विषय:- Public Grievance regarding Vadkhal to Kolad on NH 66 - reg.

संदर्भ: Public Grievance Registration No. MORTH/E/2021/09006 dated 20.08.2021 and received in this office on dated 23.08.2021 from Public Grievance Portal.

श्रीमान,

Please refer to Public Grievance Registration No. MORTH/E/2021/09006 dated 20.08.2021 and received in this office on dated 23.08.2021 from Public Grievance Portal in respect of information related to Vadkhal to Kolad on NH 66.

2. In this regard, the information sought by the Applicant pertaining to PIU-Panvel is as given below:

“Four - laning of Panvel to Indapur (km 0 to km 84) section of NH-66 (formerly NH-17) being executed on DBFOT basis through Concessionaire M/s. Supreme Panvel - Indapur Tollways Pvt. Ltd.. The project of four laning in this section (84 km length) is delayed due to delayed clearances for Forest and Wildlife, delayed land acquisition and the financial crisis of Concessionaire. Presently, 64.7 km (upto DBM level) length is four laned out of 84 km and balance is expected to be completed by March 2022. The maintenance of highway in this section is being carried out by the Concessionaire of the project, to keep the highway section in traffic worthy condition in view of upcoming Ganesh Festival. The remaining stretch of NH-66 from Indapur to Maharashtra-Goa border is with PWD, Government of Maharashtra.”

This is for information, please.

आपका भवदिय,

(प्रशांत जे. फेगडे)
