

PRESENTING THE ALL NEW SUMO  
**GRANDEMKII**  
More than meets the eye

There are some things in the world that are far more than what they seem. They have secrets that only reveal themselves as you get closer. Like the all new Grande MK II. A vehicle that first impressions can never do justice to. Designed like a mean machine, with all the comforts a family car, the new Grande MK II is a whole lot more than meets the eye.

NEW CHROME LINED GRILL

STYLISH ORVMS

CHROME INSERTED SIDE RUB RAILS

## TRAFFIC STOPPER

The new Grande MK II has been designed to make heads turn. From its macho stance to its rugged good looks, each and every styling detail has helped to create a truly unforgettable look. A new chrome lined front grill, chrome inserted side rub rails, sporty steel wheel rims and blinkers on ORVMs accentuate the stylish exteriors. Then there's the large clear lens headlamps, cutaway air dam in the front, spare wheel tucked under the floor and the attractive tail lights that give it an intimidating street presence.

## INNER PLEASURES

Once you get past its stylish exteriors, you'll realize that this is one vehicle that's full of every creature comfort you could possibly imagine. Dual tone (barley beige and dark graphite) interiors, soft feel seat fabric, height adjustable driver's seat, electrically operated outer mirrors, theatre dimming roof lights and a follow-me-home to light your path. It's even equipped with a new design 380-dia steering wheel with floating horns and silver finish inner door handles for that extra touch of class.

ALPINE CD/MP3 PLAYER WITH  
6 SPEAKERS & AN IPOD PORT

DUAL AC WITH CONCEALED DUCTS  
& ROOF INTEGRATED LOUVRES

iPOD is a registered trademark of Apple Computers

## BEST IN CLASS SEATING

The new Grande MK II has the kind of seating that's designed for long journeys. You get maximum leg room, shoulder and head room along with thigh and lower back support at every angle. There's brand new upholstery that's as stylish as the vehicle itself. There's even the 7, 8\* and 9 seater option that's available in side facing and forward facing seats.

\*8 seater only available in forward facing seats.

### NEW SOFT FEEL FABRIC SEATS

Available in GX only

### NEW BEIGE FABRIC SEATS

Available in EX only

## SMALL TURNING CIRCLE RADIUS

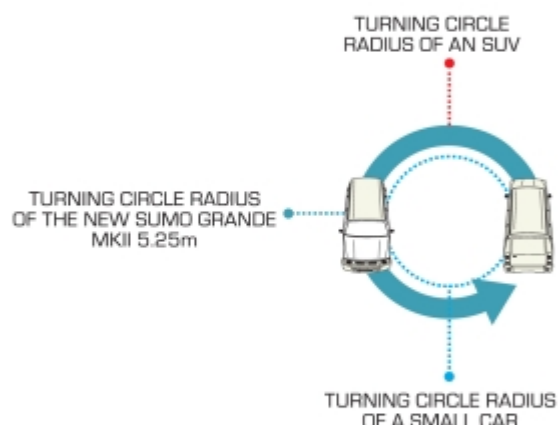

The new Grande MK II is a spacious vehicle when you're inside but a small one when you take a turn. All thanks to its small car like turning circle radius of 5.25 m.

## A FORTRESS ON WHEELS

One of the best things about the new Grande MK II is how much it protects you. There's superior braking, tubeless tyres, side impact bars, a collapsible steering column, a door ajar lamp, a 'door open', 'seat belt open' warning and an engine immobiliser. The optimised suspension offers minimum roll while cornering, so your drive is safer. There's even an anti key trap lock that prevents the door from locking when no one is inside the car.

## WARRANTY

The new Grande MK II comes with a warranty that protects it for 2 years or 75,000 kms. And with the extended warranty option, you can have protection for 4 years or 150,000 kms. Whichever is earlier.

## ENHANCEMENTS

If you think you've seen all that there is to the new Grande MK II, think again. The host of accessories will make you see that the vehicle is truly more than meets the eye.

ALLOY WHEELS

FRONT NUDGE GUARD

ROOF CARRIER

BODY KIT

REVERSE PARKING AID

CAR REFRIGERATOR

DOOR VISOR

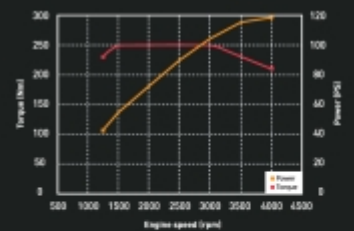

## REFINED BEAST

One of the things you're most likely to feel when you drive the new Grande MK II is power. Under the hood is a 2.2 L Direct Injection Common Rail Engine (DICOR) that's fitted with a variable geometry turbo charger, to deliver 120 PS of power and 250 Nm of torque. It's enough to make anyone feel like the king of the road.

## A HEAVENLY DRIVE

Power like that doesn't just improve your mood. It also improves your drive. The optimised gear ratio ensures better torque at low speeds, so driving in the city is always a pleasure.
