't just make a style statement. It makes a power statement too. Available in two engine choices, Diesel and Petrol, Fiat Linea offers you the new-age ADVANCED MULTIJET engine and the revolutionary Fully Integrated Robotised Engine - FIRE. The 1.4 Ltr FIRE engine generates an optimal 90 PS of power. While the 1.3 Ltr ADVANCED MULTIJET engine - voted 'International Engine of the Year', is equipped with a variable geometry turbocharger (VGT) and delivers power of 86 PS. However, regardless of whether you choose diesel or petrol, one thing is certain: Performance and great mileage will always be with you.

DIESEL - ADVANCED MULTIJET engine

- Variable geometry turbocharger (VGT)
- 1.3 Ltr with 86 PS of power output at 4000 rpm
- Torque of 203 Nm at 2500 rpm

PETROL - Revolutionary FIRE engine

- 1.4 Ltr with 90 PS of power output at 6000 rpm
- Torque of 115 Nm at 4500 rpm

REASSURING SAFETY

There are several reasons the new Fiat Linea is reassuringly safe. To begin with, its Dual Front Airbags cocoon you safely. Moreover, ABS with EBD ensures the car doesn't skid out of control. A feature like Fire Prevention System (FPS) automatically cuts off the fuel flow in case of an impact. While 3 rear safety headrests and an Anti-Theft Engine Immobilizer with rolling code guarantees added security. You will also be relieved to know that Programmable Follow Me Home Headlights let you step out of the car in bright light even at night. A Programmable Speed Limit Alarm curbs overspeeding. In addition, a Digital Door Open Indicator that tells you precisely which door has accidentally remained open. With so many thoughtful features, rest assured the Fiat Linea is one of the safest vehicles on the road.

- **Dual Front Airbags**
- **ABS with EBD**
- **Fire Prevention System (FPS)**
- **Anti-Theft Engine Immobilizer with rolling code**
- **3 safety headrests**
- **Double Crank Prevention System**
- **Programmable Speed Limit Indicator**
- **Programmable Follow Me Home Headlights**
- **Digital Door Open Indicator with exact open door indication**
