### Powerful performance

Engine: Powered by the refined responsive 2.0 liter petrol engine with advanced ECI Multi (Electronically Controlled Multi-point Fuel Injection). 5-speed manual gear box with optimized gear ratios and synchronizers offers complete control and provides superior shift feel.

Higher ground clearance, stiff chassis and superior, well-weighted suspension that's ideal for Indian road conditions.

Rally proven suspension system, with front McPherson struts and a rear multi-link system, offers additional stability and control especially when accelerating into corners.

Easy maneuverability with minimum turning radius of 4.9m that's ideal for getting out of tight spots or squeezing into one.

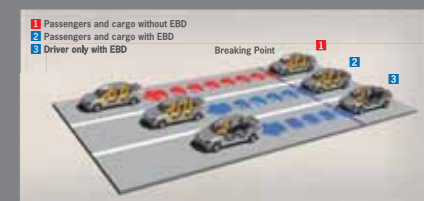

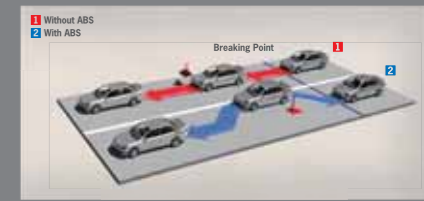

### Safety

RISE body: The Reinforced Impact Safety Evolution (RISE) body protects the car occupants with each feature offering in-built safety.

The front and rear crumple zones absorb impact and diffuse damage. Reinforced cabin and doors redirect impact energy away from the car occupants.

Dual Airbags and 3-point Emergency Locking Retractor seat belts ensure that your passengers and you don't ever have to worry about safety.

ABS with EBD system works with the ventilated front and rear disc brakes to make sure that you not only come to a smooth halt but do so safely too.

## Winning rally heritage

Behind every Mitsubishi Cedia Sports is the legendary rally heritage of the Mitsubishi name synonymous with winning in rallies across the world. WRC and FIA circuits have been witness to 34 trail blazing victories.

With the Cedia Sports boasting of the pedigree of Evo 9, a powerhouse on whose lines the car has been built, winning is second nature.

Mitsubishi has dominated rally events like the Dakar and various World Rally Championships. Closer home in India, Mitsubishi has made its mark at premium rally championships including K100, Bangalore, WIAA Rally de Goa, Heera Rally, Cochin and Coffee Day Rally, Chikmagalur, to name a few.
