Dear Mr Verma,

28

Greetings From Audi Mumbai South.

We thank you for your patience, whilst awaiting the results of the fuel test reports.

However we regret to inform as indicative in the report, there has been a high content of water/ and contamination.

This leaves ascertain on the reason for the current reported concern of your vehicle at our workshop facility.

Bearing the similar occurrence previously at our facility during the month of Dec 2013, wherein due consideration was given and an acknowledgement was made to absorb the total cost of 1,49,015/-, thence Mr Verma we urge your understanding and seek your consent to kindly accord the approval for the attached estimate to have your vehicle road worthy.

Thanking you for your cooperation.....

Against an estimate
given to me of INR 4 lacs.

Warm regards,

Sachin Kambli

End of Analytical Results

[] - Out of Specification

This report relates specifically to the sample tested as received. All tests have been performed using the latest revision of the methods indicated, unless specifically marked otherwise on the report. The latest available issue of the test methods in our possession has been used. Precision parameters apply in the determination of the above results. Users of the data shown on this report should refer to the latest published revisions of ASTM D-3244; IP 367; ISO 4259 and Appendix E of IP Standard Methods for Analysis and Testing when utilising the test data to determine conformance with any specification or process requirement. This report shall not be reproduced except in full, without the written approval of the laboratory.
