- Automotive ABS – EP200 grade material
- Mounted with 3M PT1100 double sided tape
- Bright chrome plated
- Set of 2 Pcs
- Designed & Validated accessories for Scorpio-N

Chrome Tail Gate Applique

Part Number	Part Description	Applicability
AZ00013	Chrome Tail Gate Applique	All Variant

OE Front Upper Grille Bezel

1. Features

- Made up of High-quality ABS material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle

2. Advantages

- Classy bright chrome gives macho look to the vehicle
- Light weight & long-lasting life

3. Benefits

- OE tried & tested part
- Easy to fit with snap on fitment

4. Technical Specification

- OE Trial & tested parts
- OE Part need to be replaced

Part Number	Part Description	Applicability
AZ00080	OE Front Upper Grille Bezel	Z2, Z4 & Z6

Note – OE black parts to be removed & chrome inserts to be refitted

OE Front Signature Grille Element

1. Features

- Made up of High-quality ABS material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle

2. Advantages

- Classy bright chrome gives macho look to the vehicle
- Light weight & long-lasting life

3. Benefits

- OE tried & tested part
- Easy to fit with snap on fitment

4. Technical Specification

- OE Trial & tested parts
- OE Part need to be replaced
- Set of 6 Pcs

Part Number	Part Description	Applicability
AZ00081	OE Front Signature Grille Element	Z2, Z4 & Z6

Note – OE black parts to be removed & chrome inserts to be refitted

Chrome Rear Quarter Glass Applique

Waistline Chrome Applique

OE – Waistline Chrome Applique

1. Features

- Made up of High-quality ABS material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle

2. Advantages

- Classy bright chrome gives macho look to the vehicle
- Light weight & long-lasting life

3. Benefits

- OE tried & tested part
- Easy to fit with snap on fitment for OE part & double-sided fitment for quarter glass

4. Technical Specification

- OE Trial & tested parts
- AZ00113 – Set of 4 Pcs
- AZ00011 – Set of 2 Pcs

Part Number	Part Description	Applicability
AZ00113	OE Waistline Chrome Applique	Z2, Z4 & Z6
AZ00011	Chrome Rear Quarter Glass Applique	Z2, Z4 & Z6

Note – OE black rubber sleeve to be removed & chrome inserts to be refitted

- Automotive ABS EP-200 Material for Chrome Insert
- Mounted with 3M PT1100 double sided tape
- Set of 4 Pcs
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00014	Rain Visor With Chrome Insert	All Variant

OE Alloy Wheel Kit (17 Inch)

1. Features

- Upgrade your vehicle with OE 17 Inch Alloy wheel to create high variant look

2. Benefits

- Certified High-Quality Alloy
- Tested & validated for Scorpio-N & ARAI Certified genuine alloy wheel

3. Technical Specification

- 17 Inch Alloy Wheel
- Matching alloy wheel hub cap with new Twin peak Mahindra logo
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00130	OE (17 Inch) Alloy Wheel Kit	Z2, Z4 & Z6 & Z8 (MT)

OE Alloy Wheel Kit (18 Inch)

1. Features

- Upgrade your vehicle with OE 18 Inch Alloy wheel to create high variant look

2. Benefits

- Certified High-Quality Alloy
- Tested & validated for Scorpio-N & ARAI Certified genuine alloy wheel

3. Technical Specification

- 18 Inch Alloy Wheel
- Matching alloy wheel hub cap with new Twin peak Mahindra logo
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00131	OE (18 Inch) Alloy Wheel Kit	Z8 (AT) & Z8 L (Applicable for spare wheel – without tire change) Z2, Z4 & Z6 – Applicable for all Wheel with tire change

OE Wheel Cover

1. Features

- High quality ABS moulded Silver wheel cover set to add style element to your Thar
- Premium Mahindra Twin Peak Branding on Wheel Cover gels with vehicle

2. Benefits

- Easy for installation & removable with snap on directly to jazz up your OE steel wheel
- Perfectly matches to seamless fit to OE wheel
- Protect the Steel wheel from dust
- Adds the style element to your vehicle

3. Technical Specification

- 17 Inch Wheel Cover
- Snap on fitment
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00111	OE Wheel Cover	Z2, Z4, Z6 & Z8 (MT)

Body Decal – (X Pediton)

1. Features

- High quality Automotive Grade material gives long lasting life
- Screen Printed body decal gives greater durability than aftermarket decal

2. Benefits

- Creative decal adds a personal touch to your vehicle
- Easy to install with superior adhesive backing
- Easy to clean & maintain
- Matching with Vehicle theme

3. Technical Specification

- Made From Screen Printing Process
- Mahindra Branded Product
- Specially Designed accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00122	Body Side Decal (X Pediton)	All Variant

Body Decal – Design 2

1. Features

- High quality Automotive Grade material gives long lasting life
- Screen Printed body decal gives greater durability than aftermarket decal

2. Benefits

- Creative decal adds a personal touch to your vehicle
- Easy to install with superior adhesive backing
- Easy to clean & maintain
- Matching with Vehicle theme

Note – OE Rubber Pads need to be Replace

Sun-Shade Set

1. Features

- High quality Polyester material sunshade
- Protect your passengers and upholstery from excess light and heat

2. Benefits

- Made with a precise accuracy with exact size for all windows with ORVM viewing cut out on driver & Co-driver side
- Locking clips for mounting ensure the shades securely in place even when the window is down on high speeds keep out the suns UV rays
- Easy for installation & removable

3. Technical Specification

- Easy to fit with clips
- Polyester material
- "Mahindra" Branding on each part
- Set of 6 Pcs

Part Number	Part Description	Applicability
AZ00023	Sun-Shade Set	All Variants

Technology Accessories

Illuminated Scuff Plate

1. Features

- Robust dual layer construction to give premium look to vehicle interior
- High quality SS & PP material
- Illuminated vehicle branding with specially designed Red insert

2. Benefits

- Easy Fitment with OE Scuff replacement, No cutting & trimming required
- Premium aesthetic appeal with protection to vehicle scuff
- Add style & safety to your vehicle

3. Technical Specification

- SS & PP Material
- Simple snap on fitment
- Set of 2 Pcs (Only Front LH & RH Door)
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00075	Illuminated Door Scuff Plate	All Variants

Note – OE Scuff Trims need to be Replace

Front Parking Sensor

Display Unit

Controller

Sensor

1. Features

- Upgrade your Scorpio-N with Front parking sensor & avoid the accident during vehicle running & Parking
- Add the safety feature to your vehicle

2. Advantages

- Separate display unit with alarm sound
- Color indication to make already before touch the obstacles
- Compact size & easy installation

3. Benefits

- Adds the safety feature to your vehicle
- Wide view angle sensor
- Separate display unit with alarm sound
- Separate button to on/off beep sound

4. Technical Specification

- Kit Content –
 - Sensor – 2 Nos
 - Display Unit – 1 Nos
 - Controller – 1 Nos
 - Wiring Harness – 1 Nos
 - Drill Bit – 1 Nos

Part Number	Part Description	Applicability
AZ00110	Front Parking Sensor	Z2, Z4, Z6 & Z8

LED Car Headlight Bulb - Lumileds

1. Features

- Philips Branded LED bulb to upgrade your Scorpio-N with LED bulb
- 6000K Pure white light
- Up to 160% more brightness than halogen bulbs
- Add the safety feature to your vehicle

2. Benefits

- Easy to fit, Plug & play method
- Tested for Scorpio-N headlamp as a replacement of halogen bulb
- Increased safety with brighter illumination

3. Technical Specification

- Type – H7
- Power – 14 +/- 15 %W
- Luminous Flux – 1100 +/- 20% lm (30 Mins)
- Temperature range – 40 to 85 degree centigrade
- Tried & Tested for Scorpio-N

Part Number	Part Description	Applicability
AZ00114	LED Car Headlight Bulb – UL H7 - Lumileds	Z2, Z4 & Z6

Safety & Security Accessories

Anti Theft Lock Wheel Nut

1. Features

- Secure your vehicle alloy wheel with specially made Alloy wheel Lock wheel nut
- Made up from special purpose process & material to withstand the torque required
- Add the safety feature to your vehicle

2. Advantages

- Profile cut key to secure removal & refit
- Key profile will be different for different set to ensure safety of
- Simple & easy to use key for quick fitting

3. Benefits

- Deters theft due to profiled groove
- Prevents unauthorized removal of wheels

4. Technical Specification

- Galaxy design for alloy wheel
- Star design for steel wheel
- Set of 4 Nuts with 2 Key

Alloy Wheel Lock Nut - Galaxy

Steel Wheel Lock Nut - Star

Part Number	Part Description	Applicability
AZ00117	Antitheft Alloy Wheel Lock Nut - Galaxy	Applicable with alloy wheel
AZ00118	Antitheft Steel Wheel Lock Nut - Star	Applicable with steel wheel

Mud Flap Set

1. Features

- Made up of High-quality PP material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- MIC black with fine texture mud flap finish suits with other vehicle parts

2. Benefits

- Light weight & long-lasting life
- Perfectly matching vehicle profile
- Easy to fit with self tapping screws & push scrivets
- Protects your vehicle from Mud

3. Technical Specification

- Automotive PP grade material
- Mounted with Self tapping screws
- Maintain Ramp Over & Departure Angle as defined for vehicle
- Set of 4 Pcs
- Designed & Validated accessories for Scorpio-N

Front Mud Flap

Rear Mud Flap

Part Number	Part Description	Applicability
AZ00046	Front & Rear Mud Flaps Set	All Variants

Rear Bumper Protector – Plastic (Blow Molded)

1. Features

- Made up of High-quality PP material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- Dual tone finish rear bumper protector gels with vehicle parts
- Add style & safety to your vehicle bumper

2. Benefits

- Light weight & long-lasting life
- Perfectly matching vehicle bumper profile
- Easy to fit with bolt on brackets & fasteners without any drilling
- Protects your vehicle rear bumper
- No interface with Rear Parking sensor & Rear View Camera

3. Technical Specification

- Automotive PP grade material
- Mounted with M.S powder coated brackets
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00024	Rear Bumper Protector – Plastics (Blow Molded)	All Variants

Note – Rear Bumper Protector (AZ00024) will not be applicable with Rear Bumper Add On (AZ00129 & AZ00028)

Rear Bumper Protector – Stainless Steel

1. Features

- Made up of High-quality SS material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- PP material step at center gives premium look & adds safety
- Specially designed end caps protect corners of the vehicle bumpers
- Add style & safety to your vehicle bumper

2. Benefits

- Light weight & long-lasting life
- Easy to fit with bolt on brackets & fasteners without any drilling
- Protects your vehicle rear bumper along with corners
- No interface with Rear Parking sensor & Rear View Camera

3. Technical Specification

- Automotive SS grade material
- Mounted with M.S powder coated brackets
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00016	Rear Bumper Protector – Stainless Steel	All Variants

Note – Rear Bumper Protector (AZ00016) will not be applicable with Rear Bumper Add On (AZ00129 & AZ00028)

Rear Bumper Protector – Aluminum

1. Features

- Made up of High-quality Aluminum material which gives high quality surface finish & strength
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- EPDM material end caps gives premium look & protect corners of the vehicle bumpers
- Add style & safety to your vehicle bumper

2. Benefits

- Light weight & long-lasting life
- Easy to fit with bolt on brackets & fasteners without any drilling
- Protects your vehicle rear bumper along with corners
- No interface with Rear Parking sensor & Rear View Camera

3. Technical Specification

- Automotive aluminum grade material
- Mounted with M.S powder coated brackets
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00017	Rear Bumper Protector – Aluminum	All Variants

Note – Rear Bumper Protector (AZ00017) will not be applicable with Rear Bumper Add On (AZ00129 & AZ00028)

Stainless Steel Door Scuff Plate

1. Features

- Made up of High-quality SS & PP material which gives high quality surface finish
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- Plastic Injection molded base with fine texture & SS Insert gives dual tone effects & enhance premium-ness of your vehicle interior
- Premium laser etching vehicle branding add style

2. Benefits

- Light weight & long-lasting life
- Easy to fit with on double sided tape
- Protects your vehicle scuff from minor scratches

3. Technical Specification

- PP & SS grade material
- Mounted with 3M PT1100 double sided tape
- Set of 2 Pcs (Only for Front LH & RH Door)
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00026	Stainless Steel Door Scuff Plates	All Variants

Aluminum Door Scuff Plate

1. Features

- Made up of High-quality aluminum material gives high quality surface finish
- Offers highest level of dimensional accuracy
- Designed as per vehicle contour & Style to complete your vehicle
- Black powder coated finish with laser etching design & vehicle branding add style to interior of your vehicle

2. Benefits

- Light weight & long-lasting life
- Easy to fit with on double sided tape
- Protects your vehicle scuff from minor scratches

3. Technical Specification

- Aluminum material
- Black powder coated with laser etching design & Scorpio-N logo
- Mounted with 3M PT1100 double sided tape
- Set of 2 Pcs (Only for Front LH & RH Door)
- Designed & Validated accessories for Scorpio-N

Part Number	Part Description	Applicability
AZ00027	Aluminum Door Scuff Plates	All Variants

Premium Body Cover

1. Features

- Made of high-quality spun bond material which gives premium feed to body cover
- Luxurious appearance
- Perfectly matches with vehicle profile & Cover Entire vehicle

2. Advantages

- Exclusive Scorpio-N branding with elastic snaps & buckle for a tight fit
- Breathable fabric to avoid condensation under cover
- UV Resistant, Durable & Eco Friendly

3. Benefits

- Protect your vehicle from Dirty bird dropping & damages from Rains
- Easy to install & remove
- Oder free

4. Technical Specification

- 83 - GSM fabric
- 88% UV Resistance
- 100% Water Resistant
- Heat Retardant

Part Number	Part Description	Applicability
AZ00022	Premium Body Cover	All Variants

Camouflage Body Cover

1. Features

- Made of high-quality fabric which is durable & light weight
- Breathable fabric to avoid condensation under cover
- Perfectly matches with vehicle profile & Cover Entire vehicle

2. Advantages

- Exclusive Scorpio-N branding with elastic snaps & buckle for a tight fit
- Breathable fabric to avoid condensation under cover
- UV Resistant, Durable & Eco Friendly

3. Benefits

- Protect your vehicle from Dirty bird dropping & damages from Rains
- Easy to install & remove
- Easy to clean & Maintain

4. Technical Specification

- 85 - GSM fabric
- 88% UV Resistance
- 70% Water Resistant
- 6% Heat Retardant

Part Number	Part Description	Applicability
AZ00021	Camouflage Body Cover	All Variants

Dual Tone Body Cover

1. Features

- Made of high-quality fabric which is durable & light weight
- Breathable fabric to avoid condensation under cover
- Perfectly matches with vehicle profile & Cover Entire vehicle

2. Advantages

- Exclusive Scorpio-N branding with elastic snaps & buckle for a tight fit
- Breathable fabric to avoid condensation under cover
- UV Resistant, Durable & Eco Friendly

3. Benefits

- Protect your vehicle from Dirty bird dropping & damages from Rains
- Easy to install & remove
- Easy to clean & Maintain

4. Technical Specification

- 85 - GSM fabric
- 88% UV Resistance
- 70% Water Resistant
- 6% Heat Retardant

Part Number	Part Description	Applicability
AZ00020	Dual Tone Body Cover	All Variants

Silver Body Cover

1. Features

- Made of silver color fabric which is durable & light weight
- Breathable fabric to avoid condensation under cover
- Perfectly matches with vehicle profile & Cover Entire vehicle

2. Advantages

- Exclusive Scorpio-N branding with elastic snaps & buckle for a tight fit
- UV Resistant, Durable & Eco Friendly

3. Benefits

- Protect your vehicle from Dirty bird dropping & damages from Rains
- Easy to install & remove
- Easy to clean & Maintain

4. Technical Specification

- 60 GSM fabric
- UV Resistance
- 70% Water Resistant
- Silver color

Part Number	Part Description	Applicability
AZ00019	Silver Body Cover	All Variants

Remote lock Key

1. Features

- Upgrade your Scorpio-N with Z8 Variant Remote lock & ensure your vehicle safety
- OE Remote key for remote operation of central locking in Z2 Variant

2. Advantages

- No Wiring, No drilling & physical installation required
- Easy to Upgrade Z8 variant feature by software activation & key learning

3. Benefits

- Upgrade Z8 variant remote lock key feature in Z2 variant
- Option of single or double remote pairing as per customer preference
- Vehicle Warranty remain same

4. Technical Specification

- Tried & Tested for Scorpio-N
- Validated by R&D

Part Number	Part Description	Applicability
AZ00107	Remote Lock Key	Z2
