# Elegance Beyond Description

Outside, the Camry sports a dynamic new look, appointed with striking new design cues from head to toe, including two stunning new colours.

A bold new front grille in chrome commands attention and adds a touch of class.

Futuristic multi-reflector headlamps provide clear vision and give a bold look to the Camry.

Stylish chrome-rimmed fog lamps offer inch-perfect judgment, even in the most severe weather conditions.

Efficient LED turn signals mounted on the side rear-view mirrors make the new Camry more eye-catching on the road.

The imposing front bumper sports edgy new curves that give the car an enhanced appeal.

# Indulgence Beyond Compare

Inside, an array of tasteful luxuries await you. Wrapped in layers of comfort you'd love to sink into, the Camry's interiors hold a world of indulgence waiting to be discovered.

# CAMRY

A smart Optitron meter in the front panel displays important driving information, like average speed, fuel economy and cruising range, with impeccable clarity.

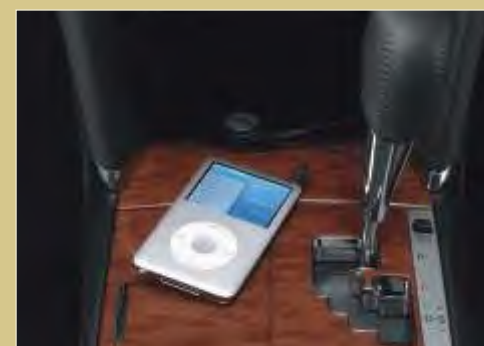

In the new Camry, the audio, Multi Information Display and AC controls come integrated on the stylish steering wheel - another luxury hard to find in other sedans.

An 8-way power driver seat with lumbar support keeps you firmly settled in comfort, while a 4-way power seat for the front passenger offers relaxing journeys.

The space inside the Camry has been appointed intelligently, to store mobile phones, mp3 players, CDs, cups, sunglasses, etc., with great ease.

A newly introduced aux-in for mp3 players enables leisurely entertainment during your trips.

Thanks to the 60/40 split seats in the rear, it's an absolute breeze to accommodate any amount or variety of luggage in the Camry.

AC vents are provided in the rear\* as well, to keep passengers cool and refreshed.

# Performance Beyond Imagination

On the road, the Camry is a dream to drive. A powerful yet sensible engine comes together with silky-smooth Cruise Control, to let you glide through highways and high-streets alike.

The three-dimensional design of the classy new 10-spoke alloy wheels infuses an inimitable air of distinction into the Camry.

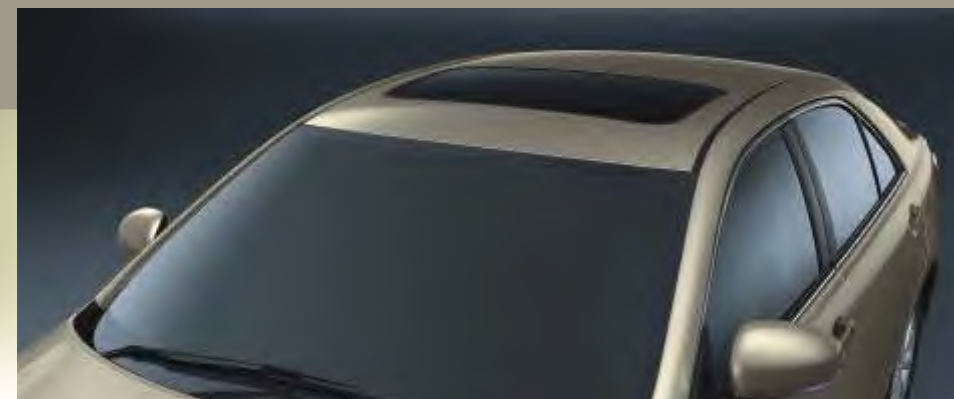

The solid 2.4L VVT-i engine delivers a staggering 167 PS (123 kW), while being economical and eco-responsible as well.

To ensure you enjoy your drives thoroughly and effortlessly, the Camry also comes with the Cruise Control\* function.

# CAMRY

Summon a picturesque view of a bright sunny sky, or the soothing calm of a moonlit night. The Camry's new moonroof is made for unforgettable moments.

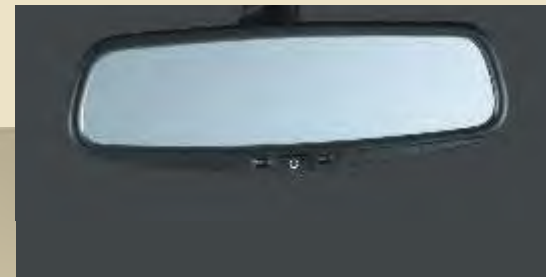

Intelligent wipers come into play automatically, when they sense raindrops on the windshield of the Camry.

# Reassurance Beyond Words

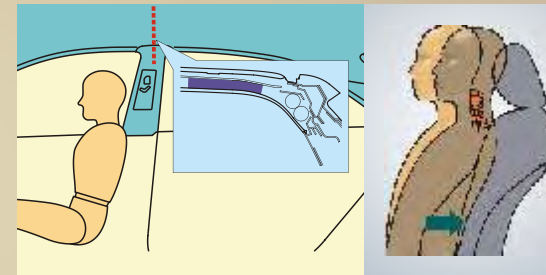

World-tested safety standards find their rightful place in the Camry. A series of foolproof security features keeps you cocooned in a safe haven whenever you hit the road.

An electro-chromatic inner rear-view mirror detects ambient and bright light, and eliminates blinding glares from vehicles behind, keeping you secure and in control.

The Camry's solid impact absorption framework has been tested to withstand collision on all sides, and protects both car and passengers.

Whiplash Injury Lessening seats protect head and upper back together, minimising rear collision injuries.

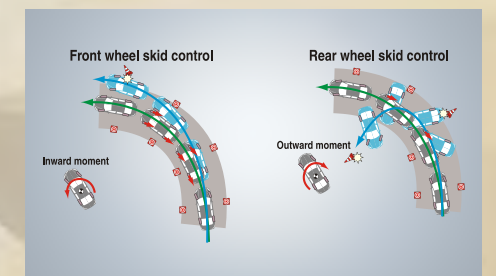

The cabin's energy absorbing material cushions the head, keeping you safe at all times.

The Camry's 6 SRS airbags include driver, front passenger, side and curtain, ensuring complete safety wherever you go.

High Intensity Discharge headlamps light up every road seamlessly, and also feature a retractable cleaner ensuring crystal-clear visibility.

Take the wheel of a Camry, and you'll be taking control of the street. Its Vehicle Stability Control® regulates the engine output and braking power, preventing the car from skidding.
