

HONDA
The Power of Dreams

CIVIC

Pure Exhilaration

Take excitement to a new high

HONDA

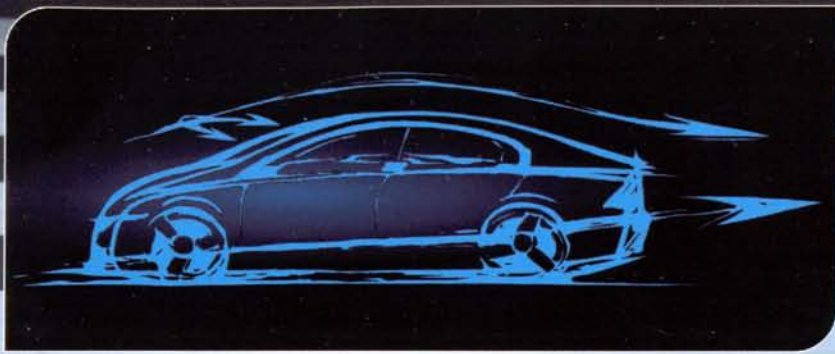

Introducing the Honda Civic 1.8V for an even more exhilarating experience. The feeling is new.

And the ecstasy enhanced. Just get inside the futuristic cockpit of the Civic and ascend with the thrill that would never touch down. New luxury features, advanced technology and ultra-modern style.

The Civic 1.8V has everything that promises to take excitement to a new high.

CIVIC

Aerodynamic Design

Futuristic Styling

Style gains a new definition. The Civic mesmerizes you with a new-age aerodynamic design that speaks volumes of its futuristic approach.

Discover a leap in sophistication with mono-form design that has been well complemented by long wheel base and wide stance. Turn heads with new features like Turn Indicator on Side Mirror and Front Fog Lamps.

Get ready for a new found excitement.

Turn Indicator on Side Mirror*

Sweeping Head-lights

Opposed Wipers

Front Fog Lamps*

Jet After-burn Tail-lights

15-inch Alloy Wheels

*Feature available in 1.8V

Spacious Rear Seats

Full Flat Floor

Chrome Door Trim*

Recessed Brake Lever

Height Adjustable Driver Seat

Auxiliary-In Jack for MP3 connectivity

Centre Console Box

Rear Armrest with Audio Control

Innovative Interiors

The ultimate luxury invites you to the Civic. Revel in the opulence of new plush leather interiors in a spacious cockpit. The MP3 Player plug-in connectivity allows you to take your music wherever you go. Feel the refinement as you get behind the three spoke steering wheel. Indeed, with such an overwhelming comfort, you would never wish to step out of the Civic.

*Feature available in 1.8V

1.8 i-VTEC

Max. Power 132 PS / 6,300 rpm

Max. Torque 17.5 Kg-m / 4,300 rpm

Advanced Technology

Feel the inescapable exhilaration as you turn on the ignition. Get swept by a powerful 1.8 litre i-VTEC engine that is designed to deliver 132 PS of refined power with superb fuel efficiency. Besides, Honda i-VTEC technology together with Drive-by-wire Throttle System ensure that the exhilaration stays on even after the drive is over.

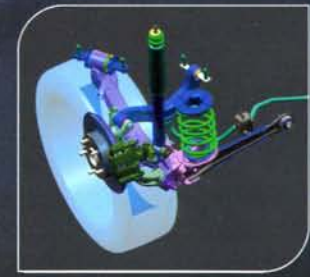

Discover sporty excitement with Honda F1 Racing inspired Paddle Shift Mechanism in the 5AT (Automatic Transmission) option. Change gears racing-style with fingertip controls on the left (-) and right (+) sides of the steering wheel.

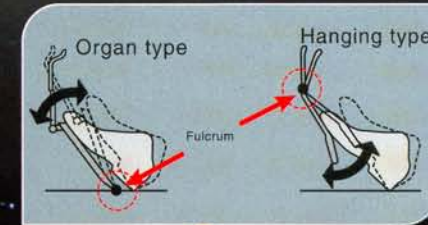

Manual Transmission

Front McPherson
Strut Design

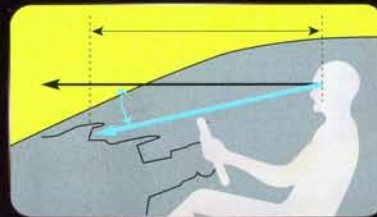

Double-wishbone
Rear Suspension

Organ Type Foot Paddle
minimizes effort

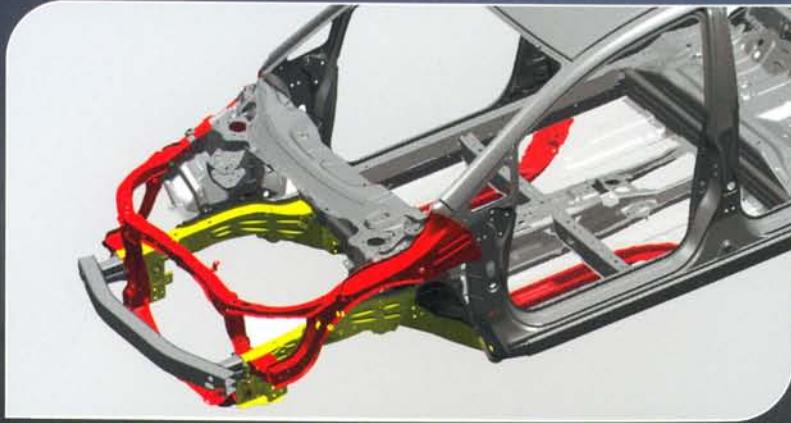

Multiplex Meter reduces eye movement

Sheer Driving Pleasure

Experience heightened pleasure on the go, with the unique 5-speed AT. Inspired by Honda F1 Racing, the Paddle Shift enables you to control the drive with your fingertips. Keep track of the functioning of the car with Multiplex Meter, without taking your eyes off the road. Rest assured, the much acclaimed Double-wishbone Rear Suspension and the McPherson Strut Suspension offer a stable ride even at high speeds. Go ahead, make your drive even more pleasurable.

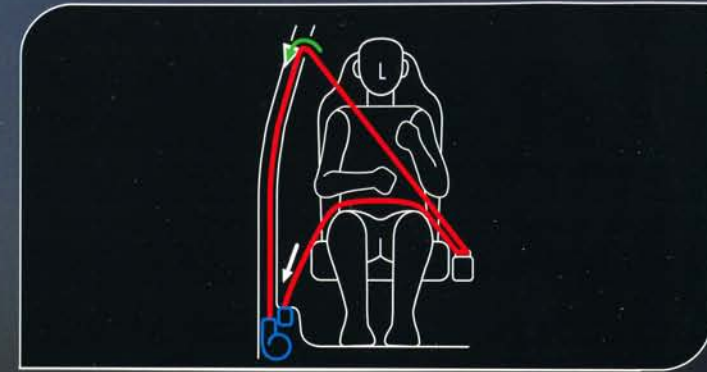

G-CON
G-FORCE CONTROL TECHNOLOGY

Impact absorbing structure is a result of the G-force Control (G-CON) safety standard.

Absolute Safety

Trust the Honda safety standards to let your exhilaration stay uninterrupted. The Civic comes equipped with G-CON Technology, an advanced passive shielding that offers the occupant a survival zone in case of an unavoidable collision. The advanced active safeguards such as ABS (Anti-lock Braking System) with EBD (Electronic Brake-force Distribution) work in synergy with BA (Brake Assist) that makes your drive safe in any given road condition.

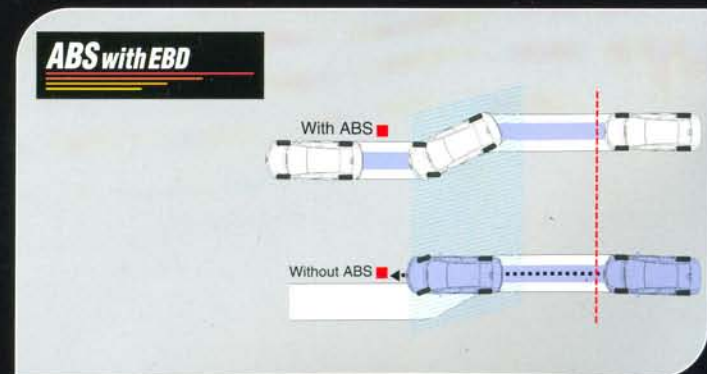

Honda also ensures safety with features like SRS Airbags, Pretensioner Seat Belts and Anti-theft Immobilizer. Simply, when it comes to safety, you can always depend on Honda.

Pretensioner Seat Belts

Dual SRS Airbags

ABS, EBD and Brake Assist
