## So, Please insist on Michelin Warranty Card

### Pilot Preceda 2

MICHELIN Pilot Preceda is designed for Asian needs: it combines ultimate sport performances with maximum safety and comfort.

**PRECISION  
DRIVING**

**PERFORMANCE  
TUNING**

**COMFORT &  
SILENT**

**WET**

#### Benefits:

##### » Ultimate sport performances

Two seconds faster than the older generation MICHELIN Pilot Preceda<sup>1</sup>, thanks to an innovative compound.

##### » Designed for Asian needs

MICHELIN Pilot Preceda brakes 7% shorter than its predecessor in the wet<sup>1</sup> to provide maximum safety even in heavy rain conditions.

##### » An asymmetric tread pattern optimises the effectiveness of the shoulders on each side

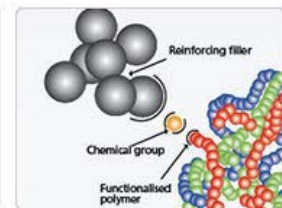

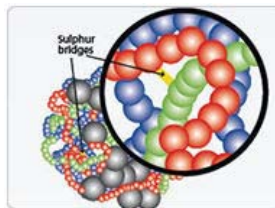

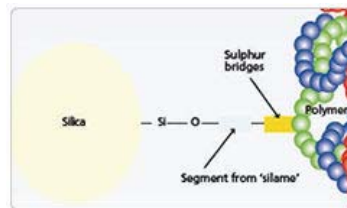

Large blocks on the exterior shoulder increase the amount of rubber in contact with the road for good dry handling, while additional grooves on the inner shoulder channel water from under the tyre for grip in wet conditions.

Handling ↑ Water drainage

##### » Grip in all conditions

Formula G, a specifically blended Hybrid silica compound, drastically improves grip in the wet.

#### Typical Vehicle Matches\*

**AUDI:** A4, A6  
**BMW:** 3 Series
