

VERSA

The joy of travelling together.

Maruti Suzuki Versa - Experience the joy of travelling together.

Loaded with features, which ensure that your family enjoys the smoothest drive. Experience ample space and a cool, relaxed atmosphere, on every drive. Versa – a car specially designed keeping your family's complete comfort in mind.

**Twin ACs*.
Eight Vents.
Ideal for 8 people.**

Versa comes equipped with twin ACs and eight vents, ensuring maximum comfort for every member of your family even in the harshest of weather conditions. The twin ACs ensure uniform cooling, even at the back.

*Available only in Versa DX2.

**Flexiseating.™
For extra space.**

Versa is the only car which gives you the Flexiseating™ option, whereby you can easily rearrange the rear seat, if you want more space for your family. And in case you want extra space for your luggage, simply flip-fold the 3rd row seat.

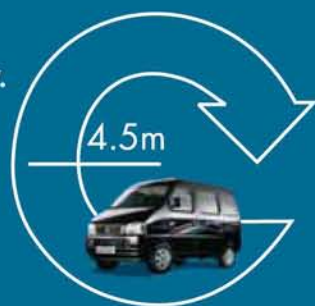

**Large sliding doors.
For easy entry
and exit.**

High seats and sliding doors which do not open out as in other cars, make getting in and out extremely easy. Even in cramped parking lots or narrow lanes.

Easy parking. Even in the city.

Even though the Versa comfortably seats 8 people, it has a very compact outer body and a turning radius of just 4.5m, making it ideal for parking in busy markets and taking sharp U-turns.

**Easy Driving.
Even in heavy city traffic.**

Versa comes equipped with electronic power steering (EPS)*, which makes driving absolutely easy and hassle free, even in peak hour traffic, busy markets or narrow lanes. And to make your ride even more comfortable, Versa also comes loaded with central locking & power windows*.

*Available only in Versa DX, DX2.

5 SEATER

The new Versa 5 seater. Comes with ample legroom and large boot space. Perfect for long holidays when you travel with extra luggage. Whatever be your use, you'll find the new Versa 5 seater, an ideal companion.

8 SEATER

The Versa DX & DX2 seat upto 8 people in comfort. And if you need extra luggage space, simply flip-fold the 3rd row seat. So even if you are travelling out of town, Versa ensures that your family travels comfortably.

Upholstery not part of standard equipment.

82 bhp. Powerful Engine.

Versa is equipped with a 1300cc, 4 cylinder, 16 valve, 82 bhp engine which gives you extra pick-up and ensures effective air conditioning.

Safety for the entire family.

The Versa has a collapsible steering column, side impact beams, crumple zones, front impact beams, anti-roll bars, a diagnostic breakdown system and halogen lamps for extra safety. And for the kids in the family, the Versa has child-proof locks on sliding doors and windows.
