**ŠKODA Assistance**  
NONSTOP HELP ON THE ROAD

Welcome to the Škoda family. In our pursuit to offer you a superior ownership experience and trouble-free motoring, we present you with Škoda Assist – an exclusive 24 X 7, non-stop assistance service. This unique service is complimentary for the entire duration of the New Vehicle Limited Warranty coverage period and guarantees stress-free assistance in a variety of situations. This program doesn't just assure you of prompt service in the rare event of a car breakdown, but also assists you with mechanical breakdown towing, fuel delivery, flat- tyre change and car collision, to name a few.

## Services offered\* across India#

- **Minor mechanical or electrical breakdown causing immobilisation**

Repair on-site, if possible

- **Flat / Weak battery**

Jump start battery

- **Flat tyre**

Replacing the flat tyre with spare wheel available in your car on the site
