Dear Sir/ Madam,

I feel very disheartened to be again writing to you regarding the Drive Shaft Issue that I have been facing with my Toyota Etios having Registration # WB-02-AF-5850 registered in the name of my father Mr. Prabhat Kumar Jalan.

Reference :**Complaint # TCM0715143915 dated 01.07.2015 &****Complaint # TCM0715160416 dated 22.07.2015.**

Being a member of TEAM-BHP (the Indian Automotive Car Community) I have updated the proceedings of these complaints in my ownership review of my Toyota Etios; the link as under :

<http://www.team-bhp.com/forum/test-drives-initial-ownership-reports/162689-toyota-etios-diesel-ownership-review-12-months-13-500-kms-4.html>

Kindly go through my Post # 49,50,51 & 54 (on Page4) of the same for your ready reference in order to understand how your customers are being handled. It is an extreme sorry state of affairs.

I shall eagerly await your feedback.

Thanks & Regards,
