

**MORE MUSCLE.
MORE HEART.**

THE NEW
ISUZU
MU-X
ALL MUSCLE. ALL HEART.

MORE WAYS TO WIN.

Life is an adventurous drive - exciting, exhilarating but demanding and exacting at the same time. You need the capability to exceed all expectations, meet all challenges and yet deliver with panache. And when you go out on this journey, you need an all-rounder by your side - like the new ISUZU mu-X.

A supremely capable SUV, built tough with the muscle to match the most grueling environment, and yet with the most generous heart - a sanctuary for you and your family. A versatile machine, with a contemporary design inspired by the grace, grandeur and majesty of the eagle. Are you ready to experience the thrilling blend of muscle and heart?

THE NEW
ISUZU
MU-X
ALL MUSCLE. ALL HEART.

MORE WAYS TO SOAR.

The eagle is a true embodiment of freedom and ascendancy, soaring high above the sky with a majestic presence that inspires awe and admiration. The new mu-X takes design cues from the powerful and dominating eagle that adds to its commanding presence on the road, and off the road. The Front Grille and Headlamps, with their sharp lines create an aura of an all-penetrating vision. The Bi-LED Auto-levelling Projector Headlamps with LED DRL and a Guide Strip projects a powerful white light with long range to keep you focused on what's ahead. The newly crafted diamond cut Alloy Wheels, Shark-fin Antenna, LED Rear Position Lamps and crisp lines that flow from the front to the rear showcase a muscular yet aerodynamic machine.

DOMINATE WITH MORE.

The engine in the new mu-X builds upon the legacy and learnings of the last 100 years of ISUZU; an efficient powertrain that creates a go anywhere, capability.

The 3.0 litre Ddi VGS Turbo Hi-Power engine offers 177 PS of power with a flat torque curve that gives the mu-X a progressive performance and total control for you on the highways. Its advanced anti-friction induction hardened cylinder bores, heavy-duty steel timing chain and graphite coated pistons all work in tandem to create a highly durable and reliable engine that delivers on all your expectations. Now dominate any kind of terrain, anywhere.

MORE METTLE FOR YOUR PASSIONS.

Wherever your passions may take you, the mu-X is engineered to drive you there. Thanks to the 'Shift-on-the-fly' 4x4 select dial with low and high range, the transition from street to off-road driving is seamless, making you an unstoppable force. With excellent ground clearance and superior approach, departure and breakover angles, the mu-X has the capability to confidently get you in and out of just about anywhere. It is also equipped with a double-wishbone front suspension, a heavy duty gearbox and a wide track with a long wheel base for extra stability, and front steel underbody plate for protection, so that you have more than enough muscle to take on even the most challenging terrains.

6 AIRBAGS

Driver, front passenger, front side and full length curtain

MORE STURDY. MORE PROTECTED.

Confidently challenge any condition because the new mu-X is more than prepared to protect you. The high tensile steel body with tailor-welded blanks and crumple zones with anti-intrusion bars create a protective cocoon for your family. To give you a more controlled drive, the new mu-X comes with Hill-Start Assist (HSA) and Hill-Descent Control (HDC) both, to keep you sure-footed on every adventure. It packs an array of active safety features like Electronic Stability Control (ESC), Traction Control System (TCS), 4-Channel 4-Sensor Anti-Lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD). On the other hand, front seat belts with pre-tensioners and load limiters, and 3 ISOFIX child seat anchorages make for a comprehensive passive safety system. And for adverse scenario a 6-Airbag system ensures protection for your family.

MORE SPACE FOR MEMORIES.

It's a crowd-pleaser outside but on the inside, it's a family-pleaser through and through. The new mu-X is a spacious 7-seater with a supremely comfortable interior, now reimagined in a luxurious black. The new soft pad dashboard and trims add a touch of refinement and the ergonomics of the twin-cockpit design makes the controls easily accessible to the driver and the front passenger. While the Quilted Leather Seats, adjustable head-rests and other creature comforts keep you cozy inside, the penta-link rear suspension adds to the comfort on long drives. A unique feature of the mu-X is the spacious and comfortable 3rd row with an easy ingress and egress made possible by a quick one touch tumble 2nd row seat. The mu-X is not just luxurious on seating space but is also versatile with a range of storage spaces. All in all, the new mu-X feels as good as it drives.

AN UNSTOPPABLE ZEST

A true icon of Japanese automotive engineering, ISUZU is bolstered by a legacy that spans over a hundred years. With operations in 25 countries, it is a true global brand that is coveted in over 100 countries worldwide. Manufactured with the promise of 'engineered for life', today the ISUZU name is synonymous with reliability, durability and long lasting vehicles. Renowned for their fuel efficiency, ISUZU vehicles are also powerful and adventurous to the core. Staying true to this philosophy, ISUZU has grown into a brand that is adored not just by adventure seekers but also by those who believe in superior automotive engineering and unmatched style in their vehicles.

The new ISUZU mu-X too embodies this promise and offers you something that no other vehicle can offer; the freedom to go on any adventure you choose while also giving your family the best in safety and comfort. So, no matter what your passions and pursuits are, with **ISUZU** you **NEVER STOP**.

SPECIFICATIONS & FEATURES

SPECIFICATIONS	
ENGINE	
Type	ISUZU Ddi VGS Turbo Hi-Power
Description	3.0 litre turbo diesel, in-line 4-cylinder, DOHC, 16-valve
Displacement	2999 cc
Max. Power	130 kW (177 PS) @ 3600 rpm
Max. Torque	380 Nm @ 1800-2800 rpm
Bore x stroke	95.4 mm x 104.9 mm
Compression ratio	17.5 : 1
Cylinder head	ISUZU-patent special aluminium alloy with double-walled water jacketing
Cylinder block	Cast iron upper with advanced anti-friction induction-hardened cylinder bores, cast alloy lower
Valve train	Heavy-duty steel chain-driven dual overhead camshafts (DOHC), roller rockers, 4 valves per cylinder
Fuel injection	Electronic high pressure common-rail diesel-direct injection (Ddi)
Air induction	Intercooled Variable Geometry System (VGS) turbo charger with Variable Swirl System (VSS)
Pistons	Special graphite coated pistons with heat-resistant integrated ring carrier (top ring) & nickel composite piston rings
Emission level	Bharat Stage 4
TRANSMISSION	
Type	Automatic with Sequential Shift & Brake Shift Lock Electronically controlled with Adaptive Grade Logic & fuel-saving Lockup Torque Converter → Adaptive Grade Logic Control: holds gear in varied-gradient ascents, selects gear on steep descents to hold speed with engine braking → Uphill & Downhill Drive Control (transmission based)

4x4 system	"Terrain Command" control with 'shift-on-the-fly' 2-high ↔ 4-high selection at up to 100kmph
Drivetrain system	Electronic Stability Control (ESC) & Traction Control System (TCS)
CHASSIS	
Frame	Separate, full-length heavy-duty ladder construction chassis
Front suspension	Independent, Double wishbone, coil springs, gas shock absorbers, stabiliser bar
Rear suspension	Penta-link coil suspension, gas shock absorbers, stabiliser bar
AXLES	
Front	Independent 4x4: fully floating with outer CV & inner double offset joints
Rear	Rigid semi-floating banjo with hypoid final drive
STEERING	
Type	Speed-sensitive variable capacity power-assisted rack & pinion system
Adjustment	Tilt-adjustable steering wheel
BRAKES	
Type	Power-assisted via 10.5 inch servo unit 4-Channel 4-Sensor Anti-Lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD) & Emergency Brake Assist (EBA)
Front	300 mm dia ventilated front disc with twin-pot calipers
Rear	318 mm dia ventilated rear disc
WHEELS	
Rim	18 x 7J-33, Diamond-cut Alloy
Tyre	255 / 60 R18
Full-size alloy spare wheel	
CAPACITY	
Seating	7 persons
Fuel Tank	65L capacity High Density Polyethylene (HDPE) tank

UTILITY SPACE		
2 nd & 3 rd row folded flat	1830 L	
3 rd row folded flat	878 L	
Behind 3 rd row	235 L	
PERFORMANCE		
Min. Turning Radius	5.8 m	
Max. Gradeability	4x2 mode	25°
	4x4 mode	30°

FEATURES

SAFETY & SECURITY

4-Channel 4-Sensor Anti-Lock Brake System (ABS) with Electronic Brakeforce Distribution (EBD)
Emergency Brake Assist (EBA)
300 mm Front Ventilated Disc Brakes with Twin-pot Calipers
318 mm Rear Ventilated Disc Brakes
Electronic Stability Control (ESC)
Traction Control System (TCS)
Hill Start Assist (HSA)
Hill Descent Control (HDC)
6 Airbags : Driver, front passenger, front side and full length curtain
Pre-tensioners with load limiters for front seat belts
3-point retractable seat belts for all seating positions
Emergency locking retractor (ELR) for all seat belts
3 ISOFIX childseat anchorage for 2 nd row seats
Automatic door lock release on airbag deployment
High tensile steel body construction with tailor-welded blanks
Anti-intrusion bars inside side doors
Child-proof rear door locks
Rear parking assist camera
Engine immobilizer
Anti-theft alarm system
Driver & passenger seat belt warning
Audible & visual headlight-ON & parking light-ON warning

Rear window demister with timer
High Density Polyethylene (HDPE) fuel tank
Centre high mount LED stop lamp
Collapsible steering column

PROTECTION

Under-front steel plate skid/splash shield
Steel plate sump guards
Steel plate transfer protector [#]
Steel plate on leading edge of fuel tank
Fuel tank fire protector
