DATE	14.01.2012
PAGE	01 of 01

SUBJECT: Change of Engine oil grade and periodicity

MODEL: AZI413-D(New Swift-D)

This bulletin is to inform about the change of Engine oil grade in New Swift-D(AZI-413D)vehicles and discontinuation of the engine oil change during 1st free service at **1,000 kms**.

A) MODIFICATION IN PERIODICITY AND GRADE: 1ST replacement of engine oil

- Engine oil grade used earlier in New Swift-D(AZI-413D) was **15W40** which has now been changed to **5W40** starting from chassis no **MA3FHEB1S00179480**
- Engine oil change which was part of 1st free service at 1,000 kms is not required for New Swift-D(AZI-413D) vehicles starting from chassis no **MA3FHEB1S00179480**
- If, few New Swift-D vehicles before the above mentioned cutoff VIN No report to workshop for first free service, replacement of Engine oil should be done at 1000kms(1st free service).

B) MODIFICATION IN PERIODICITY AND GRADE: Subsequent periodic replacement of engine oil

- For new Swift-D vehicles 5W40 engine oil is to be used in subsequent services (Replacement Periodicity at 10,000 Kms).
- For topping up of engine oil, the oils of different grades should not be mixed.

C) CUT OFF VIN NO:

New Swift Vehicle (AZI 413-D)	MA3FHEB1S00179480
