Exterior

The all new i-Gen i20: Live the Uber Life

The luxury hatch is hotter than ever in its new avatar with Uber Features, Uber Style and Uber Power. The all new i-Gen i20 is your ticket to the Uber Life with attention to detail that makes it not just a style statement but also a lifestyle statement.

High Gloss Black Grille

A high gloss black grille perfectly complements the chrome Hyundai logo and lends a premium and sporty appeal.

Headlamps

The wraparound headlamps of the i20 provide ample all-around illumination and a modern look.

Fog Lamps

Unique trapezoidal fog lamps add to the sporty look of the car and enable extra visibility in foggy conditions.

Electric Mirrors with Turn Indicator

Electrically adjustable, foldable and heated ORVMs maximize driver comfort while the turn indicators lend a premium touch and provide enhanced safety.

Chrome Door Handles

Chrome door handles reflect a touch of class and amplify the rich and premium feel of the i20.

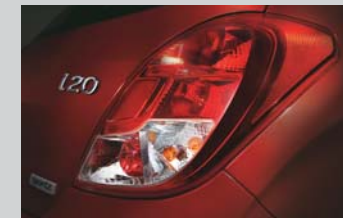

Alloy Wheels

8-spoke alloy wheels accentuate the i20's bold profile while the 185 mm wide tyres provide a commanding grip on the road.

Rear Spoiler

The rear spoiler with an integrated stop lamp, lends an aerodynamic and sporty appeal to the car.

Tail Lamps

Clear rear combination lamps increase the style quotient and ensure high visibility for added safety.

Rear Washer and Wiper

The rear washer and wiper help clean the rear windshield and ensure convenience and safety during wet and rainy conditions.

Smart Key

The smart key facilitates keyless ignition and remote opening of the doors and the boot.

Interior

Tilt & Telescopic Steering

The leather wrapped tilt and telescopic steering can be adjusted as per the driver's convenience for a fatigue-free and comfortable drive.

Steering Mounted Audio & Bluetooth Controls

Audio controls provide an enjoyable driving experience while Bluetooth controls help you receive calls with the push of a button on-the-go.

Push Button Start / Stop System

The start / stop button allows you to turn the engine on and off at the touch of a button.

Supervision Cluster

The aesthetically designed instrument cluster has a clear layout, easy-to-read dials with a soothing blue and white illumination.

2-DIN Audio System

Experience exceptional sound with a 2-DIN audio system loaded with 4 speakers, 2 tweeters and the convenience of AUX-in, USB and Bluetooth connectivity.

Fully Automatic Temperature Control

The AC allows you to set the temperature and the system takes over to ensure uniform and convenient cooling at all times.

Clean Air-Cluster Ionizer

The in-built cluster ionizer purifies the cabin air and keeps it fresh and healthy.

Electric Sunroof

The tilt and one-touch-open electric sunroof gives the cabin an open air feeling with a panoramic view to make your driving experience extremely pleasurable.

Glovebox Cooling

The large glovebox, linked to the air conditioning system, keeps the contents cool.

Electro Chromic Mirror

Upon sensing headlight intrusion from trailing vehicles, the ECM automatically reduces glare for safe night-time driving.

Information Center

The unique digital multi information display in the center of the dashboard reveals trip distance, current audio selection, outside temperature, time, calendar and engine running time.

Driver Seat with Height Adjuster & Armrest

The height adjuster enables the best driving positions and the armrest provides added comfort while driving.

Space

Best-in-class Wheelbase

The i20 has a best-in-class wheelbase of 2,525 mm that provides ample space for you and your loved ones.

Best-in-class Width

A best-in-class width of 1,710 mm ensures abundant shoulder room and hence, comfortable seating for three at the back.

Versatile Seating

The 60:40 seat split arrangement with a cushion pop-up facility offers you a choice of passenger and luggage space optimization.

Large Boot Space

A large boot space is perfect for weekend getaways and family outings.

Engine Technology

1.2 Kappa Petrol Engine with Dual VTVT

The 1.2 Kappa dual VTVT engine comes with separate VTVT assembly for intake and exhaust valves and the technology optimizes the opening and closing of valves for improved performance, mileage and reduced emissions.

1.4 U2 CRDi Diesel Engine

The technologically advanced and powerful U2 diesel engine is quiet, clean and responsive. Mated with a 6-speed transmission, it offers perfect driving pleasure with enhanced fuel efficiency, smoother drivability and refinement.

1.4 Gamma Petrol Engine with Automatic Transmission

Automatic

The 1.4 Gamma engine is extremely robust and delivers 100 PS peak power with a convenient 4-speed automatic transmission. The advanced VTVT technology and light aluminium alloy construction enhances power and mileage.

Safety

6 Airbags

The all new i20 is the only car in the segment to offer 6 airbags – dual front, side & curtain, making it one of the safest cars on the road.

1st in segment

ABS with EBD
ABS prevents wheel lockup during panic braking situations especially on slippery surfaces while EBD distributes brake pressure efficiently on all wheels to prevent skidding and to retain car stability and steerability.

1st in segment

Reverse Parking Camera with ECM Display

Parking is now a breeze with the visually guided parking system in the Electro Chromic Rear View Mirror where a camera helps guide the car during close parking conditions.

1st in segment

Reverse Parking Sensors

Sensors in the rear bumper detect objects not visible while reversing and sounds a warning if the car gets too close to them.

1st in segment

Rain Sensing Wipers

Rain sensing wipers automatically start operating in case of sudden shower or rain.

1st in segment

Clutch Lock

The clutch lock function ensures the engine doesn't start unless the clutch is pressed first, thus preventing accidental start of the car.

1st in segment

Lane Change Indicator

The side lights blink thrice to indicate lane changing intentions to trailing traffic with one touch.

1st in segment

Auto Headlamp Controls

Automatic headlamps switch on and off as per outside visibility conditions for convenient and safe driving.

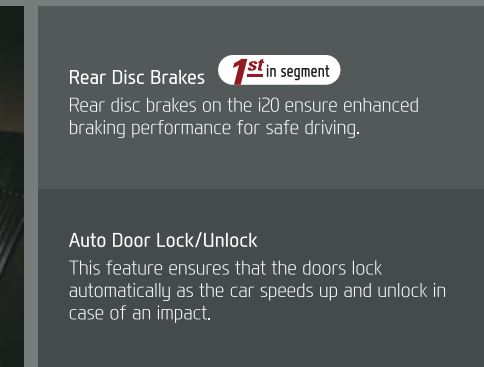

1st in segment

Smart Pedal

In case of panic braking, the brake pedal overrides the acceleration pedal for uncompromised safety of all occupants.

1st in segment

Rear Disc Brakes

Rear disc brakes on the i20 ensure enhanced braking performance for safe driving.

1st in segment

Auto Door Lock/Unlock

This feature ensures that the doors lock automatically as the car speeds up and unlock in case of an impact.
