HELLO GOOSEBUMPS

The new Volkswagen Virtus is crafted for those who chase experiences. And who love nothing more than the freedom of driving in a sedan. Striking design meets exhilarating performance meets German engineering for a driving experience unlike anything out there. Goosebumps, guaranteed.

HELLO
STRIKING

OUTSTANDING EXTERIORS

The sheer size and timeless appeal of the sedan silhouette makes it a crowd favourite. And the new Virtus is Big by Design. Being the longest* (4561 mm) and widest* (1752 mm) in its segment gives it an unmistakable presence on the road. Available in 6 dynamic colours, choose one that matches your style. Or enhance its sporty appearance with the contrast roof*. An impressive grille with integrated LED headlamps and the chrome front wing with glossy black accents give the Virtus a signature look. The sharp dual shoulder lines enhance the length of the Virtus and give it a streamlined appearance. While a rear chrome wing and signature LED tail lamps make the Virtus practically unmissable, even from a distance.

*Available in GT Plus only

Sharp shoulder lines

Chiseled to perfection, sharp shoulder lines highlight its side profile and considerable length.

Signature chrome grille

Sharp, striking and classy - the chrome grille give the Virtus a bold and distinctive look.

IMPRESSIVE INTERIORS

With a best-in-segment wheelbase* (2651 mm), the Virtus is spacious as can be. The digital cockpit and infotainment system placed in a high-gloss black 'island' at the centre is an absolute beauty and is packed with a variety of intuitive features. Careful attention to detail has gone into crafting even finer details like décor inserts. Premium materials in the interiors and contoured seating ensure maximum comfort, both for the driver and occupants. Leather + leatherette seats aren't only a delight to sit on but also a delight to look at. While chrome detailing gives it a refined elegance.

INTERIOR OPTIONS

The Virtus is a thing of beauty on the inside as well. Its end to end dual tone dashboard is pure eye candy, and comes ready with a colour coordinated digital cockpit and infotainment system that's packed with features.

HELLO
EXHILARATING

Dynamic Line

Powered by the revolutionary 1.0L TSI engine with Idle Start / Stop, the Virtus gives maximum power, with minimum fuel consumption. Generating 115 PS of power and 178 Nm of torque, the Dynamic Line comes in 6-speed manual transmission or automatic transmission options. Start / Stop engine idle function optimises fuel consumption by stopping the engine when stationary and promptly starting when it's time to move.

Performance Line

When it comes to the thrill of driving, the GT badged Performance Line is as invigorating as it gets. It's powered by the revolutionary 1.5L TSI EVO engine with active cylinder technology mated to a 7-speed DSG transmission.

The GT is sporty through and through. Exteriors in a stunning dual-tone finish and a Carbon steel grey roof give your Virtus a stealthy look. 'Razor' black alloys make sure all eyes are on you. While premium aluminium pedals, red brake calipers in the front and a black boot-lid spoiler accentuate its sportiness. Finally, the iconic GT badge puts a stamp on the legendary performance Volkswagen is renowned for.

3-year free subscription

Introducing My Volkswagen Connect. Our distinct connectivity solution that gives you unparalleled access to your Virtus, through your smartphone. Stay updated with its location at all times. Find what's nearby, starting from parking to fuel stations. Get real time reports and save your information on the cloud. Access it anytime you like. Stay on top of the hustle with My Volkswagen Connect.

My Volkswagen Connect

Wireless AppConnect -
Android Auto™ and Apple Carplay™

Get the best of safety, convenience and performance to make your time with Volkswagen that much more enjoyable.

Never get lost with it:

Get real time location of your car from wherever you are. Find out where to park it. Then find out where you parked it. And then find a way to walk to it.

Be possessive:

Get notified every time your car goes out of an area or at a time that you haven't permitted it to. In fact, get notified even when it stays idle for longer than you want it to.

Never leave your car:

Get a detailed report of how efficiently your car was driven, kilometres travelled, halt locations and average travel speed, and get notified if someone goes over the speed limit. Then get it all logged in. From wherever you are.

Never be alarmed:

The anti-theft alarm system sends notification straight to your phone anytime someone tows it away.

Check up on your car:

Record Service history of your car, generate real-time analysis of its health, and get easy access to Volkswagen Roadside Assistance services in case of an emergency.

Fuel the journey:

Find out where the closest fuel stations are on your way. Then keep a log of where it was filled, how many times, and at what cost.

Know your car:

Get all your vehicle's real-time information, including the battery level, coolant temperature, engine RPM, ignition status, vehicle speed.

HELLO CONVENIENCE

City drives or weekend escapades, when it comes to comfort and convenience, the Virtus always comes out on top.

Go keyless with the smart KESY feature. The multi-function steering wheel puts the Virtus at your fingertips. And cruise control makes highway cruising driving stress-free with no need to even step on the accelerator pedal. Smart touch Climatronic AC and ventilated leather front seats keep you comfortable and at just the perfect temperature.
