BLACK TWIN TONE HORN SET

Originally used in leading German luxury cars, the HELLA Black Twin Tone trumpet horn offers a stylish clean-line design.

- Full harmonious tone
- Water drainage for enhanced protection against water spray
- Compact design
- Corrosion resistant

A man and a woman are smiling and looking towards the camera while sitting in a blue off-road vehicle. The man is in the driver's seat, wearing a black tank top and a black headband. The woman is in the passenger seat, wearing a light green tank top. The background shows a desert landscape with red soil and sparse vegetation under a clear blue sky.

With specialised expertise in developing heavy-duty horns, our horns meet the stringent demands for both off-road rides and commercial vehicles. Turn heads with the brightly-coloured horn grilles.

**BEST IN
CLASS RANGE**

Ultimate performance combining power, durability and style

SHARP TONE HORN SET

The HELLA Sharp Tone disc horn has a focused and penetrating tone that cuts through traffic.

- Sharp penetrating tone
- Robust premium look with distinctive yellow grille
- Ideal for rugged off-road usage
- Corrosion and water-spray resistant

SUPER TONE HORN SET

The HELLA Super Tone disc horn has a focused and high-penetrating power tone for drivers who want to be heard.

- Traffic blaster
- Robust premium look with distinctive red grille
- Ideal for rugged off-road use
- Corrosion and water-spray resistant

Choose from a wide selection of HELLA horns, each offers a different tone to suit your needs. This ranges from the harmonious tone of the trumpet horns, to the powerful blast of the super tone horns, to the rich tone of the disc horns.
