Ciaz

THE NEW CIAZ

There's brilliance in its design. There's an air of elegance about it. It's built with indulgence at its core. And there are innovations that stand out. It takes just one glance, just one drive to realise, this is no ordinary experience. This is a dream come true. This is the New Ciaz. Created and perfected for inspiration. So, think, create and innovate. With the Ciaz, you are ready to seek out the new.

CREATED TO INSPIRE ELEGANCE

It's fine to look again, and again and once more. To steal another glimpse of this charmer called Ciaz. The striking new grille and slick front bumpers give this stunner a surprisingly smooth look. The LED projector headlamps with DRL and LED fog lamps lend an all white brilliance to its persona. Made with gracefully designed LED tail lamps, Ciaz is what elegance looks like, cruising through the city.

The image shows the interior of a Volvo Ciaz, featuring beige leather upholstery on the front and rear seats. The dashboard and center console are finished with a light-colored wood grain, accented with satin chrome trim. The front seats have a perforated leather design. The car is parked in a city, with a blurred skyline visible through the windows. The text "CREATED TO INSPIRE LUXURY" is overlaid on the left side of the image.

CREATED TO INSPIRE LUXURY

Imagine a lounge. Gorgeous. Indulgent. Comfortable. Expansive. That's the experience. The feeling of Ciaz. The charm begins the moment you step inside and breathe in the most spacious cabin. Followed by your eyes feasting on the birch blonde wood finish with satin chrome accents, your skin embracing the luxurious seating, and your whole being giving in to this thoughtfully designed beauty quietly, calmly.

CREATED TO INSPIRE PERFORMANCE

New K15 Petrol Engine

Engineered for a great driving experience, this engine is the new and the next in the world of power. And with the Progressive Smart Hybrid Technology, it's ready for the future. The engine's torque and power output gives you an experience that simply enhances your drive. With this new engine, Ciaz ensures your drive is smoother than ever and packed with renewed power. Created to inspire a better tomorrow.

DDiS 200 Diesel Engine

The D13 engine is equipped with Proven Smart Hybrid Technology. It is simply made to give you a powerfully smooth driving experience with its Variable Geometry Turbocharger, which generates optimum power and excellent torque. Now, your drive will stay amazing miles after miles.

CREATED TO INSPIRE CHANGE

PROGRESSIVE NEXT GENERATION SMART HYBRID*

Every few years a revolution comes along to change the way you see the world. To make it better. To make it smarter. And the Progressive Next Generation Smart Hybrid Technology is just that. With its Lithium-ion and Lead Acid Dual Battery set up, you get an enhanced driving experience. What's more, the Torque Assist Function reduces the stress on the engine and the fuel consumption.

- **IDLE START STOP**
The engine automatically stops when idle and silently starts when the optimal conditions are met in manual and automatic transmissions. This helps in increasing the fuel efficiency.
- **BRAKE ENERGY REGENERATION**
Braking charges the special high capacity batteries, which in return assist the engine's idle start stop and the torque assist functions.
- **TORQUE ASSIST FUNCTION**
The energy stored in the Lithium-ion battery assists during acceleration. This helps the engine in providing optimal acceleration and performance.

*Only for K15 Engine

CREATED TO INSPIRE COMFORT

Relax through the busiest of lanes, the dreaded rush hour, the long tiring signals. Unwind and enjoy your drive as the Ciaz with Automatic Transmission moves like a dream, giving you a comfortable drive everywhere.

The Ciaz Automatic Smart Hybrid also comes with enhanced safety features like the Electronic Stability Program (ESP) with Hill Hold Assist. These thoughtfully designed features are sure to make your driving experience safer.

Electronic Stability Program

Hill Hold Assist

MULTI-INFORMATION DISPLAY

The Ciaz comes with a new 10.67 cm TFT Multi-information Display that makes it convenient for you to keep a track of your car's vital information. This includes fuel consumption, energy flow, trip details, driving range and gear shift indicator (MT).

CRUISE CONTROL

Your journeys in the Ciaz will now be more comfortable with the Cruise Control Feature System that lets you pick any cruising speed over 40 km/h. So click and drive through the highway with unmatched ease.

CREATED TO INSPIRE INNOVATION

Call. Connect. Talk. Message. Play. Listen. Touch. Search. Navigate. That's just some of the few things you can do with the SmartPlay Infotainment System. Appointed with Apple CarPlay*, Android Auto** and MirrorLink#, you can seamlessly connect your smartphones and access unlimited entertainment and uninterrupted connectivity. Step inside the Ciaz and experience a whole different world of innovation.

CREATED TO INSPIRE SAFER ROADS

Comfort and luxury are integral to the Ciaz experience, but it's the safety that undoubtedly comes first and foremost. Equipped with the NEXA Safety Shield, a collection of advanced safety features that adheres to the highest safety standards - the Ciaz assures your complete and utmost protection.

SUZUKI-TECT BODY

Suzuki's Total Effective Control Technology (TECT) concept results in effective absorption and dispersion of crash energy. The extensive use of high-tensile steel for major parts makes the body light, strong and safe.

DUAL FRONT AIRBAGS

Front airbags for the driver and passenger mitigate the collision forces inflicted on the head in the event of a frontal impact.

CREATE. INSPIRE.

NEXA is on a journey to create new experiences, new lifestyle, new culture and new products that inspire.
It is a drive of creation. A quest to inspire. A celebration of the creators. An ode to the creators who inspire.

Maruti Suzuki India Limited reserves the right to change, without notice, price, colours, equipment specifications, and models and also to discontinue models and/or replace any part or accessory with any other product. Accessory and feature shown in the pictures may not be a part of standard equipment and will differ according to the variant. Any offers made will be subject to availability of the product. For more details, contact your nearest NEXA Dealership.

If the vehicle's speed exceeds 80 km/h, then the primary level warning will beep twice. And if the speed goes above 120 km/h, the secondary level warning will keep beeping. If the vehicle's speed slows down to 118 km/h, it will beep twice and the buzzer will stop. This buzzer does not indicate any malfunction in the vehicle.

All the safety features are standard and available across all the variants.
