Facilitates use of a Battery Optimiser when used in conjunction with an auxiliary power socket.

A9930011

OUR WORK EXTENDS FAR BEYOND THE FACTORY GATES.

We're proud of the bikes we build. We're proud of the materials we use and the people who turn our ideas into reality.

It's simple. If it doesn't meet our exacting standards we won't put our name to it. We test every component in every condition. Every single accessory goes through a rigorous assessment programme to simulate the very worst you can throw at it, and then some more. Hot or cold, rain or shine, one-up or two, we go to the limit to give you the best.

Our confidence provides you with a 24 month unlimited mileage warranty on Accessories. If you want the best for your bike, you want Triumph Accessories.

Alongside the knowledge that we give you a two-year unlimited mileage warranty on your new Triumph you know that with us you are getting more than just a motorcycle.

INCLUDED AS STANDARD

The photography within this brochure shows Triumph motorcycles being used by expert professional riders in protective gear under professionally controlled, closed course conditions. Triumph does not endorse or encourage stunts, tricks or any form of irresponsible riding. At Triumph, we want every ride to be safe and enjoyable. Always ride safely, defensively and within the limits of the law. Always ride appropriately for road conditions. Always ride within your ability. Take a riding skills course. Always wear an approved helmet, eye protection and appropriate protective clothing. Always insist that all passengers do the same. Never ride whilst under the influence of alcohol or drugs. Study your owners' manual and inspect your Triumph motorcycle before riding. Seat heights are measured without a rider seated on the bike. *Silencers: Unless otherwise stated, Triumph accessory silencers do not conform to on-road noise or emissions standards in countries where such standards apply. Use on-road may therefore violate the law. These products are designed for closed circuit competition use only. Triumph accessory silencers will require a specific tune download. Specification may vary by market. Some accessories are prohibited by local law. As a motorcycle owner/rider, it is your responsibility to know of and comply with all local laws. If you have any doubt, contact your local authorities. All details correct at time of going to press. Triumph Motorcycles Limited reserve the right to make changes without prior notice.
