## Petrol Engine Oils...

RACING PETROL  
20W/50

Racing Petrol 20W/50 is an extra high quality petrol engine oil for use in all petrol high performance (Turbo & Direct overhead Cam) Engines. Idemitsu Racing Petrol has a wide viscosity range of 20W50. Idemitsu Racing Petrol is blended with Idemitsu's high quality hydrotreated base oils and contain modern additives to exceed APISJ specifications.

The Benefits of Idemitsu Racing Petrol are:

- Enhanced Engine Power.
- Excellent Protection Against Engine Wear.
- Non Foaming & Non Air Entrainment
- Thermo Oxidation Stability
- Catalyst Compatible
- Offers Fuel Efficiency.

ELITE 20W/50

Elite 20W/50 is a new all season, premium multigrade engine oil for all DOHC engines as it enhances engine performance and maintains a strong oil film. Idemitsu Elite exceeds APISF/CD specifications. It is highly recommended for use in all petrol and diesel engines.

This oil has exceptionally high thermal and oxidation stability, deposit control, anti-wear, anti-rust and anti-corrosion properties. It is also formulated for excellent cold starting and helps to improve fuel efficiency.

## Diesel Engine Oils...

RACING DIESEL  
15W/40

Racing Diesel 15W/40 is a premium quality multigrade Diesel Engine Oil ideally suited for engines operating under extreme conditions. Idemitsu Racing Diesel 15W40 is recommended for Turbo Charged & Naturally Aspirated Engines as well as high performance Construction Equipment, Diesel Generating Sets and Farm Equipments. Idemitsu Racing Diesel 15W40 is developed with State of the Art Technology and exceeds the performance specifications of API CF-4.

EXCEL 20W/40  
SAE 30 / 40

Excel is a newly formulated all-season, multigrade engine oil for use in all petrol, diesel and turbocharged engines.

It exceeds API CD/SE & U.S. MIL-L-2104C specifications. It has outstanding high temperature oxidation stability, anti-wear and detergent dispersant properties.

It also has excellent low temperature starting properties. Moreover it contains a special friction modifier that effectively reduces fuel consumption.

DIESEL EXPRESS  
20W/40 & 30/40/50

Diesel Express is a newly formulated all-season, multigrade engine oil for use in all diesel and petrol engines.

It exceed API CC/SC & U.S. MIL-L-2104B specifications. It has outstanding oxidation stability, anti-wear and dispersant properties. It also has excellent low temperature starting properties.

The Ultimate in Performance

## 2/3 Wheeler oils.....

SUPER 2T SELECT.

Super 2T select is a premium quality low smoke high performance 2 stroke oil which ensures:

- Low smoke.
- Reduction in port deposits.
- Excellent lubricity & detergency.
- Longer engine life.

Idemitsu Super 2T Select meets stringent JASO FC specification for low smoke. It also exceeds API TC specification.

SUPER 4T SELECT.

Super 4T Select is a dedicated 4 stroke engine oil formulated to meet the demands of today's high performance 4 stroke Two Wheelers. Idemitsu Super 4T Select is a SAE 20W40 viscosity oil and exceeds API SG specifications. Idemitsu Super4T Select offers the following benefits:

- Ensures smooth Gear Shift
- Excellent Oxidation Resistance
- Marked Anti-Wear Properties
- Low Noise Timing Chain
- Reduced Oil Consumption

## Agri Oils.....

TRACTOR EXPRESS  
40

Tractor Express 40 is a newly formulated high performance engine oil for use in all types of Tractors & Farm Equipments. Idemitsu Tractor Express SAE 40 meets U.S. MIL-L-2104 C, MIL-L-45199B Series 3 and APICD performance levels.

Idemitsu Tractor Express 40 has excellent oxidation stability, detergency, dispersancy and anti-wear properties.

PUMP SET OIL

Pump Set Oil is a specialised engine oil for agricultural pump set and other small engines. Provides marked antiwear and antirust properties under varying and arduous operating conditions. Meets performance requirements of IS:496

## Grease.....

MULTILEX GREASE  
AP-3

Multilex Grease AP-3 is a Lithium based multi-purpose grease which meets the requirements of all automobiles as well as construction and agricultural machinery. Idemitsu Multilex Grease AP-3 has excellent moisture repellency, and heat & cold resistance. Idemitsu Multilex Grease AP-3 can be use for wheel bearings, chassis, water pump and a other components.

TOYOTA AUTOMATIC  
TRANSMISSION FLUID D-II

**TOYOTA KIRLOSKAR MOTOR CO. LTD.**

Toyota Genuine Automatic Transmission Fluid is a premium product specifically designed for Toyota.

- Tested and approved by Toyota
- Meets / Exceeds Toyota warranty requirements
- Formulated for all Toyota Vehicles Transmission

TOYOTA GENUINE  
ENGINE OIL

Toyota Genuine Engine Oil is specially formulated by Toyota engineers for Toyota Diesel Engine Vehicles including today's high performance engines. Toyota Genuine Engine Oil satisfies the stringent requirements of the CF-4 specifications. Toyota Genuine Engine Oil provides improved performance in deposit, oil oxidation, wear and rust corrosion control.

TOYOTA  
TRANSMISSION OIL

Toyota Transmission Oil is specially formulated by Toyota engineers for all Toyota vehicles including today's high performance engines. Toyota Transmission Oil satisfies the stringent performance requirements of API GL-4 and SAE 80W90 specifications.

TOYOTA  
DIFFERENTIAL OIL

Toyota Differential Oil is specially formulated by Toyota engineers for all Toyota vehicles including today's high performance engines. Toyota Differential Oil satisfies the stringent performance requirements of API GL-5 and SAE 85W90 specifications.

TOYOTA PEO

Toyota PEO Oil is specially formulated by Toyota engineers for all Toyota petrol engine vehicles including today's high performance engines.

Genuine Oils

The Ultimate in Performance

**MAHINDRA  
MAXIMILE 6K**

**MAHINDRA & MAHINDRA LTD.**

Mahindra Maximile 6K Genuine Engine Oil is specially formulated engine oil designed & developed specially for all Mahindra Vehicles. Mahindra Maximile 6K offers extra protection for longer engine life.

**HONDA GENUINE OIL  
20W50**

**HONDA SIEL CARS INDIA LTD.**

Honda Genuine Oil 20W50 is a high quality, high performance engine oil developed to the stringent specifications of Honda R&D Japan. Honda Genuine Engine Oil is a fuel efficient multigrade engine oil conforming to API SJ and SAE 20W50 specification. Honda Genuine Engine Oil is strongly recommended for use in Honda vehicles.

**HONDA POWER  
STEERING FLUID**

**HONDA POWER STEERING FLUID**

Honda Power Steering Fluid is specially developed by Honda Motor Company for use in the power steering systems of Honda Motors.

**HONDA AUTOMATIC  
TRANSMISSION FLUID**

**HONDA AUTOMATIC TRANSMISSION FLUID**

Honda Automatic Transmission Fluid are specially formulated by Honda Motor Company Ltd., Japan for use in the Automatic Transmission of Honda Vehicles.

**HONDA MANUAL  
TRANSMISSION FLUID**

**HONDA MANUAL TRANSMISSION FLUID**

Honda Manual Transmission Fluid are specially formulated for use in manual transmission of Honda motor vehicles.
