

GENUINE MINI KIT
THE NEW MINI 3-DOOR
AND 5-DOOR HATCH.

100% GENUINE 100% UNIQUE.

With the New MINI 3-door and 5-door Hatch there is so much more you can do than just pick the paint colour. The beauty of MINI means, no matter what your model of choice, you can make it almost as individual as you are. So from high-quality alloy wheels, unique exterior detailing to our iconic roof decals – the fun really starts here.

MINI NEVER STANDS STILL.

MINI India reserves the right to introduce improvements or modifications to specifications or cost. A visit to your MINI Dealer is the best way to keep up-to-date.

Prices exclude fitting and painting, where required.

STYLE AND FLAIR. VIVID GREEN MINI KIT.

A design with pure, bold colours, projecting a young and effervescent character. Above all, its vibrant design emphasises the uniqueness of MINI.

STYLE AND FLAIR. SPEEDWELL BLUE MINI KIT.

Lend your MINI an inimitable character – your own. With MINI KIT you can fully express your personality. Take the new Speedwell Blue accessories for example, which are resolutely British in style and a nod towards MINI's heritage.

**KEEP IT WILD.
MINI JOHN COOPER WORKS TUNING.**

JOHN COOPER WORKS PRO MINI KIT.

Nothing can compete with a MINI and John Cooper Works Tuning. Our comprehensive aerodynamic package blows pretty much everything away – even the oncoming wind.

The components exude a sense of confidence and poise, starting with the front apron with Black ventilation grille, which underlines the vehicle's power. The side skirts in body colour form a muscular line stretching to the rear of the MINI, where a rear apron with Black fins completes the package. An optional rear spoiler ensures the vehicle's raw power stays where it belongs – on the road.

Want to take things to the next level? Our range of light-alloy wheels are guaranteed to turn heads. The John Cooper Works Pro rear-view and exterior mirror housings will catch the eye too. Looking for even more? Then look no further than the bonnet stripes, JCW Pro Side Stripe in Jet Black or Chili Red, or the sporty JCW Pro Flag Side Stripe – translucent in design to compliment all exterior paint finishes. And if that's still not enough, add the John Cooper Works Pro air intake trim in Carbon, and you've got a drive worthy of the racetrack. Ladies and gentlemen, start your engines.

GET AROUND.

KEEP ON ROLLING: RUNFLAT TYRES.

Price available on request from
your local retailer.

How can you keep driving after a puncture without changing the wheel? Easy. With runflat technology. The sidewalls of the tyres are specially reinforced and made of an extremely

heat-resistant rubber compound. Together with humps on the rim, this prevents the tyre from detaching after a complete loss of pressure, even when cornering. As a result, there is no need to change the wheel. Depending on the load you are carrying, you can keep going at speeds of up to 50 mph for a further 50 miles.

A STAR PERFORMER.

Whenever you purchase new tyres, look out for the five-pointed star of the Genuine MINI range. Positioned on the sidewall, this indicates the product has been put through its paces by MINI in conjunction with

leading tyre manufacturers. These tests guarantee that the tyre meets all key safety, responsiveness and comfort requirements, and have been put together with your MINI in mind. For more information on wheel/tyre combinations and winter complete wheels, please see the product overview at the back of this catalogue, or the Accessories area of the MINI website.

NEW LED ADDITIONAL HEADLIGHTS.

Switched on or off: the completely revamped LED additional headlights light the way with their design. They combine the classic MINI additional headlights familiar from rally sports with modern LED lighting technology, delivering impressive performance with their innovative ability. When switched off, the light source is initially invisible, and instead the most striking feature is a delicate spar sporting the striking MINI lettering. These additional headlights therefore match the sophisticated design of the MINI perfectly.

MINI MULTIFUNCTIONAL COVER

The MINI multifunctional cover can be used in a variety of ways, both inside and outside the car. The universal protective cover has two different sides, a fleece and water-repellent side. The softer fleece is soft to touch making it ideal as a picnic blanket or leisure blanket. The water-repellent side protects the interior from moisture and dirt, making it perfect for pets, seaside trips, and all other adventures in your MINI. Simple fastening loops ensure the multifunctional blanket stays in place whatever its use and slits allow seat belts to be used while the cover is in place. Dimensions: 111 x 176 cm

CHILD SEATS.

MINI baby and junior seats are soft and comfortable in everyday use, the integrated airpads provide additional protection in the event of side impact. ISOFIX technology makes the seat exceptionally safe because it eliminates the risk of the seat being incorrectly fitted in the vehicle. The covers are removable and washable at 30°C.

CHILD RESTRAINT SYSTEM WITH ISOFIX BASE

The new MINI Baby Seat Group 0+ and MINI Junior Seat Group 1 with ISOFIX are child seats with a systematic approach for babies and small children up to the age of around 3 and a half years. Both seats have integrated airpads (patented), which provide additional head protection in the event of a side-on collision. In everyday use, the airpads are soft and comfortable.

The customer can choose between the powerful fashion shade Vivid Green or the traditional Union Jack in a modern look. The MINI logo is printed on the outside of this high quality seat. Its position has been set so that it is clearly visible outside the car too.

CHILD RESTRAINT SYSTEM

The new MINI Junior Seat 2/3, with its inclination matching the car seat, has been designed especially for children weighing between 15 and 36 kg and measuring 95 – 150 cm tall, making it ideal for children between the ages of around 3 and 12 years. The seat is secured using the car's three-point seat belt. The seat can also be secured using the integrated connectors to the ISOFIX anchor points in the car to ensure greater stability. Both seats have integrated airpads (patented), which provide additional protection for the head in the event of a side-on collision. In everyday use, the airpads are soft and comfortable.

THERE IS AN EASIER WAY TO PROTECT YOUR MINI.

MINI Seal & Protect is a paint, interior and cloth upholstery protection system from MINI designed to keep your paint perfect, your cloth clean and your MINI looking mint.

With MINI Seal & Protect we'll give your car a showroom shine with MINI Hard Wax. This super-smart wax has more than one trick up its sleeve. Not only does it improve the water-repellence and surface resilience of your paintwork, but it also actively enhances it, meaning your beloved MINI will stay looking as good as new.

It doesn't stop there. The inside of your car gets just as much attention from the MINI Seal & Protect team. The MINI science bods have developed an impregnating agent that is applied to your cloth upholstery and carpets, protecting them against the damaging effects of moisture and keeping the inside of your MINI in top shape.

MINI CAR CARE PRODUCTS.

New MINI Care Products are offered in a stylish racing look. A well known design agency was involved in developing the new products. The containers in rally look feature start numbers as a stylistic element, and are a real eye-catcher. The 1960s and nostalgic racing chic were an important inspiration in the development of new MINI Care Products, and underline the emotional value of the MINI brand.

A matching MINI Car Care Display is available for presenting MINI Car Care Products in an optimum way.
