### Terms & conditions:

In the event of a defect in the treatment, and subject to the conditions below having met, 3M™ will re-treat the affected areas.

1. The customer shall have the treated car inspected by the 3M™ Car Detailing dealership every 6 months during the entire 5-year warranty period.
2. The warranty is rendered invalid in the event of an accident.
3. If under chassis is scrapped, scratched or in any way damaged, the owner shall be required to have it inspected, and treatment reapplied. The cost of such treatment, and labour cost incurred, shall be borne by the owner.
4. This card has to be retained for the entire 5 year warranty period.

In case of the loss of warranty card the warranty is invalid.

5. 3M's obligation under this warranty is restricted to free treatment at the approved 3M™ Car Detailing dealership & is in no way responsible or liable for any damage to the treated area.
