

GRAND
VITARA

The Vitara lineage

Distinctively styled, the third generation Grand Vitara takes three decades of Suzuki SUV heritage to the next level. The Vitara model first hit the roads in Japan in 1988 as a 3-door part-time four wheel drive. In its second avatar, the Vitara came armed with a stylish design, superior engineering and a new name, the Grand Vitara.

In its current completely redesigned and re-engineered form, the all new Grand Vitara continues to excite millions across the world, bagging multiple awards and accolades. It is the very same internationally acclaimed model that is now available in India.

**GRAND
VITARA**

Play it your way

Cruise along city streets or raise a cloud of dust in the wilderness. The all new Grand Vitara reigns supreme, negotiating the city maze and inhospitable terrains with equal ease. While the commanding exteriors mirror the power you exude, the upscale interiors reflect the opulence you appreciate. The all new Grand Vitara. Get ready to play.

Play with style

Styled with panache to make heads turn in the city and yet rock solid to create an impact in the wild. The all new Grand Vitara's imposing stance with large, flared wheel arches and a high ground stance make it stand tall. But what stands out among all this solidity is an understated elegance in design.

GRAND VITARA

- Spooky, flared wheel arches • Integrated rear spoiler • Clear lens, dual beam projector headlamps
- Bumper integrated fog lamps • Large, vertically stacked tail lamps

• Suzuki J series DOHC engine featuring VIS (Variable Induction System), DIS (Direct Ignition System), 'Drive by Wire' and 'Chain Drive Timing' technology • Choice of 5 speed manual (5 Forward+1 Reverse) and 4 speed automatic (4F+1R) transmissions • 170 Nm @ 3500 rpm torque • Independent front and rear suspensions for better ride and handling

VIS
VARIABLE INDUCTION SYSTEM

Play with performance

Silky smooth tarmac or inhospitable terrains. The all new Grand Vitara is designed to make every drive enjoyable. Take it to a board meeting. Test it on a highway. The ever responsive engine is always game.

- Switch between four modes at the turn of a knob
- Lockable central differential • Traction enhancer drive
- Low turning radius of 5.5 m

Play with control

Cross a river. Take a sharp turn.

Let others crib about slippery roads.

Switch between four levels of control

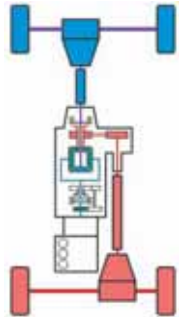

at the turn of a knob. The all new

Grand Vitara's all time four mode 4x4

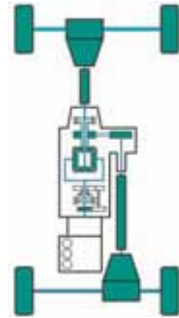

drive makes commanding the roads

a cakewalk.

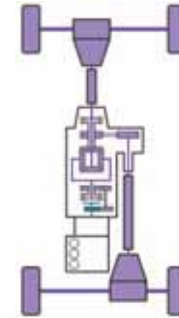

Take on any terrain with all time four mode 4x4

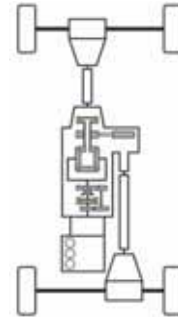

4 High: Central differential on. Power is sent to all wheels, all the time. Switch to this mode for normal driving.

4 High Lock: Central differential locked. Power sent to front and rear wheels equally. Switch to this mode for medium off roading.

4 Low Lock: Central differential locked. Power sent to front and rear wheels equally but after increasing the torque using a 'traction enhancer'. Switch to this mode when stuck in mud, sand or snow.

Neutral: Central differential unlocked. No power is sent to any wheel. Switch to this mode in the rare event of your vehicle being towed.

- Foldable 60:40 split seats
- Centre armrest for front and rear seats
- Over a dozen storage spaces for your convenience

Play with luxury

Whether you're in it for a short ride or buckled up for a long haul, the all new Grand Vitara's dark rich interiors envelop you in unparalleled luxury. Just sink in the plush seats which offer full lumbar support. The fully automatic climate control mechanism makes sure that you arrive as fresh as morning dew.

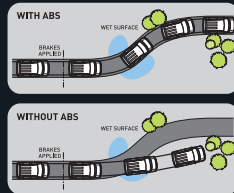

- Tilt adjustable power steering
- Real time fuel consumption/ambient temperature display
- In-dash CD system with steering mounted audio & AVC (Automatic Volume Control)

- Excellent all round visibility
- Dual front airbags
- Head impact protection structure
- 'Sure Stop Braking System' combines ABS+EBD & Brake Assist
- Specially designed monocoque body with 'built in ladder frame' for enhanced rigidity

SSBS
SURE STOP BRAKING SYSTEM

Play with your senses

Commercial pilots have jets. For the rest, there's the all new Grand Vitara's gizmo loaded cockpit. The silver accented cascading instrument panel is well set with a host of features that help you enjoy your drive like never before.

Play it safe

Christened the 'Suzuki Total Safety', the all new Grand Vitara comes fully loaded with active and passive safety measures. So that you enjoy your drive with complete peace of mind.

Play with choices

Nine stunning shades. Incomparable performance. Unmatched luxury. Simply put, everyone loves the all new Grand Vitara for a whole new reason. No wonder, awards, accolades and appreciations just keep pouring in.
