VERRNA

Cutting-Edge Technology meets Fluidic Philosophy

Introducing the new Hyundai Verna - A car that redefines style, luxury and power. Following a fluidic sculpture design philosophy that seeks to create cars that are inspired by nature and are based on the natural rhythm of life, it harmoniously blends power with style.

With uninterrupted curves and a Coupe like sporty profile, the new Verna engages your senses with its very presence. Offering sleek good looks, advanced technology and groundbreaking safety features, this Sedan is a cut above the rest, and a revolution ahead.

An exterior that commands respect

The new Verna's bold lines and inimitable styling are a result of Hyundai's new Design Philosophy – Fluidic Sculpture. With its low-slung looks, coupe-like demeanour and aggressive styling, this is a sedan like no other.

Chrome Front Grille

The Hexagonal Chrome Front Grille amplifies the premium look of the Hyundai's new Verna, imparting an air of regal splendour.

Eagle Eye Head Lamps

Providing optimum illumination at night, these headlamps sport a two-piece black bezel design that adds a touch of luxury during the day.

Outside Mirrors with Side Repeaters

These body-coloured side mirrors have in-built LED turn indicators for style, additional safety, and are electrically adjustable and foldable.

Fog Lamps

The built-in stylish fog lamps not just give you extra visibility in foggy conditions, but also add to the look of the new Verna.

Chrome Outside Door Handles

Stylish chrome pull-type door handles are convenient and looks elegant on the new Verna.

Rear Combination Lamps

Integrated into the very design of the car, these wraparound rear lights deliver high visibility illumination.

Two Tone Chrome Rear Garnish

The Rear Chrome Garnish not only highlights the rear profile of the car but also adds to the car's style quotient.

Chrome Dual Exhaust Pipe  **7 SL in segment**

Adding to the look of the car, the Dual Chrome Exhaust Pipes give the Verna a new, more sporty look.
