Škoda Octavia – ACCESSORIES

The Škoda Octavia can meet many expectations, so it's no wonder it has been popular with families who have kids as well as, for instance, young couples with an active lifestyle. However, the Octavia has also been a popular business car as well as a pleasant commuting companion. And each Octavia owner puts emphasis on different things – that's where the range of **Škoda Genuine Accessories** comes into play. With them, you can accentuate the features of your car that are crucial for you – like giving it a sportier look, underscoring its comfort or increasing its transport capacity. Products from the range of Škoda Genuine Accessories are actually an extension of our standard and extra equipment levels and as such, they have been approved by Škoda Auto. Their other advantages include a long service life, safety, original design and accurate fit. You can get Škoda Genuine Accessories together with competent advice and service from any authorised Škoda partner.

The wide range of **comfort & utility** products from Škoda Genuine Accessories enables you to increase both passenger comfort and the practicality of your car in any season of the year. While accessories like the cooling box or sunblinds will make you look forward to your summer trips even more, a ski sack will come in handy on your winter sports trips. Foot mats as well as a boot mat or a plastic boot dish will help you keep your car clean and storage boxes, parcel shelf storage bag or the netting system will considerably enhance the storage options in your car.

With Škoda Genuine Accessories **transport** products, you can set off for winter or summer sports even in a fully occupied car. In addition to the spacious boot, you have even more storage space – on the roof. We offer you practical and reliable roof racks as well as various lockable carriers and holders for your bikes and snowboards. In addition, there is a brand new ski box in the Škoda design. If you get an interior holder, you can transport your bikes in the safety of your car or we have another solution for you – a tow bar-mounted bicycle carrier.
