# LOVE EVERY MINUTE

WITH EVEREST 4WD<sup>1</sup>

Everest Titanium shown.

SAND

Terrain Management System dial in Everest Titanium shown.

## READY FOR THE EVERYDAY OR THE EPIC

In the Everest 4WD, the world is yours to explore. With its **Terrain Management System**, you get optimal control at the turn of a dial! From winding city roads to rugged dirt tracks, the Everest makes every drive incredible.

Everest Titanium shown.

MUD, GRASS OR SNOW<sup>3</sup>

Everest Titanium shown.

ROAD

Everest Titanium shown.

ROCK<sup>1</sup>

## TACKLE ANY TERRAIN<sup>2</sup>

**Sand.** Glide through sand with increased accelerator sensitivity that adapts to the environment.

**Mud, Grass or Snow<sup>3</sup>.** From muddy tracks to fresh snow, this mode gives optimised traction and control.

**Rock<sup>1</sup>.** This mode keeps you in 4WD low range, providing maximum traction and precise control, allowing you to conquer extreme off-road terrain.

**Road.** Switch the dial to Normal mode and the full-time 4WD system will maximise traction and stability for greater control when travelling along sealed roads.

1. To activate Rock mode, vehicle must be stationary and in 4WD low range. 2. The driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques. 3. This mode does not replace the need to fit chains if required.

# ENJOY THE HIGHS AND LOWS

Tough slopes couldn't be easier in the Everest 4WD. On the way up, **Hill Launch Assist** lets you climb with confidence, as this system makes it easier to pull away when your vehicle is on a slope without the need to use the parking brake. On the way down, **Hill Descent Control** uses the brake system to help you descend at a steady pace. Simply take care of the steering and the Everest does the rest<sup>1</sup>.

HILL DESCENT CONTROL

HILL LAUNCH ASSIST

ROCK

Everest Titanium shown.

# TAKE A DIP

Why go around a river when you can drive right through it? The Everest can wade through water up to 800mm deep<sup>2</sup> and with high ground clearance, it can muscle through nearly any terrain.

UP TO 800mm WATER WADING<sup>2</sup>

225mm GROUND CLEARANCE

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions.

2. Maintaining a steady speed of not more than 7km/h.

Everest Titanium shown.

# THE OPEN ROAD ADVENTURER

## WITH EVEREST RWD

If you're looking for size, technology and safety to take on the city and beyond, the Everest Ambiente and Trend Rear Wheel Drive models are the perfect fit.

Whether you're towing the boat or heading off on a caravanning adventure, Everest RWD has ample strength and capability to get you there. In addition to its 3,000kg towing capacity<sup>1</sup>, Everest RWD's excellent ground clearance and water-wading capability<sup>2</sup> help prepare you for unexpected challenges thrown up by roads less travelled.

A rear view camera and rear parking sensors make it easy to get in and out of tight spots, while a commanding road presence, impressive ride height and spacious cabin keep you feeling comfortable and in control. Plus, you can fit three child seats in the 5-seater Ambiente and five in the 7-seater models<sup>3</sup> to help keep the family moving. With running boards standard across the range, it's easy for the whole crew to get in and out.

Everest RWD delivers 8.4L per 100km fuel efficiency<sup>4</sup> to help you go further, while SYNC<sup>®</sup>3<sup>5</sup> with Apple CarPlay and Android Auto integration<sup>6</sup> helps you stay connected.

1. 3,000kg is the maximum towing capacity using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 2. Maintaining a steady speed of not more than 7km/h. 3. 5 seats standard in Ambiente RWD. 7 seats optional in Ambiente RWD and standard in Trend RWD. 4. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment condition and use. 5. Not all SYNC<sup>®</sup>3 features are compatible with all phones. Local laws may prohibit some or all of the phone functions while driving. Check your local road rules before using these functions. 6. Apple CarPlay is a trademark of Apple Inc and Android<sup>™</sup> is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with compatible versions of Apple iOS and Android<sup>™</sup> respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC<sup>®</sup> does not control Apple CarPlay or Android Auto while in use; Apple Inc and Android<sup>™</sup> respectively are responsible for their functionality. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions.

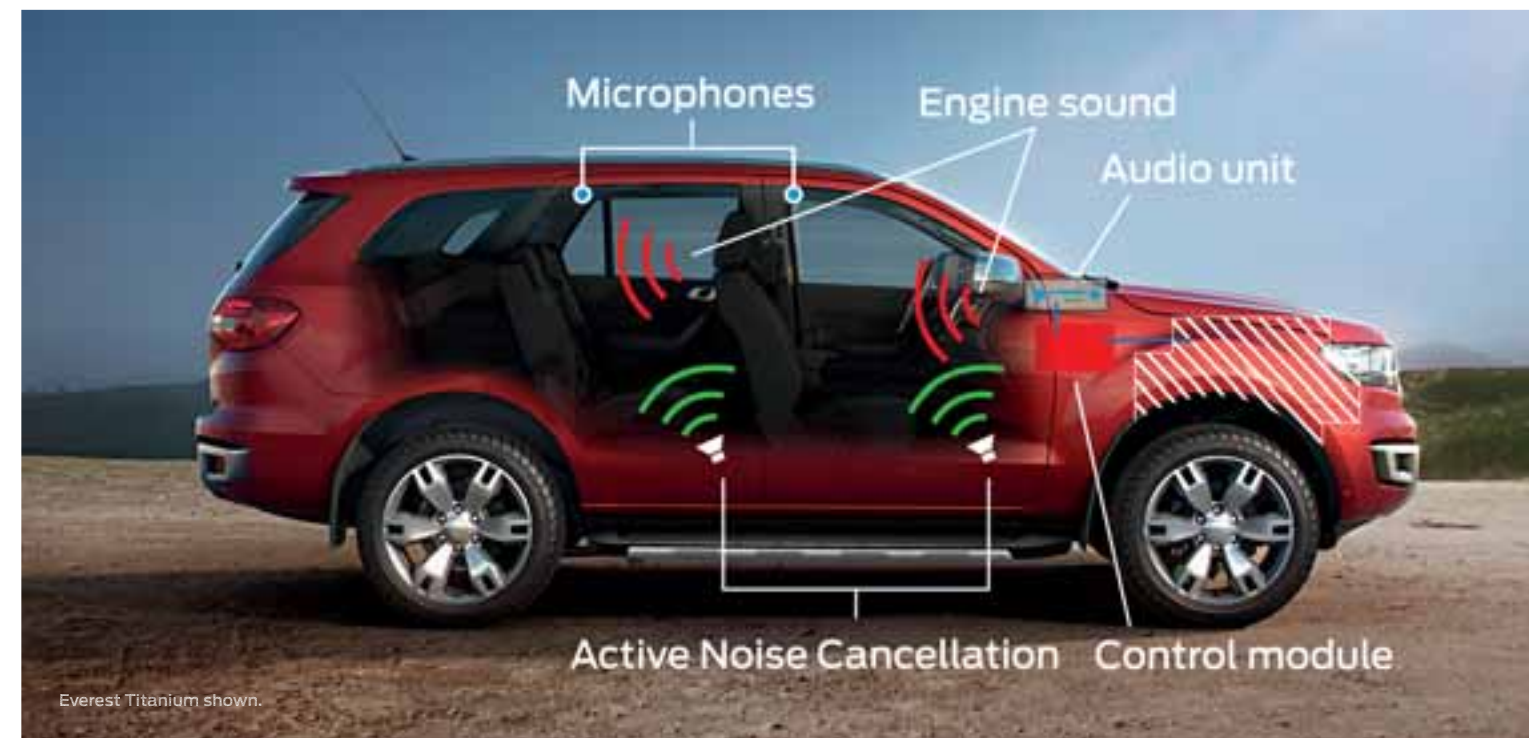

Everest Titanium interior shown.

## TRAVEL FIRST CLASS EVERYWHERE

Say hello to luxury with an adventurous side. With up to seven comfortable seats<sup>1</sup>, the ability to fit up to five child seats<sup>2</sup> and the inclusion of two ISOFIX anchor points, there's plenty of room inside the Everest to take the whole family, team or whoever's on board, along for the ride in total comfort.

While you're on your way, keep the noise out and the good times in. Inspired by noise cancelling headphones, the Everest's **Active Noise Cancellation** uses three highly sensitive microphones to detect and measure engine noise inside the cabin, then cancels it with opposing sound waves.

Enjoy the great outdoors even when you're indoors. Almost half the roof space of the mighty Titanium is a **Panoramic Power Roof**, so you can open up your world and experience life under the sun or stars at the touch of a button. Titanium also features 8-way power driver and front passenger seats to give you premium comfort and support wherever you're headed.

Everest Titanium shown.

1. 5 seats standard in Ambiente models. 7 seats optional in Ambiente models and standard in Trend and Titanium. 2. 5-seater Ambiente can fit up to 3 child seats. Ambiente with optional 7 seats, Trend and Titanium models can fit up to 5 child seats.

## CONTROL YOUR WORLD

Do it all without having to do a thing. Discover driving technology that makes every journey effortless.

Reverse with confidence. Be aware of what's behind you thanks to the **Rear View Camera** and **Rear Parking Sensors** that help alert you to obstacles.

**SYNC<sup>3</sup>** is a fully integrated voice activation system that lets you use your favourite devices while your hands stay on the wheel and your eyes stay on the road<sup>2</sup>. Sync your phone to call your friends and play your favourite music, and stay on track with the integrated Satellite Navigation System on Trend and Titanium models.

Seamless integration with programs like Applink<sup>4</sup>, Apple CarPlay<sup>5</sup> and Android Auto<sup>5</sup>, allows you to choose how to remain connected to your world. Equipped with a customisable 8" Colour LCD capacitive Touch Screen, SYNC<sup>3</sup> is quicker and more responsive than ever before. Plus, with two USB ports, it's now easier than ever to stay connected to your devices.

What's more, **dual 4.2" colour instrumentation display screens** give you everything from driving mode to fuel usage, all on low-glare, high-quality flat screens.

1. Not all SYNC<sup>3</sup> features are compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). 2. Warning: Local laws may prohibit the use of some functions while driving. Check your local road rules before using these functions. 3. Integrated Satellite Navigation System standard on Trend and Titanium. 4. Ford Applink<sup>4</sup> is available on selected SYNC<sup>3</sup> models and is compatible with select smartphone platforms. Users must download an Applink-enabled app from the usual store to your iOS or Android smartphone. Requires phone to be connected to SYNC<sup>3</sup> with a genuine USB cable (Apple devices) or Bluetooth<sup>®</sup> (Android devices). Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 5. Apple CarPlay is a trademark of Apple Inc and Android<sup>™</sup> is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with compatible versions of Apple iOS and Android<sup>™</sup> respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC<sup>3</sup> does not control Apple CarPlay or Android Auto while in use; Apple Inc and Android<sup>™</sup> respectively are responsible for their functionality. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions.

Demonstration of Adaptive Cruise Control with Forward Collision Alert.

Demonstration of Blind Spot Information System.

Everest Titanium shown. Demonstration of Active Park Assist.

## ASSISTANCE IN ALL THE RIGHT PLACES

Need help getting the perfect park? At the press of a button, **Active Park Assist**<sup>1</sup> helps you find a parking spot that's just the right fit, then virtually parallel parks the vehicle. Just push the button, put the vehicle into gear, take your hands off the wheel and watch it perfectly steer itself into your parking space. All you have to do is work the accelerator and brakes.

The **Cross-Traffic Alert**<sup>1</sup> will signal if it senses traffic coming from either side when you're reversing out of a parking spot or driveway.

The **Blind Spot Information System (BLIS)**<sup>1</sup> helps monitor the traffic you can't see. When changing lanes, indicator lights in the side mirrors let you know if there's a vehicle detected in your blind spot.

If your indicator isn't on and you start drifting from the centre of the lane, the **Lane Keeping System**<sup>1</sup> can help guide the vehicle back through gentle steering torque. If you keep drifting, Lane Departure Warning emits a warning vibration through the steering wheel.

If you have younger drivers in the family, **MyKey**<sup>™</sup> lets you program the key fob to limit car settings — like top speed, audio volume and the ability to make and take calls.

Wish Cruise Control was even cruicier? Well now it is. **Adaptive Cruise Control with Forward Collision Alert**<sup>1</sup> can help you keep your distance from the traffic in front. If it senses slow moving traffic, it slows down.

When the traffic clears, it goes back to your pre-set speed, or maintains a pre-set distance from the car in front. It can even detect the potential for an accident to occur, alert you with a brake light warning on your windscreen and precharge your brakes.

1. Active Park Assist and Blind Spot Information System (BLIS) with Cross-Traffic Alert available on Titanium only. Lane Keeping System (LKS) and Adaptive Cruise Control with Forward Collision Alert available on Trend and Titanium. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. BLIS with Cross-Traffic Alert is designed to operate at speeds above 10km/h. LKS is designed to operate at speeds over 65 km/h on multi-lane roads with clearly visible lane markings.

## PUTS SAFETY FIRST

This is one car with a protective side. The Everest features **seven airbags and ultra-high strength steel**, including front seat driver and passenger airbags, as well as seat-mounted side and side-curtain airbags. There's even an airbag for the driver's knee.

Stress less with **Dynamic Stability Control**<sup>1</sup>. Designed to give you grip and control around tricky corners, and when you're overtaking. For added safety, **Roll Stability Control**<sup>1</sup> can detect the potential for the vehicle to roll and kicks in to restore stability.

Stay ready, even when the road's not. If you're driving on uneven roads or in crosswinds, the Everest's **Electric Power Assist Steering (EPAS) with Pull-Drift Compensation** technology helps compensate for slight directional shifts.

And in the case of a collision where airbags are deployed or the fuel pump is shut off, **Emergency Assistance** is designed to use your mobile phone to call triple zero (000) and give them your exact location<sup>2</sup>.

## LOAD CARGO AND JUST GO

Leave nothing behind. The Everest's flexible and spacious interior is designed to get you and everything you need from A to B.

Whether you choose a 5 or 7-seater,<sup>1</sup> it's easy to switch between cargo and people. With a 2nd row 60/40 split-fold seat across the range and 3rd row 50/50 split-fold seat standard on Trend and Titanium (and optional on Ambiente), you'll be able to fit everything from bicycles to camping gear.

Everest Titanium's Powerfold 3rd row seat folds down flat for a stable surface at the press of a button. One more touch and the seating position is restored. There are also an impressive 30 stowage compartments.

With the Power Rear Liftgate on Trend and Titanium models, it's never been easier to pack a heavy load. Simply press the power button and watch the tailgate open and close by itself.

Everest Ambiente RWD interior shown.

<sup>1</sup> 5 seats standard in Ambiente models. 7 seats optional in Ambiente models and standard in Trend and Titanium. <sup>2</sup> 3rd row 50/50 split-fold seat optional on Ambiente. <sup>3</sup> Available on Titanium only. <sup>4</sup> Available on Trend and Titanium only.

# EXTRAORDINARY PERFORMANCE MEETS EXCEPTIONAL EFFICIENCY

It's time to elevate your expectations of what an SUV is capable of and choose either 4WD or RWD<sup>1</sup> to suit your driving style. The Everest packs 143kW of power with 470Nm of torque, but it also boasts impressive fuel economy of 8.4L(RWD) – 8.5L(4WD) per 100km<sup>2</sup>. Plus the sleek, **aerodynamic design** delivers even greater fuel savings. So no journey is ever too far.

1. RWD available in Ambiente and Trend specifications. 2. Fuel consumption and emissions as per ADR 81/02 combined cycle and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, external conditions and the vehicle's equipment, condition and use.

# BUILT FOR THE LONG HAUL

Whether it's packing the Everest with mountain bikes, attaching tents to the roof or towing the boat for a weekend away on the water, the Everest has the strength and capability to get you and your gear there.

	Max Payload <sup>1</sup>	Max Roof Load	Max Towing Capability <sup>2</sup>
Ambiente RWD	711kg	100kg	3000kg
Ambiente RWD 7-seater option	684kg	100kg	3000kg
Ambiente 4WD	757kg	100kg	3000kg
Ambiente 4WD 7-seater option	730kg	100kg	3000kg
Trend RWD	645kg	100kg	3000kg
Trend 4WD	693kg	100kg	3000kg
Titanium 4WD	606kg	80kg	3000kg

<sup>1</sup> Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). Weights are correct for vehicles produced from April 2017. <sup>2</sup> 3,000kg is the maximum towing capacity using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual.

## EVEREST RANGE Vehicles produced from October 2017<sup>1</sup>

From the Ambiente to the top of the range Titanium, when it comes to combining practicality, space and the latest technology, the Everest really is in a class of its own.

### AMBIENTE (RWD & 4WD)

- 17" Alloy Wheels
- 5 Seats (7 seats optional)
- 3.2L Duratorq TDCi Engine: 143kW/470Nm
- Terrain Management System (4WD only)
- Electronic Locking Rear Differential (4WD only)
- Hill Descent Control<sup>2</sup>. (4WD only)
- Hill Launch Assist<sup>2</sup>
- Cruise Control
- Dynamic Stability Control<sup>2</sup>
- 225mm Ground Clearance
- 800mm Water Wading Ability<sup>3</sup>
- 3000kg Towing Capacity<sup>4</sup>
- Trailer Sway Control<sup>2</sup>
- Independent Front Suspension
- Solid Rear Axle Suspension with Watt's Linkage
- Running Boards
- Auto On/Off Headlamps
- Front Fog Lamps
- Active Noise Cancellation
- SYNC<sup>®</sup>3 Connectivity System<sup>5</sup> with Applink<sup>®</sup>6 and Enhanced Voice Control
- 8" Colour Touchscreen
- Dual 4.2" Colour Instrumentation Screens
- Apple CarPlay and Android Auto Integration<sup>7</sup>
- MyKey™ Control System
- 10 Speaker Audio System
- Dual Zone Climate Control
- Rear Ventilation Controls
- Emergency Assistance<sup>8</sup>
- 7 Airbags
- Rear Parking Sensors
- Rear View Camera
- Factory-Fit Towbar (optional)

### TREND (RWD & 4WD) Includes Ambiente features<sup>9</sup> plus:

- 18" Alloy Wheels
- 7 Seats
- Adaptive Cruise Control with Forward Collision Alert<sup>2</sup>
- Lane Keeping System<sup>2</sup>
- Power Rear Liftgate
- Power Side Mirrors with Powerfold, Heater and Puddle Lamps
- Electrochromatic Rear View Mirror
- Rain Sensing Windscreen Wipers
- Auto High Beam Control
- Halogen Projection Headlamps
- Halogen Daytime Running Lights
- DAB+ (Digital Radio)
- Front Parking Sensors
- Rear Privacy Glass
- Leather Wrapped Steering Wheel
- Satellite Navigation with Voice Control and Traffic Message Channel<sup>10</sup>

### TITANIUM (4WD) Includes Trend (4WD) features plus:

- 20" Alloy Wheels
- 18" Alloy Wheels (no cost option)<sup>11</sup>
- Heated Front Seats
- Panoramic Power Sunroof with Power Blind
- Blind Spot Information System (BLIS) with Cross-Traffic Alert<sup>2</sup>
- Active Park Assist (Semi-Auto Parallel Park Assist)<sup>2</sup>
- Tyre Pressure Monitoring System
- High Intensity Discharge Headlamps
- Signature LED Daytime Running Lights
- 8-Way Power Driver and Front Passenger Seats with Manual Lumbar
- PowerFold 3rd Row Seat with 50:50 Split-fold Seat Back
- Ambient Lighting
- Leather Accented Seat Trim (excluding 3rd row)
- Leather Wrapped Gear Shifter
- Chrome Door Handles and Exterior Mirrors
- Illuminated Front Scuff Plates

1. Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. 2. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 3. Needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. 5. 7 Seat Ambiente option includes 5 child seat anchor points. 6. Not all SYNC®3 features are compatible with all phones. Local laws may prohibit some or all of the phone functions while driving. Check your local road rules before using these functions. 7. Ford Applink® is available on selected SYNC®3 models and is compatible with select smartphone platforms. Users must download an Applink-enabled app from the usual store to your iOS or Android smartphone. Requires phone to be connected to SYNC®3 with a genuine USB cable (Apple devices) or Bluetooth® (Android devices). Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 8. Apple CarPlay is a trademark of Apple Inc and Android™ is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with compatible versions of Apple iOS and Android™ respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC® does not control Apple CarPlay or Android Auto while in use; Apple Inc and Android™ respectively are responsible for their functionality. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 9. Bluetooth® is a registered

### Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

### Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

### Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO<sub>2</sub> emissions and a lower overall cost of ownership.

### Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

**Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.**

#### State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to [ford.com.au](http://ford.com.au) for more information and full terms and conditions.

#### Warranties & Service.

##### 3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

##### 5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

##### myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

##### 12 months/15,000km service intervals.

Under normal driving conditions, service intervals are 12 months or 15,000km, whichever occurs first.

## FORD SERVICE

At Ford, we are committed to providing an outstanding ownership experience. For example, we think you should always know what you're going to pay for a standard service, before you go in. So we offer a Service Price Promise for the life of your car, which means we'll publish the maximum price you'll pay for your next A or B logbook service at participating Authorised Ford Dealers on all vehicles built from 2007.

However our service doesn't end at the service garage. With each standard service at a participating Auto Club Dealer, Retail and Small Business

Customers (fleets of less than five vehicles) will also receive up to 12 months Auto Club Membership (including Roadside Assistance), for up to seven years. Eligible customers will even have access to a loan car included with any scheduled service, through participating dealers. Why do we do all this? Because at Ford, we think that's what service should be.

For more details visit your participating local Ford Dealer or visit [ford.com.au/service/t-and-c](http://ford.com.au/service/t-and-c) for full terms and conditions.

#### Contact us

If you have any questions or concerns, please contact our Customer Relationship Centre on 13 FORD (13 3673) or email [customers@fordcrc.com.au](mailto:customers@fordcrc.com.au)

#### Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please call 1300 13 13 30 or email [askfleet@ford.com](mailto:askfleet@ford.com)

#### Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at [ford.com.au/about/community](http://ford.com.au/about/community)

#Conditions and exclusions apply. For more information consult your authorised Ford Dealer.

This brochure details specifications and features of the Everest. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire Everest model range. Please visit our website [www.ford.com.au](http://www.ford.com.au) for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Images and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
