PORSCHE

Important information

Although this image is intended to reflect your actual vehicle configuration, there may be some variation between this picture and the actual vehicle. Some items shown are European specifications.

PORSCHE

Standard options

718 Spyder

Power unit

- Flat 6-cylinder naturally aspirated engine, 4.0 litre displacement, maximum power output 309 kW (420 hp), maximum torque 420 Nm
- 64-litre fuel tank

Drive train features

- Engine block and cylinder heads in aluminium
 - Water-cooled with thermal management
 - Central cooler
 - VarioCam (camshaft control for inlet and exhaust valves) and adaptive cylinder management
 - Integrated dry-sump lubrication with on-demand electronically controlled oil pump
 - Direct fuel injection (DFI)
 - Two 3-way catalytic converters and on-board diagnostics for monitoring the emission control system, coated particulate filters
 - Variable intake manifold with two switchable resonance valves
 - Twin-tract sports exhaust system with two tailpipes in stainless steel in black (high gloss)

Transmission

- 6-speed manual transmission with dual-mass flywheel
 - Shortened gear lever
 - Rear-wheel drive
 - Auto start/stop function
 - Porsche Torque Vectoring (PTV) incl. mechanically locking rear differential
 - "718" logo on gear lever

Chassis

- Lightweight spring-strut front axle, anti-roll bar, suspension mountings partly ball-jointed
- Lightweight spring-strut rear axle, helper springs, anti-roll bar, suspension mountings partly ball-jointed
- Electromechanical direct steering with variable steering ratio
- Porsche Active Suspension Management (PASM) variable damper system with sports setup and ride height lowered by 30 mm
- Dynamic gearbox mount system
- Porsche Stability Management (PSM) incl. ABS, with two switchable stages ("ESC OFF" and ESC+TC OFF")
- Adjustable chassis for race track use (toe, camber, anti-roll bars)

Wheels

- Tyre sealing compound and electric air compressor
 - Anti-theft wheel bolts
 - 20-inch 718 Spyder wheels in silver color with sports tyres 245/35 ZR 20 front and 295/30 ZR 20 rear. Includes wheel centres with Porsche Crest
 - Tyre Pressure Monitoring (TPM)
 - Inflatable spare tire

Brakes

- 6-piston aluminium monobloc fixed-caliper brakes at the front and 4-piston aluminium monobloc fixed-caliper brakes at the rear, composite brake discs with aluminium brake chambers, diameter of 380 mm at the front and rear, internally vented and cross-drilled, brake calipers with red finish
 - Electrically operated parking brake

PORSCHE

Performance

- AUTO BLIP button activates automatic rev matching for downshifts
 - Performance display (only in conjunction with PCM)
 - Performance-oriented shift indicator in the colour display of the instrument cluster
 - Chrono Package with an analogue stopwatch, digital stopwatch function and performance display in PCM

Body

- Two-seater vehicle with mid-mounted engine
 - Intelligent lightweight body in aluminium and steel composite
 - Rear apron lower part in black with integrated rear diffuser
 - Closed underbody panelling with two additional ventilation openings (NACA) for the exhaust system
 - 'PORSCHE' logo silver coloured (high-gloss) on accent trim, model designation in satin black on rear apron
 - Electrically folding exterior mirrors including courtesy lighting
 - Manually operated lightweight hood with electric locking function and two rear fins
 - Net-type wind deflector
 - Auto-deploying 718 Spyder specific rear wing
 - Front apron with large cooling intakes with grilles as well as spoiler lip with recessed "Spyder" logo in black and central air outlet
 - Side air intakes in black
 - Two dynamic streamliners on aluminium rear lid

Lights and vision

- LED auxiliary light units tinted in front apron with position lights, direction indicators as well as side indicators
 - LED taillights tinted with integrated 4-point brake lights and reversing lights
 - Automatic headlight activation including 'Welcome Home' lighting
 - LED reading lights, orientation lighting and ignition lock illumination. Additionally luggage compartment and glove compartment lighting
 - Electrically adjustable and heatable exterior mirrors on door waist rails, aspherical on driver's side
 - Windscreen wiper system with aero wiper blades and washer jets
 - Tinted Bi-Xenon main headlights including Porsche Dynamic Light System (PDLS)
 - Light design package

Air conditioning and glazing

- Air conditioning system with incl. carbon filter
 - Adjustable fan with air recirculation and defroster function
 - Green-tinted heat-insulating glass
 - Power windows with one-touch operation and door-seal protection
 - Two-zone automatic climate control

Seats

- Sports seats Plus (two-way, electric) with elevated side bolsters, electric backrest adjustment and manual height/fore/aft adjustment on driver and passenger side. Backrest shells with Silver Grey paint finish
 - Seat centres in Alcantara®, side bolsters and headrests in leather. Headrests embroidered with 'Spyder' logo in black

Safety and security

- Full-size airbags for driver and passenger
 - Porsche Side Impact Protection (POSIP), comprising side impact protection elements in the doors, thorax airbag integrated into the side bolster of each front seat and head airbag for driver and passenger in each door panel
 - Remote central locking with engine immobiliser
 - Alarm system
 - German First Aid Kit
 - Fixed roll-over bar

Assistance systems

- ParkAssist (rear) with reversing camera
 - Cruise control

PORSCHE

Instruments

- Instrument cluster with central rev counter and high-resolution 4.6-inch colour display
 - Digital displays for vehicle speed, chosen gear, odometer, trip meter and time
 - Instrument dials and rev counter in black with white indices, scales and 'Spyder' logo

Interior

- Sports-look pedals and footrest
 - 12-volt sockets in passenger footwell and in centre console storage compartment
 - Floor mats
 - Automatically dimming interior and exterior mirrors with integrated rain sensor
 - Smoking package
 - 718 Spyder interior in black. In black leather: seat bolsters, headrests, steering wheel airbag module, door panel armrest side sections and centre console main storage compartment lid side sections.
